Editorial

As I write this, the sun is shining, and the temperature is in the high 20s. We have enjoyed the recent Platinum Jubilee celebrations and all thoughts are now on the summer holidays.

A huge thank you to everyone involved in organizing the events in the Community Hall, and to all the residents who put up bunting, flags, and other decorations.

Save the Village Voice!

As you know, Peter Bernard has looked after the production of the Village Voice for over ten years. Since I took over as editor, he has continued to oversee its production and liaised with the advertisers.

Peter will be standing down at the end of the year.

I am sure we would all like to say a huge thank you to Peter for his commitment to the publication.

Of course, this does leave a big hole to fill.

I am happy to carry on with the editorial and production of the magazine, but if there is anyone who could lend a hand coordinating the adverts and finances, that would be a great help.

I am not sure I could manage all of it myself and I would hate to see the magazine have to fold.

Budding photographers and journalists

How do you fancy having your photograph on the front cover of the September edition of Village Voice? Whilst you are out and about or on holiday over the next couple of months, see if you can take a suitable shot.

What about writing an article? If you are off to university or college in September, having a published article to put in your portfolio could be just what you need.

Send any contributions to reach me by 15 August. (Good luck!)

ERYC News

Platinum Jubilee

In January ERYC had a grant scheme offering up to £500 to help communities with their plans to celebrate the jubilee, the scheme was a great success & over 130 parishes came forward to access the funding.

Commonwealth Games

Birmingham is to host the Commonwealth Games with the opening ceremony on 28th July this year.

As part of the build-up to the event, there is already underway a Baton Relay, the journey of the Baton brings together & celebrates communities in every part of the commonwealth ahead of the opening in Birmingham.

ERYC made a bid to have the Baton visit our area & has been selected as one of 180 successful communities to be listed.

The Baton will arrive in Beverley on the morning of 13th July and then on to Market Weighton.

One of our confirmed baton bearers is Luke Lambert from Beverley who has been chosen because of his contribution to his local community.

Area of Natural Beauty (AONB)

The Yorkshire Wolds have been put forward to Natural England to be considered as an AONB.

Natural England is now asking for opinions on the landscapes and heritage of the Yorkshire Wolds as they assess its potential for designation.

They are inviting as many people as possible to get involved, whether you run a local business, represent a local organisation, or just have an interest they are asking for your input.

The first drop-in sessions started on the 9th & 10th of June but more are planned for the 21st, 22nd & 23rd of June at venues to be confirmed on the website. Or you can share your views by visiting the newly launched website <https://www.yorkshire-wolds-designation-project.org>

History Group report

At May's meeting, we had a very interesting talk from Sheila Cadman, a resident of Wansford who was able to give us an insight into its past.

Did you know there was once an Arkwright's (not the shop!) Mill between the River Hull and the Driffeld Navigation Canal, this was run by Richard Arkwright Junior. The Mill produced woven carpets and one was made to go in Sledmere House. Orphans worked the looms bought from London.

On Sunday 5th June members of the History Group opened the Chapel within the Cemetery. We had 40 people come to see the exhibitions and photographs and due to the interest, we hope to open the Chapel again every Sunday during August.

Look out for details nearer the time.

Our next meeting will be our Summer Outing on 14th July where we are visiting St Elgins, St Marys, Kirkburn and St Michaels and All Angels, Garton.

Thanks

Mature Mayhem

As well as our weekly get-together each Friday from 2-4 pm we were able to treat ourselves to an early evening out at the Blue Post in April. A total of fifteen of us enjoyed a delicious meal together, something we haven't been able to do for a while. Thank you to Michelle and the team for your hard work.

To mark the Queen's Jubilee, we had a tea party instead of the usual tea and biscuits.

Our regular activities of exercises, a ball game and table games were followed by sandwiches, pies and cakes etc. Red, white and blue and Union Jacks were in abundance.

If you would like to join us for some mature fun, games and mayhem, you will be made most welcome.

Paperback Book Swap

Runs at the same time as Mature Mayhem. If you want a book to read, we have lots to choose from.

Neighbourhood Watch

On-going scam still catching people out!

This scam warning is still there. It has been reported that scammers are STILL contacting people by 'text' or 'WhatsApp', claiming to be family members, saying that their phone has been damaged or stolen.

They give that as the reason their phone number is different and say they need an urgent money transfer.

As always, please, please stay alert. Do not be caught out.

ALLOCATION OF THE NOW CAMPAIGN FUNDS

Dear Residents,

If you have read the May issue of the Village Voice, you are no doubt aware the committee members of the above action group agreed in 2017, that the funds generously donated would be held for 5 years until 2022.

Furthermore, if these funds were not required to be used as a fighting fund, it was decided that the balance would be equally split between the villages of Foston, Beeford and North Frodingham. This has resulted in each village receiving £9,598.53.

In North Frodingham, we are asking the villagers to suggest ideas for putting our share of the money to good use. Whether you represent one of the many charitable organizations or groups, or individually you have an idea which would benefit the local community then we ask you to fill in the initial questionnaire below for consideration.

Subsequently, the committee will contact the relevant persons or organizations to discuss the merits of each bid/idea.

Thank you on behalf of the North Frodingham Community

WOLDS WANDERERS

A highlight of our walking year is to see the bluebells at Pockley. They certainly didn't disappoint with a display as far as the eye could see through Riccal Dale Wood. Turning at Hasty Bank Farm, our path followed the margin of the wood and through a sea of Wild Garlic.

June saw five of us take a gentle amble through Wykeham Forest along the grid of forest tracks to arrive at the Raptor Viewpoint with an impressive view across to Broxa and Langdale End. Along the verges there were orchids and Yellow Rattle and also Yellow Pimpernel and Common Tormantil (Vicky had an app!).

YOUR VILLAGE NEEDS YOU!

A cynic might say 'only fools volunteer,' yet this country is propped up by volunteers, the N.H.S. being a good example.

Volunteering is usually enjoyable and satisfying. It is not reserved for retired people who are time rich.

It does not need to be a drain on your time.

The village hall committee needs both members and occasional volunteers for specific events such as Bonfire Night.

Committee members meet monthly (the first Monday at 7 pm), and meetings rarely exceed an hour.

In addition, members help with individual events such as refreshments and organisation.

Try us - attend a meeting - no commitment - or help at an event such as the summer fair in July.
