

North Frodingham
Village Voice
JUNE & JULY 2013

Editorial

Again, we must thank the volunteers that have distributed Village Voice. There are nearly 350 residences in the village and outlying farms and their help is very important. If you think you could help with this distribution please contact us.

If VV didn't arrive on your doorstep, I must apologise. However, we have put spare copies in the Post Office where one can be collected.

We would like to feature all our local businesses in these pages. Financially we are dependent on our costs being covered by the adverts. So please try to support these local businesses when it is appropriate.

Also we try to cover all aspects of village life and believe that the Church, School, PO, & pub are fundamental to providing this identity.

We have now found another local printer, Alma Printers of Driffield

We have reverted to black and white for this issue; we do not have the material that would justify a colour edition. Future issues will depend on circumstances:

When we have sufficient funds in our accounts (we are non-profit making) we could publish some pages in colour with your pictures relating to life in the village. **If we get sufficient pictures in we plan some colour pages next issue.**

Advertisement rates

Independently, our advertisers can choose black & white or colour adverts when each edition is being set up.

Blue Post Hosts 1940's Weekend Spectacular!

FOR TWO DAYS ONLY THE BLUE POST INN IS GOING BACK IN TIME TO HOST A PACKED SCHEDULE OF 1940'S CELEBRATION! Reports suggest the line-up is set to include food served from 10am – 9pm across both days with themed menus to compliment the 1940's decor, displays and activities planned. Statistics from similar events held at the venue indicate pre-booking to avoid disappointment is a necessity. Despite the owners remaining tight lipped on the event, sources

suggest the celebrations will kick off on Saturday the 1st with fun activities and stalls for all the family and conclude with an evening of music from the talented Garnett Sisters from 9pm to dance the night away to. Sunday the 2nd is predicted to be a more relaxed affair, with a good old fashioned sing song around the baby grand in the afternoon and finished off with a quiz packed with nostalgic trivia and supper from 8.30pm, sure to test your knowledge. Organisers state themed dress is not only permitted but encouraged and already rumours of prizes are circulating amongst locals. Sure to be a great event for all the family full timetables are located in the Blue Post so don't miss out!

Garnett Sister's bringing their show to North Frodingham!

TALENTED TRIBUTE ACT MAKING THEIR BLUE POST DEBUT!

'Sisters, sisters, there were never more devoted sisters' and this Saturday 1st of June this vintage trio will be gracing The Blue Post Inn with their flawless

harmonies and old school glamour. From 9pm onwards The Blue Post is set to be a hive of singing, dancing and merriment with the girls transporting the village back to the 1940's. Definitely not one to miss, *The Blue Post wants you.*

History Group

The March meeting of the History Group was very well attended despite the miserable weather!

Mr David Mooney gave an interesting talk about the history of flight in East Yorkshire with everyone surprised to hear how many 'firsts' the East Riding had chalked up in aviation history:

- Laser guided weaponry – thought up by a local vicar
- Birthplace of aviation – Brompton by Sawdon – Sir George Caley glided 50 yds
- First and youngest female passenger – aged five years, Bridlington
- First radio signal plane to ship
- Pilot of first airship to fly to Norway – Arthur Elliott of Bridlington
- First Heinkel shot down over England – by Peter Townsend over Whitby

We were also entertained by the story of Thomas Felling, the Flying Man, who made his living abseiling down a wire from a church tower, to a friend holding it outside a nearby pub doors. He died attempting this feat in Pocklington; his colleague was distracted and loosed the wire, and Thomas crashed into the church battlements on his way down. He was buried in the Pocklington churchyard 10.04 1733.

Did you know that 1400 planes crash landed at Carnaby and other wartime airfields in the area during WW2?

Polly Stead, chairman, gave the vote of thanks after which members were able to enjoy light refreshments and a good gossip amongst friends. Distribution of the 'History of Frodingham' has continued steadily as residents became aware of its existence. There are copies still available for any household that has not had a copy as yet, simply contact one of the Group members or call at 89 Main Street, copies are free to residents or a donation to the group would be welcome from non-residents.

