## Editorial.....

So far, there's been no word on whether the Biodigestor decision will be appealed. If there is to be an appeal, it's quite likely to happen at the height of summer when most people are on their holidays, hoping to catch everyone unawares. Rest assured that the Not Our Waste group is keeping a look out.

By the time we go to print, the dust will be settling on Brexit. Being one of the undecided, I found it far from helpful when Richard Branson waded in from his gin palace in some tax haven, warning us not to rock the boat!

Having put it off for as long as possible, there being so many tales of woe, I finally switched to Windows 10.

The best advice I can give is don't rush into using your computer too soon after the upgrade – go through the shutdown/start up process a couple of times to let everything bed in otherwise you will find your pc or laptop exhibiting all the intransigence of a French air traffic controller! Functions on my keyboard were reversed, files weren't readily accessible, I couldn't attach files to emails and it wouldn't recognise my printer. Luckily all these upsets were resolved automatically as time progressed.

Our front page carries photos from recent events: the Queen's 90<sup>th</sup> Birthday celebrations at the Social Centre, school sports awards which were held at Longcroft, the Garden Tour and Fete at the home of Professor Mortimer. and the Wolds Wanderers' walking weekend in the Lake District in early June.

We would like to thank everyone who helped and supported money-raising events totalling £5000 on behalf of Sam Wylie for Candlelighters and Eccleston House.

Well done to Hannah Walker on her two parachute jumps to raise money for charity.

Janet Walker

Council Vacancy: The Parish Council is looking for one more resident to make up the quota of Councillors, how about **YOU?**

Thanks, as always, to our contributors and distributors. Spare copies for those that want one, will be available at **Cherrys garage.**

Thanks also to **Alma Printers** of Driffild for their prompt, efficient services.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

Please note: Dave's Fish & Chips regular day is now Mondays.

## WOLDS WANDERERS

On a warm, sunny May morning, we gathered at the car park on Skipwith Common for a very gentle stroll through birch woods and heather. With the dappled shade and peaceful atmosphere, punctuated only by the occasional birdsong, it was hard to envision this place as a wartime airfield with its runways and bomb bay loops. In an earlier time, the ponds had been used for the steeping of flax which was then sent to Leeds for linen production. (Thanks to Vicky for photo – left). Now the heath is a wildlife haven renowned for Nightjars.

A different walk in June as we headed for the city of York. We gathered at Askham Bar to walk across to the Knavesmire, home of York Race Course and part of the medieval pasturage known as Micklegate Stray. Passing the former Terry's factory and crossing the road, we joined the path along the banks of the River Ouse. This led us to the crematorium and then Bishopthorpe Palace, the home of the Archbishop of York. Our walk took us through Bishopthorpe village itself (with its rather splendid parish church, right) before making our way back to the Park & Ride. A word of warning: you're not supposed to just park and walk – you have to take a bus or face a £50 fine! We were let off with a warning on this occasion!

Parochial Church Council Harvest supper 22<sup>nd</sup> September  
Quiz evening 29<sup>th</sup> September 2016, doors open 7.30 pm

---

### **Mature Mayhem**

Our seniors group is flourishing; most of us are now able to complete the exercise programme without too many mistakes, although sometimes we do get out of time with the music! After 30 minutes of 'strenuous' activity most of us sit and relax over a game of cards, Scrabble or Dominoes before time for light refreshment. We are all duly impressed by our energetic members who carry on exercising over a game of table tennis or badminton, but somehow we just cannot summon up the energy to join them! Seriously though, Mature Mayhem, meeting as it does on a Friday afternoon for a couple of hours, provides an opportunity for a group of older residents to socialise, who may otherwise have spent another solitary afternoon sitting at home 'watching the telly'. Experts say this is good for us, stops us worrying about the state of the world, our health or the next gas bill, for a

while – all I know is that Friday afternoon gives me a chance to laugh out loud with the sheer pleasure of being alive and living with friends in North Frodingham.

### **Mature Mayhem**

Still going strong and happy to welcome  
new members

### Parish Council

The Annual General Meeting of the Parish Council was held May 9<sup>th</sup> 2016. Unfortunately, very few residents were able to attend to hear the record of the previous year, to listen to the election of officers for the year ahead, and to hear the statement of financial probity. Cllr Rookes was re-elected unopposed as Chairman for the forthcoming year, with Cllr Bernard continuing to act as vice-chairman.

