Editorial - **HELP NEEDED TO SAVE YOUR VILLAGE VOICE**

It is lovely to see the village coming to life as Spring arrives, heralding better days ahead.

Sadly, we have lost a number of advertisers recently, due to a change in their circumstances, and of course, this impacts the viability of the magazine.

If anyone knows of any businesses that would benefit from an advert, please can you encourage them to get in touch.

Likewise, if anyone would like to take on the role of co-ordinating advertisements, that would be much appreciated.

Due to the increase in the cost of printing, if we are not able to find additional financial support for the magazine, it may have **to fold** or become a **digital only** publication.

Your help to keep the Village Voice going is gratefully received.

Are you making the most of the Post Office service?

Did you know we have a Post Office service in the village Hall every Wednesday?

Have you used it?

It is open from 12 noon to 1.30 pm each Wednesday, and it's a case of "use it or lose it."

Please support this valuable service which is helpful to many residents.

The History Group

Our next meeting will be Thursday, 16 March 2023 at 7:30 pm where the Tickton Tarts will be visiting and demonstrating "a taste of nostalgia," products that have stood the taste of time, remembering and rediscovering ingredients and dishes from the past.

As it is the start of the year subs will be due.

WOLDS WANDERERS

Photos thanks to Barbara and Vicky

A bright but bracing day in December and six of the group set off along South Beach at Bridlington to walk towards Sewerby and back. The wind scoured the beach and put colour in their cheeks and it was grand to be out on such a sunny day. Shelter was to be found along the way for a hot cuppa and a sarny.

A dry but overcast February day saw a turnout of 14, the largest for a while, return to Londesborough to take advantage of the opportunity to explore the site of the Old Hall which had been opened for the Snowdrop Walk. Parking in the layby at Towthorpe Corner, we made our way through the park to the estate village and joined the throng which had gathered to enjoy the annual show. Not much remained of the Old Hall but the spectacular stone gateways suggested a very fine house in its day.

Photos thanks to Ann, Peter and Vicky

Among previous owners were the Cavendishes who had the Old Hall demolished and some of the works of art, furnishings and statuary removed to Chatsworth. George Hudson, the Railway King briefly owned the new hall.

Time to get walking again!

With Spring on its way, we start to think about walking in the beautiful English countryside again, but where to find new and interesting walks?

Walking in Yorkshire <https://www.walkinginengland.co.uk/yorkshire> has loads of walks to download and print, free. It also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk alone or with a group, all the information is there in one place.

John Harris (who maintains the website) said, "There is so much walking information on the web, but it is difficult to find. Walking in Yorkshire (part of the Walking in England website) has brought it together in one place, so whether you are walking from home or away on holiday, you can find a suitable walk."

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

East Riding of Yorkshire Council News

On Thursday, 9th February East Riding of Yorkshire Councillors set the budget for the forthcoming year.

It has been one of the most challenging years we can remember & whilst the aim is always to try to keep costs down as much as possible, a rise of 4.99% was agreed.

It may help to understand that this is made up of 2.99% to cover the cost pressures across all our 600 plus services and 2% to go towards Adult Social Care. The government stated that their funding towards local authorities included an expectation that we would do this.

We were acutely aware of the cost-of-living pressures faced by us all, and the council is no exception. It is also experiencing great pressures in terms of current and future wage settlements, increased energy and fuel costs, as well as the social care costs supporting a growing elderly population.

In fact, these issues mean we have to find an additional £36 million this coming year to balance the books, which will be met by using £7 million from reserves, £10 million from the Council tax increase and then having to find the balance of around £19 million by more efficient ways of working.

We think residents value the services offered by ERYC & we want to ensure they are protected we will also continue to provide support for those in need through our Help for Households and Help for Business initiatives which can be readily accessed by going onto www.ERYC.link/help

Cllrs Jane Evison, Jonathan Owen & Charlie Dewhirst.

Parish Council News

The Parish Council would like to wish everyone a happy and healthy 2023. Thanks are sent to Dan Backhouse and his team for cutting the Christmas tree into pieces in readiness for collection by Bridlington Young Farmers, who were raising funds for the Stroke Unit at Hull Royal Infirmary by doing a tree disposal service.

Planning application 22/03433/CM for the construction of an asphalt plant and associated works at Brandesburton is open for comments until the 10th March. Residents may submit comments by going to <https://newplanningaccess.eastriding.gov.uk/newplanningaccess/PLAN/22/03433/CM> (please be aware that sometimes pages take a while to load) or by writing to: East Riding of Yorkshire Council, Planning and Development Management, County Hall, Cross Street, Beverley, HU17 9BA. Please ensure your letter is received by ERYC before the 10th March.

With regret, the Parish Council agreed that due to lack of funding, the provision of a bus shelter will be postponed and considered during budget discussions later in the year; even if grant funding could be secured the Parish Council needs to have the funds to meet the mandatory contribution towards the project.

If you would like to check for roadworks and road closures on your journey, <https://one.network> is a free live map where highway authorities (such as ERYC) and utilities list their operations, it can be searched for information up to 12 months in advance.

There seems to be an increase in dog-fouling and littering in the village, this is offensive to those who would like to keep the village as a 'nice place' to live. Please ensure you and your children dispose of your litter and dog mess correctly.

The Parish Council is still looking to employ you or your company to look after the maintenance of the benches in the village. If you are interested, please contact the Clerk on 01964 603220 or email clerk@northfrodinghampc.org

Mature Mayhem

We are a group of 'mature' people who meet every Friday afternoon from 2pm to 4 pm in the Village Hall. It gives us the opportunity to socialise, do gentle exercises and play games, not forgetting a cup of tea or coffee and a biscuit. If you feel lonely or just want a change, please come and join us. You will be made very welcome.

Paperback Book Swap

Runs at the same time as Mature Mayhem. There is a large selection of books to choose from, completely free of charge. Just bring a book you have read and swap it for another.

Scouts' Christmas Post

I'd like to take this opportunity to thank everyone who offered to help me with this Year's Post. So many people volunteered that I was unable to accept all the offers, working on a "first volunteered, first accepted" system. Thanks to all of you.

The Scouts' Post enables people to send cards to family and friends in the local area at a very reasonable cost whilst raising a considerable amount of money for Scouts and Rangers in Driffield and the surrounding villages.

So many thanks to Andrea, Korina, Joan and Keith, Margaret and Brian, and Michell and Geoff. Special thanks go to Neil Ingram (and his dad!), who collected the cards from Driffield and delivered them to me for sorting, and to Brian, who helped in the delivery of the outlying ones.

Between us, we helped to raise over £3,000 pounds which will be shared between Scout troops in and around Driffield.

Grateful thanks to everyone - Christine Rookes.

And another thank you – to the phantom biscuit elf!

Thank you so much to the person who leaves a box of biscuits at the playing fields every Christmas. It is very kind of you and is much appreciated.
