6. Administration

- a. **Village Improvement Committee** – The Parish Council would like to thank the volunteers who are working on the old allotment site on Church Lane, the site is looking much tidier and their efforts are greatly appreciated.

East Riding of Yorkshire Council (ERYC) have given permission for the Parish Council to plant flowers in front of Mill Wheel village name sign on Church Lane.

- b. **Social Centre** – The centre is doing well, popular sessions include the Pop-in session on a Wednesday, the Craft session on a Monday and the Line Dancing session.
- c. **Cemetery** – In response to a query the Parish Council discussed the interring of ashes in the cemetery without the involvement of a funeral director and because of legal implications resolved that this will not be allowed. Overtime for the Clerk was approved to carry out cemetery administration.

7. Planning

- a. **Application 23/03799/PLF Emmotland Fishing Ponds, Howes Lane.** Erection of replacement fishing lodge (Retrospective). The Parish Council had no objections to this application although concerns were raised regarding the setting of precedence for more holiday lets which would not be suitable at this location because of the narrow approach. Concerns regarding flooding were raised as it is believed that a nearby application for a holiday let was refused on these grounds.

- b. **Permissions granted**
23/02726/PLF High Emmotland Farm, Howes Lane.

9. Councillor’s Reports

The Parish Council received a ‘thank you’ card from the Parents, Teachers and Friends Association (PTFA) expressing thanks for the recent donation.

The following will be reported to ERYC:

- The pothole on Mount Pleasant Road just past the last house as you leave the village.
- The broken pavement opposite Eastfield Close.
- The double-bend on Cross Lane, as a hazard for vehicles trying to leave houses.
- Main Street, just before the corner of Grange Road, as when flooding occurs vehicles avoiding the water face on-coming traffic on a bend.
- Blocked drains on North Townside Road (again).

ERYC will also be notified that trees have been planted close to a bench on Bridlington Balk (near Grange Road) assumingly by village residents, the Parish Council does not object to the trees but was not given planting permission for this area and does not want ERYC to consider this as a violation of any agreement.

The meeting closed at 8:45pm and the next meeting is the 11 March 2024.