After the A.G.M Council continued with the routine business of the monthly meeting, details of which can be seen in the Minutes now posted on the Parish Council website.

Councillor reports: It is the practice of Council to collect and act on reports made to councillors during the previous month. In May the emphasis was on the number of cars parked on footpaths. Whilst appreciating the shortage of off-road parking and the need to keep the road open to large vehicles, drivers were asked to consider the plight of users of wheel and pushchairs. Please just check that

Janet and Brian Walker and family would like to thank everyone for all the kind thoughts and wishes, cards and flowers which we received on the death of our son Colin. We also wish to thank the paramedics and air ambulance.

The collection at the church amounted to over £3000 and was donated to the air ambulance service.

Donna, Rebecca, Sarah and Hannah Walker would like to say thank you for all the cards and flowers we received on the death of Colin.

### Social Centre

By now the Summer Fair will be close upon us, we hope that everyone will have an enjoyable day and that the weather will behave. The Social Centre Committee would like to thank everyone who helps to make this annual event a success – believe us when we say that without you it just wouldn't happen.

you have not blocked the use of the footpath for these residents, before you lock up and go home.

At the June meeting the main problem reported was the poor state of the verges. The warm, wet weather we are experiencing this year has led to rapid weed growth which is particularly hazardous at road junctions. Your Parish Council has been in touch with the East Riding Highways Department and has been assured that the verges will soon be cut, in the meantime – take care.

Village website: The Council website is now operating smoothly and is attracting a number of hits. Details of Council business, Agenda, signed Minutes and quarterly accounts are regularly posted. Members of the Council are still struggling to get to grips with reviewing planning applications on their computers. To assist with this Council has purchased a large screen for use at its meetings. Why not come along to one of the meetings and see for yourself? You will be most welcome. JH

Now we look forward to a quiet period whilst various groups close for the holidays, this gives us a chance to carry out some maintenance work in the Village Hall. This year we have been given some shelving that we hope to use for storage racks in the main cupboard. If anyone has any ideas about how to do this, please don't be shy - come and tell us, we need all the help we can get. JH

The **Local History Museum** will be open on the day of the Summer Fair and after that every Sunday afternoon, 2.00 pm – 4.00 pm, until 11<sup>th</sup> September. The museum will be focussing on retail and craft in North Frodingham over the years. (See also page 13).

### **History Group** (Joy Harris)

The last meeting of the History Group was a great success with our much-respected friend David Mooney, historian and stonemason, giving an excellent talk about "Memorials and Memories".

He started his slide presentation with a statement made by Charles Dickens at the end of the 19<sup>th</sup> century, "grave memorials are silent" and then proceeded to totally refute that claim. For David, memorials "speak" to you and can tell you a lot of information if you are prepared to use your eyes and brain.

He told of the death of a young girl whose elaborate memorial showed her being lifted from the soil by two stone angels. Beautifully carved and very emotive was his considered opinion and so far removed from the sterile modern style. He showed slides of some that had designs illustrating the life of the deceased, an image of the lifeboat in which the man died, and a simple carving of a stonemason's tools.

David spoke of his respect for the stonemasons of yesterday and a little of his scorn for the modern computer-generated memorials of today, but above all he recommended that we "listen to the memorial stones" in our little cemetery and see what they can tell us about earlier residents.

Our July meeting will be the members summer outing to Ryedale Folk Museum; and for anyone wishing to try out the History Group the September 15<sup>th</sup> meeting will be about Emmotland and its role in the development of North Frodingham.

Special Inspector Communities Pippa Wilson

We have received reports around the Force area of white males believed to be in their 40's, with soft Irish accents endeavouring to sell rotavators, generators, chainsaws and power washers at considerably reduced prices. We have no vehicular details and it is possible these individuals may now have left the Force area, but by the same token they may still be in our area and may try afresh to sell the stolen equipment. If anyone is approached by such persons trying to sell this nature of equipment, please endeavour to obtain any vehicle details/descriptions of the individuals and contact us on 101. Farmwatch have also been contacted regarding this matter least these individuals attempt to sell the equipment to them.

Humberside Police have received reports of recent thefts of vehicles whereby the keys have been obtained via an insecure conservatory door. The keys were stolen from a key cupboard resulting in the theft of a green Jaguar X type and a Land Rover Freelander. The Jaguar was found with a damaged engine, the Freelander is still missing. This is a reminder to always store your car keys in a safe place. Never hang keys on the inside of a door and never leave them on show or obvious.