The History Group was saddened to hear of the sudden loss of Colin Axford. A friend and supporter of the group who had comprehensively researched land tenure in Frodingham Parish from 1808 to the present day and freely made a copy of his work available to the group.

At the next meeting, May 16th, 7.30pm in the Village Hall, Rachel Walker will talk about the history of keels and sloops on the River Hull. Visitors and new members will always be made very welcome.

From Ward County Councillors

East Riding of Yorkshire Council, along with local authorities across the country, is facing many challenges. Huge reductions in government funding, which makes up the majority of the money the council receives to deliver its services, is ensuring all councils are budgeting prudently and changing the way they operate. Contrary to popular belief, the Council Tax we all pay, only makes up around a fifth of the money the council receives, but is the only way it can raise funds directly if all other avenues are cutting back. East Riding Council has, despite this, agreed to freeze council tax at present rates for another year and is leading the way in local government to find innovative ways to provide services without cutbacks.

Changes to the benefit system will have a big impact on the Council as it now has to pick up the responsibility for many benefits that were previously the domain of national government. However the council is well placed, through prudent financial management, to tackle these issues.

As local ward councillors, we are more than appreciative of the issues faced by many in our communities as people are affected by benefit changes. Residents in our ward will also have read in the press about the proposed closure of primary schools and we have been actively involved in ensuring all possible avenues are looked at to avoid closure.

As well as North Frodingham, we represent a further 20 parishes from Wold Newton across to Skipsea and down to Brandesburton as well as incorporating large villages such as Nafferton and Hutton Cranswick. Many issues are shared by all Parishes and we keep in regular contact with them all to ascertain where we can pick up on and act on concerns.

As local councillors we have arranged another meeting to invite representatives from all Parish Councils in our ward to bring everyone together to listen to their concerns and we look forward to continuing the good relationships we have with North Frodingham Parish Council and helping to support you all where we can.

Jonathan Owen & Jane Evison

Social Centre (SC)

The SC committee has purchased litter bins, benches and picnic tables for the playground, plus a new hinge for the roadside gate. It only remains to organise the installation of these new 'treasures' and to complete the task. If anyone feels that they can offer a couple of hours labour to help with this, please contact a member of the Social Centre committee.

The old shed is almost repaired, new front and rear, new roof and new felt etc. As with any job each step forward seems to have revealed a new problem, but soon we will have a sturdy waterproof shed for the outside chairs and equipment and 'Jellytots' will be offered more storage space inside the Village Hall.

The Summer Fete will be held 27th July from 2-4pm, outside if the weather obliges but certainly within the Hall. So far eleven groups/individuals have agreed to participate, either to raise funds for their group or for a specific charity. If you would like to have a table or organise a competition, please let one of the committee know.

The SC committee is still hoping that someone will come forward to re-open the youth club and that some community-minded people will join the Social Centre Committee to help keep this important village asset functioning smoothly, we promise you that no-one is dragooned into hard labour, mostly it involves a short meeting once a month to discuss and agree what we do next.

Jelly Tots Playgroup

Come along to our small and friendly playgroup for babies and children up to 5 years old. We meet every Wednesday in term time from 9:30 to 11:30 in the Village social Centre. Come and join in play and craft activities and sing a few songs at the end. Chat with other parents and carers over a cup of tea or coffee.

Sessions of £1.50 per child, 50p for additional children and includes a drink for adults and a drink and a snack for the children. We look forward to seeing you there. If you would like to know anything else, please ring Elaine on 01262 488475.

North Frodingham Primary School

Dear All,

At the end of last term we had to say a farewell to our Head Teacher who retired. We wish her well and thank her for all her achievements during her time at the school.

We also said farewell to our Administrative Officer, Hilary Hardy, who also retired after 27 years of service to the school. Many thanks to her for all her hard and dedicated work.

Mrs Wilson was welcomed back to the Foundation class after her maternity leave and Mrs Burnhill was welcomed as the new temporary Administrative Officer.

