**Editorial..... "Happy New Year"**

A successful Christmas Fair features on our front page – more on this from Joy inside.

The topic challenging us again is the Waste Plant application which has gone to appeal. The appeal hearing will be at Beverley, not Bristol as has been rumoured. If you feel that this project is not just wrong but downright harmful – and most of us do – then you need to make your opinions known. Don't just leave it to others. If you need any help at all with this then please contact the action group. They can help with all you need to put in an objection – information, contact details, addressed envelopes, whatever. Each objection will make a difference. The deadline is January 19<sup>th</sup> – your objection **must arrive before that date.**

There are also laminated posters for those that can display one – ideally every house down Main Street will put one in their window to show the strength of feeling.

Contact details for the NOW (Not Our Waste) group are phone: 07580 413410 email: [angelamckie@outlook.com](mailto:angelamckie@outlook.com) or website: [www.beefordagainstwasteplant.co.uk](http://www.beefordagainstwasteplant.co.uk)

Thanks, as always, to our contributors and distributors. A few spare copies for those that want one, will be available at **Cherrys garage** but the newsletter is also available on the parish council's website thanks to the efforts of Councillor Wilson.

Thanks also to **Alma Printers** of Driffield for their help and prompt, efficient services.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

## Planning Appeal: Waste Plant at Beeford

Unfortunately the appeal against the refusal of planning permission of an anaerobic digester plant at Beeford was submitted by the applicants on the morning of the last day by which they could appeal. Permission was refused by ERYC on the grounds of amenity and visual impact which covers the scale of the proposed industrial sized development in open countryside.

The villages of Beeford, North Frodingham and Foston on the Wolds mounted a very professional opposition to the original application to which nearly all residents signed up to.

Now that support and involvement will be necessary again - as ward members we have already met with the Campaign Action Group &

ERYC planning officers to discuss the appeal process & establish how we can work together most effectively.

We believe this last minute appeal has infuriated residents who will actively support the NOW campaign (Not Our Waste!) and we will play our part by working closely with planners & the campaign group, submitting letters of objection to the Planning Inspectorate & speaking at the Public Inquiry. On a lighter note may we take this opportunity of wishing everyone a Very Happy & Healthy 2017

Jane Evison & Jonathon Owen, Ward Councillors.

**Christmas Fair:** The Christmas Fair proved to be quite a success this year with all eleven stall-holders reporting an enjoyable and profitable afternoon. The Social Centre had been decorated with sparkling chains and colourful pendants. The Christmas tree covered in baubles, fairy lights and garlands was on the stage waiting for Father Christmas to appear and distribute some early gifts to the assembled children. Several charities benefitted from the event, as did the finances of most of our local groups. Possibly the only concern was that so few children were

present to greet Father Christmas, but don't worry all the remaining presents, donated by the Parish Council, were delivered to Frodingham School on Monday morning by one of the elves.

Just a word to try and persuade all of you to turn out for these village events, both the summer and Christmas fairs help all of our volunteers to keep the groups active, to cover the repair bills for the Village Hall and, above all, to keep alive the spirit of a village community – even if you have only just moved in.

**Please note: Dave's Fish & Chips regular day is now Mondays.**

## **WOLDS WANDERERS**

The November group walk in Broxa Forest above Hackness was cancelled so Ann and I went on our own. The drive there was enlivened by the hairpins up Silpho to Reasty Bank Top! From there we had a level walk, blessed with glorious unbroken sunshine and surprisingly good conditions underfoot given the recent heavy rain. The autumn colours were at their best and the views out across Harwood Dale were unsurpassed as we walked along the edge of the escarpment. The return was through mixed woodland with fine open rides full of dappled sunshine.

Given the busy time of year, the December walk

Harbour photo from Barbara. Dale photo by Ann.

was postponed to between Christmas and New Year, a nice easy stroll at the sea-side – ideal for those who had over-indulged! We met at the park-n-ride bus stop at Bridlington's South Beach and walked through to Sewerby. We stayed on the promenade so that Ros could accompany us. Another lovely sunny day with a frosty start, hardly any wind and just a thin mist to shroud the distant cliffs and horizon. Refreshments at the Hall where we had a turn through the gardens and then retraced our steps along the front.

The walk was topped off by a very pleasant bar meal at the Lobster Pot.