## School Report

### Children Recognised at the School Sports Partnership Annual Awards at Longcroft School, Beverley

On Tuesday 21<sup>st</sup> June, three children from North Frodingham were awarded a sports achievement award for their outstanding performance in Sport at Longcroft School and Sixth Form in Beverley. Special guest, retired British cyclist Rob Hayles, was in attendance to give out the awards. Milly Warkup received Runner Up in the Leadership and Volunteer category; Samuel Johnson received Second Place in the Extra Curricular Activity category; and on the

night it was announced that Harry Bryant received Runner Up for Sports Personality. We are so happy and proud of these children here at North Frodingham Primary and all the children who were nominated for their continued support and dedication to the Sporting Community at our school. Congratulations and Well Done, you deserve it. (Photos on front page).

## An Entry for North Frodingham in White's Directory 1840

FRODINGHAM (NORTH) is a well-built village, consisting chiefly of one long street of detached houses, on the east side of the river Hull, nearly 6 miles S.E. of Driffeld. It formerly had a weekly market, which was transferred to Driffeld about 80 years ago, but it has still two annual *fairs* for pedlery, &c., held July 10th and October 2d. Its parish comprises 711 inhabitants, and 2880 acres of fertile land, including the hamlet of *Emmotland*, near the junction of the Driffeld canal with the river Hull. Richard Bethell, Esq., is lord of

### FRODINGHAM (NORTH).

273

the manor and owner of a great part of the soil, but P. Saltmarsh, Esq., owns *Frodingham Grange*, (400A. allotted for the great tithes,) and Messrs. R. and J. Harrison have estates here. The Church (St. Elgin) is an ancient edifice, with a tower at the west end, and was thoroughly repaired in 1816. A gallery at the west end was erected by subscription in 1786. The *vicarage*, valued in K.B. at £5, and now at £170, was augmented with £600 of Q.A.B. from 1777 to 1786, and with a yearly rent charge of £10 and an oxgang of land, left by the Rev. Christopher Blackston, in the latter year. The Rev. Francis Drake is patron, and the Rev. Wm. Drake incumbent. Here are three chapels belonging to the Independents and the Wesleyan and Primitive Methodists. The parish has the interest of £30, left by the Rev. Samuel Hunter, for schooling poor children, and the interest of £10, left by Francis Smith, in 1812, for distributions of bread.

## From Councillors Jane Evison and Jonathan Owen

For this edition we touch on two areas which we think will be of interest.

### **Heating**

A household is said to be in fuel poverty if 10% or more of household income is spent on adequate heating in the home, and adequate means 21 degrees for the main living area and 18 degrees for other occupied rooms. Over the last five years the East Riding has historically had between 14-18% (approx. 25,000) households classed as being fuel poor, this is slightly above the national average of between 12-14% of households and a reflection of the more rural nature.

East Riding of Yorkshire Council has been very successful in attracting external funding to invest in this area, which has led to national recognition, schemes such as Health through Warmth and Yorswitch continue to have an impact supporting vulnerable households.

There is still a lot of funding for gas central heating and gas connections from the Dept. of Energy & Climate Change

Have done this in the past in North Frodingham as people still using coal, storage heaters and can get mains gas.

If there is someone you know who may be living in fuel poverty or using unsatisfactory methods of heating their homes get in touch with East Riding of Yorkshire Council on (01482) 396180 or [energyefficiency@eastriding.gov.uk](mailto:energyefficiency@eastriding.gov.uk)

### **Fracking**

A Motion on Fracking taken to Full Council at County Hall, Beverley on Wednesday 22<sup>nd</sup> June was well received by councillors & given general support. The Motion highlighted the need to take a precautionary approach to any applications which may have an effect upon the aquifer, environment, local communities & landscape. The Motion gave us the opportunity as your local ward members to highlight some of the concerns about Fracking which residents in our ward have drawn to our attention. There is a worrying haste by some companies to start fracking with still so many questions around the process not answered satisfactorily. The voting in favour of the Motion will allow members of the Environment & Regeneration Overview & Scrutiny Committee to fully scrutinise fracking ahead of any applications which may be forth coming.