May Day celebrations were held in the school grounds and Laura Merrison, the oldest girl in school, was crowned May Queen. What a sight for sore eyes as she walked down the Main Street with her Grandad to take her place at the floral throne. Maypole dancing followed and some country dancing by pupils. At the end of the afternoon, parents and children could be seen enjoying the Circassin Circle Dance.

The Stay and Play sessions for parents and carers with children under 5 start on Thursday 6th June and there is another session on 4th July. Sessions run from 9.00am to 10.30am and are held in the school hall. They include soft play, music and movement, creative play and singing.

Best wishes

Mrs C Bennison (Action Head Teacher)

Do you think you would like a prayer said for yourself or a loved one?

Are you concerned about someone? Do you feel at a crossroads in your life? Would you like some support by people who would pray for you?

If the answer is yes, then we can offer to pray for you at our monthly Prayer Lunch.

If you would like prayers to be offered, there are two ways to do this.

- There is a prayer tree in Church. Fill in a card and hang it on the tree.
- Put your request in an envelope with 'Prayer request' on the outside and pop it in at 88 Main St.

We do not need names or personal information - an initial will suffice.

eg. 'Please pray for S who needs surgery/been made redundant'

Notes

Our last quiz this winter was held on March 21st, the winners were 'Kell's Angels' congratulations to them and thank you to everyone who has donated supper food, raffle prizes and supported the quizzes, it is very much appreciated. A special thank you to Shirley for setting and asking the questions and keeping order! Thank you to Mrs Dorothy Allman and Mrs Hilary Robinson for holding coffee mornings in March and April, always a pleasant morning, it's nice to get together for a coffee and a chat and everyone is welcome.

Diary Dates

Thurs. 16th May Coffee Morning at the home of Brig. A Simmons, Park House, Main St. at 10am.

The Archbishop of York, Dr John Sentamu, will be confirming both adult and junior members of the benefice on Sunday, July 21st at Leven Church.

North Frodingham Y.C.A.
(Yorkshire Countrywomen's Association)

Meetings of the Y.C.A. are held in the Village Hall on the 2nd Wednesday of each month starting at 7.15pm. Annual membership is £12, visitors £1.

.This year is our Pearl Anniversary Year not only of the YCA but also of our branch and there will be various celebrations throughout the year.

Thank you to everyone who supported our Marie Curie Tea Party in March, over £400 was raised for Marie Curie Cancer Care.

We held our anniversary dinner on 27th April at The Bell Hotel, Drifffield. We spent a lovely evening with good food and good company, finished off with celebration cake and a glass of wine, thanks to our chairman Ann.

Future Meetings

12th June Mrs Gatenby - Titanic Talk. Comp. A photograph of a boat/boats.

12th July - Friday afternoon visit to Wassand Hall, Seaton.

14th August Miss J. Johnson - My Paralympic Experience. Comp. A sporting souvenir.

Why not come along and join us, new members are always welcome, just come along to a meeting or for more information you can ring Ann Briggs on 488420, or speak to any Y.C.A. member.

Coincidence Again – Part II

Following on from the last Village Voice and carrying on the story told to me by Noel the ex-ship's carpenter and now with a gospel group on Bridlington beach; this is what he told me:

“I was on one of the Harrison cargo ships in the West Indies and bound for Port of Spain, Trinidad, when we ran into thick fog, which is unusual for that part of the world. The ship's siren sounded at one minute intervals and speed was reduced, but not by much as the captain didn't want to miss his mooring time.

“Another vessel was heard sounding its siren and appeared to be fairly close. Suddenly with no

further warning, we were struck amidships and immediately started to take in water. I was ordered to take soundings to see how much water we were taking in. The captain ordered lifeboats to be swung out. It soon became obvious the ship would not stay afloat for much longer and the order was given to abandon ship and we all got into the boats.

“Unfortunately, whilst my boat was being lowered it tipped us all out into the water which had become a little choppy. The ship was sinking fast and we all had to swim away from it to avoid being caught in the undertow. It was still foggy and we lost sight of the other boats.