### **Cricket Fixtures (Andy Crabtree)**

Week 13 LEAGUE	Thu 28 Jul 2016	BARMSTON v TRINITY
		GLOBE v WETWANG
		NORTH FRODINGHAM v HUTTON CRANSWICK
Week 14 LEAGUE	Thu 04 Aug 2016	WETWANG v BARMSTON

## Are you disabled and need to use a wheelchair in your home? Or perhaps you are caring for a disabled person? Did you know there are council tax reductions available?

Many people know that full council tax has to be paid for a property if two or more people live there and that people who live on their own can apply for a council tax discount.

What they may not know is that they might also be able to get a discount if someone living there qualifies for one of several types of other council tax reductions as a carer or have mental health problems or physically disabled.

For a full list of qualifying benefits visit [www.eastriding.gov.uk/counciltax](http://www.eastriding.gov.uk/counciltax)

Those who have reached pension age also qualify if they would otherwise have been entitled to one of these benefits.

Information about the complete range of council tax reductions and discounts, including council tax support (a discount for residents on low incomes), is available on East Riding of Yorkshire Council's website. Applications for reductions can also be made online.

Further information and advice is available at customer service centres or residents can telephone the council tax team on (01482) 393939.

## Do You Have A Computer? If the answer is yes then you need to read this advert.

**My Name is Neil I am your local home computer technician.**

Is your computer running slow? If so then Computer viruses are probably the cause. If you do online shopping or online banking then you are at high risk of having your banking details stolen by sophisticated viruses and then having them passed on to cyber criminals.

What do you need to do?

You need to get in touch with me as soon as possible.

I will visit you in your home and remove the viruses leaving you safe to use your computer again; I will also speed up your computer at the same time. If you are having any type of computer problem then give me a call, I am only too happy to help.

**I also build computers**

1. **All come with a 12 months parts guarantee.**
2. **Very fast start up time of between 7 to 12 seconds.** That's from pressing the start button to being able to access your favourite website (Computer specification & choice of operating system may affect the start up time).
3. **Built using quality components – extending the life of the computer.**
4. **Set up for you in your home and ready to use.**

(Rob Andrew)

**Messages sent by Action Fraud (Action Fraud, Administrator, National).**

Businesses are being contacted for the sale of goods or services by fraudsters, who request to pay by cheque. The fraudster sends a cheque with a higher value than the amount expected, and then sends the business a request for the difference with instructions on how it should be paid back. This is usually by bank transfer or through a money transfer service, such as Western Union or PaySafe. Once the 'refund' has been provided, it is realised that the cheque provided was fraudulent and no funds are credited to the business's account.

The suspects have used pressure tactics to persuade victims to refund the amounts immediately prior to the cheque.

**Crime Prevention Advice**

Be cautious of payments where the amount provided is higher than expected. Refuse to provide the service unless the correct balance is received or wait until the cheque has cleared before refunding the difference.

- Always contact banks on a trusted number found on their website or correspondence that is known to be authentic to confirm whether the cheque has cleared.
- Do not feel pressured to provide a refund before the cheque has cleared.  
If you have been affected by this, or any other scam, **report it to Action Fraud** by calling **0300 123 2040**, or visiting **[www.actionfraud.police.uk](http://www.actionfraud.police.uk)**

Also, a new phishing campaign which has hit students of UK universities, claims that the student has been awarded an educational grant by the Department for Education. The email purports to have come from the finance department of the student's university and tricks the recipient into clicking on a link contained in the message to provide personal and banking details.

**One victim reported that after submitting their sensitive information (including name, address, date of birth, contact details, telephone provider, bank account details, student ID, National Insurance Number, driving licence number and mother's maiden name), they were taken to a spoofed website which appeared like a genuine website of their bank, where they were asked to type in their online banking login credentials.**

**Protect yourself:**

- Do not click on any links or open attachments contained within unsolicited emails.
- Do not reply to scam emails or contact the senders in any way.
- If an email appears to have come from a person or organisation you know of but the message is unexpected or unusual, contact them directly via another method to confirm that they sent you the email.
- If you receive an email which asks you to login to an online account via a link provided in the email, instead of clicking on the link, open your browser and go directly to the company's website yourself.
- If you have clicked on a link in the email, do not supply any information on the website that may open.

**If you think you may have compromised the safety of your bank details and/or have lost money due to fraudulent misuse of your cards, you should immediately contact your bank, and report it to Action Fraud on the phone number or web site shown above.**