“After a while a shark was seen and panic set in. I saw two of my mates taken and I prayed that I would survive. A little later one of the other lifeboats found us and I thanked the Lord and prayed for the souls of those lost. We were picked up by another vessel and landed in Bridgetown which happened to be my home port.

“I resigned my position and vowed never to go to sea again. I joined the local church and began training to become a minister. Part of that training was to spread the word in other countries which is how I come to be in Bridlington.”

We chatted for a while longer and then parted and that was the last I saw of him.

Letter submitted

There are a great many people in the village who make an effort to improve things for the benefit of all. This is particularly apparent in Spring when bulbs, planted in public spaces, start to flower. Daffodils, voluntarily planted and always a joy to see, are especially appreciated.

What a pity, then, that they should be plucked and kicked about by a couple of small children while their mother looked on with apparent indifference.

Exploding ATM's?

The vast percentage of people in this country use the services of an ATM at some point. Please read on:-

Attention has been drawn to the emergence of a distinctive method of operation targeting ATM's with gas which has occurred in mainland Europe and could find its way into Britain, as the holiday season starts and persons from overseas enter Britain.

Since the 23rd of March there have been 5 of these attacks at locations in the East Midlands, South West and West Midlands regions. Offenders have achieved a significant measure of success in obtaining cash from ATM's using this method.

The use of gas is prevalent on mainland Europe with more than 50% of attacks against ATMs using this method. The offender pumps gas into the casing of the ATM and then this is ignited with a flame, which can result in a substantial explosion. The health and safety implications of this type of attack in relation to the risk or injury to members of the public are severe. Attacks of this nature on mainland Europe have resulted in serious injury and fatalities.

If there is a smell of gas in the vicinity of an ATM, persons should leave the area without using the facility, prevent other persons from using the said machine and should raise the alarm by contacting the police via the 999 number. Police will contact the relevant organizations who are trained to deal with such matters.

Another matter which seems to be on the increase in these times of austerity is fraud and internet crime. There is now a secure online reporting facility giving advice on avoiding the latest scams which are in circulation. This can be contacted online at actionfraud.police.uk or by contacting 0300 123 2040.

Pippa GRAVIL
Special Inspector Recruitment & Marketing

**ALL MEETINGS ARE ON A MONDAY.
IN THE SOCIAL CENTRE AT 7pm**

The 2013 meetings are :

June 17th

September 16th

December 16th

Please come along to have your say.

There are reports from around the whole country of people preying upon the vulnerable in society by trying to get the householder to pay up front for repairs which these rogue tradesmen say need doing. For example; "Your roof has some loose tiles, your driveway has little pot holes in it and people could sue you if they trip over the holes".

If you don't know these people, don't open the door to them, and certainly don't let them into your house.

These rogue tradesmen are using your pride in your property and your concern for other peoples' safety to get money out of you, so don't get caught out.

Best wishes from Rob Andrew

FROM Humberside Police message:

With smart phones costing much more than a mobile phone nowadays, the monetary value of the phone itself is a lucrative business for thieves, **not to mention all the personal data held on the phone, which is worth a whole lot more to identity thieves.**

This is why Humberside Police are urging mobile phone owners and businesses to register all their mobile phones, along with any other valuables you wish to keep a record of, BEFORE they become lost or stolen, it is on a free website:

www.immobilise.com

Parish Council (PC)

The March and April meetings of the Parish Council continued their relatively uneventful progress although the number of planning applications has begun to increase. The main issues dealt with by the councillors during this period were as follows:

- a. The church hedge: a decision was taken to replace the existing hedge with a low, wooden post and rail fence and to either plant a new hedge or ornamental bushes behind it. Quotes were obtained, discussed and a contractor agreed. The Council is now waiting for formal permission from the diocese for work to commence. In the meantime a temporary barrier has been erected to prevent anyone falling down the bank and into the road.
- b. Greg Knight MP is continuing his efforts to establish why the Environment Agency appears to be failing in the task of keeping the river Hull flowing freely, in the meantime walkers should note that the river banks are very weak and care must be taken if using them.
- c. Efforts are being made to ensure that access to Frodingham Landing is available during daylight hours. The chain barrier is being dropped but the 'Closed' sign is apparently still deterring users from taking their vehicles on to the landing.
- d. The Highways Department have informed Council that Grange Road and White Bridge have been scheduled for repair.
- e. Frodingham is on the general maintenance schedule this year, some of the more specific problems that will be addressed include the manhole outside Garden Cottage, the finger sign outside Cross Farm and lowering the gullies outside 77 Main Street. In addition to pothole repairs, gully flushing, painting and repair of waste bins etc.
- f. Finally the police have indicated that we seem to have had a very low incidence of reported anti-social behaviour, which must be quite an accolade for us all.

WOLDS WANDERERS

Notes on the March walk with thanks to Andrea. The walk was in the grounds of Castle Howard, known to all from “Brideshead Revisited”.

Starting from the crossroads by the Great Lake with its lovely view of the house, we headed through Coneysthorpe which is a typical estate village. After a steady climb we entered the Coneysthorpe Bank Woods and made our way along the bank top. We stopped for lunch about half way round on the sheep walk, overlooking the Howardian Hills. Continuing on to Slingsby Bank Woods, we made a steep and very muddy descent before returning to the crossroads. Despite a quick dash at the end as a very heavy shower fell, the walk was enjoyed by all.

The April walk was on a very sunny but very windy day. Parking in the beautiful Forge Valley, we crossed the stream and made our way along the board walk, flanked by wood anemones and emerging wild garlic, towards Hackness via Cockrah Foot where we came across a heronry. Strong winds whipped up clouds of dust which obscured some of the distant hills. A sharp pull up a steep bank gave us a fine view of the valley behind Hackness Hall and a very fine lunch spot.

Our return brought us down through Raincliffe Woods to our car park. At times the wind made it all but impossible to talk but we all had a good day.

BEEFORD TENNIS CLUB

Our Tennis Club would welcome any adults or children interested in playing or learning to play Tennis. Over half of our membership is from nearby villages.

We have seven Tennis Teams playing matches most weeks and we always welcome new players.

We will again be offering Professional Tennis Coaching every Sunday morning and also after school tennis at 4.00 on a Monday and/or Wednesday by a qualified Junior Tennis Coach.

We will be holding a taster/signing on session on Sunday 5th May 2013, at 11.00 a.m. so do come along and see what is on offer. You could also turn up on any other Sunday morning to obtain details. To get some idea of numbers and for any further details it would help if you could you ring Geoffrey Rhodes **on 488455**

.

FOOTBALL

North Frodingham AFC is coming to the end of its season's fixtures, with some very impressive performances from a much strengthened team, including recently putting the League leaders to the sword on their home ground at Flamborough. Veteran Mark Ellis has marshalled the side well to some impressive performances, despite the broken leg injury to the impressive young player Matthew Ellis. Watch out for training at the playing fields over the summer if you want to get involved.

Thanks to Mike and Elaine at the Blue Post for the best post match hospitality in the Driffeld League.

CRICKET

North Frodingham Cricket Club plays in the Bridlington and District Evening Cricket League on a Thursday evening, fixtures are attached and all players old and new are always welcome.

Last season we missed out on the league title after losing the deciding last match of the season to a strong Hornsea team, who took the title.

The season starts on 2 May with an away match to Driffield Rugby Club.

Beeford have the following teams:

Open age team playing on Saturday afternoon in York and District Senior League (YDSL) Conference Division;

Under 15 teams in the Derwent Valley A League (after successive promotion years) on a Sunday morning, and on a Monday Evening in the East Yorkshire Cricket League;

Under 18 team in the YDSL Intermediate League on a Sunday Afternoon;

Under 11 team in the Derwent Valley League.

All fixtures are on the PlayCricket website:

<http://www.beefordplay-cricket>.

Training takes place on a Friday at the Beeford Cricket Ground from 6.30pm.

New players are always welcome particularly under 11s. All coaches are qualified and CRB checked.

Can you recognise anyone from the 1998 double winning side picture enclosed?