**Raffle Prizes and Donations Welcome**

## Parish Council

The December meeting was preceded by a short presentation from Mrs Angela McKie. Her main objective was to persuade the Council of the importance of restating their objection to the Beeford, anaerobic digester plant to the Appeal Inspectorate. This, the Council agreed to do and members restated their intention of sending a further email/letter to reinforce the message.

After this, the formal meeting was convened and routine business conducted. There was a slight change to the order on the Agenda to allow Cllr Doyle to leave the meeting before his Outline Planning Application was discussed.

Special Inspector Wilson reported that Frodingham was escaping fairly lightly with little attention being paid to the village by miscreants; however she asked that we continue to be on guard against opportunistic thieves, poachers and email/door-to-door and telephone scams all of which are active throughout the country.

Your Council has agreed to continue to support the Twilight Bus, so that our young

people can join after school clubs in Driffield and still get the bus home. It also discussed and agreed not to increase the Precept demand for the next financial year. The Precept is the amount of money the Council can get from East Riding Council to run the business of North Frodingham. This money is collected through the Council Tax and paid in two instalments. Unlike most taxes, this one will NOT increase.

Some of you will have noticed the new bench on the Main Street/ Grange Road corner; this was bought by a grant from the Lissett Wind Farm Fund. Council does apologise that it does not provide a fascinating rural view for users, however it felt that being able to access the seat from the footpath would probably be of more benefit.

Next meeting of the Parish Council will be 9<sup>th</sup> January, 7.30 pm in the Village Hall. These are Open Meetings, anyone can attend and the Agenda and Minutes are regularly published on the Village website for your information. Joy Harris

Jelly Tots is a friendly, local playgroup for babies and children up to 5 years old. We offer playtime for Mums, Dads, Grandparents, Carers and their children offering a large selection of toys, crafts, dress up, ride on's, singing etc

We meet every Wednesday morning (term time) from 9.30am until 11.30am at the Village Hall. The cost is £2.00 per child (50p per additional child) which includes tea / coffee and biscuits for the grown up's, milk / juice and a mid-morning fruity snack for the little ones. We do hope you'll come along and give us a try - new faces are always welcome so we look forward to seeing you! If you would like to know more **please call Lynn on 07825 373228**

## Local History Group

The Group's AGM was well attended with over twenty members turning out on a cold evening. The business section of the meeting was opened by Polly Stead, (chairman), and to gradually increasing disquiet she had the sad task of apologising for the failure to attend of the Guest Speaker. As usual various items of Administration were dealt with; finances had been audited by Ros. Watson and stood at just over £190 in the Bank; the new annual subscription rate of £7.00 was confirmed, it being the first increase in the nine years of the Group's existence. The current officers of the Group were retained in place by popular and

unanimous decision. Ideas for the Summer Outing were proposed and the Secretary was asked to look at costs.

Members suggested that it might be possible to incorporate something from the Hull City of Culture Year as a focus for the outing and for inclusion in the Museum display. *I'll just take this opportunity to remind everyone that the 2017 exhibition theme is 'Women at Work in 1901', and to ask whether anyone has any artefacts or ideas they could/would contribute?*

Finally, Polly gave out the dates for the 2017 meetings, January 19<sup>th</sup>, March 16<sup>th</sup>, July 20<sup>th</sup> (outing), September 21<sup>st</sup> and AGM November 16<sup>th</sup>. After which everyone settled down to a buffet supper and friendly gossip before Polly closed the meeting, wished everyone a Happy Christmas and reiterated a warm welcome to everyone who wants to join the Group next year.

Jennifer Lube 01262 481019

Email: [jennifer.lube@gmail.com](mailto:jennifer.lube@gmail.com)

Youth Club has had an exciting Autumn term. We've seen a record number of attendees and even managed to do the mannequin challenge! I know you can't put a video in the village voice so we took photos instead of our poses. Last but not least, a HUGE thank you to the parents who come and help out! They are super stars!! I'm so proud of how much Youth Club has grown in the almost 3 years it has been going since it restarted in May 2014. Thank you for your support!

A series of meetings have been held at Beeford and North Frodingham to give up-to-date information and ask residents to submit objections.

The poster is opposite Corner Cottage and shows where the AD plant will be visible in the middle distance. The recently-distributed article from The Mail Online suggests that these large AD Plants have no other purpose than to cash in on government subsidies and offer very little in the way of advantages.

### Social Centre

Well it has been quite a year for the Social Centre Committee! We have had some successes; a defibrillator talk and another on carbon monoxide poisoning attracted several residents; the Summer Fair was well attended and finances have stayed 'in the black' throughout the period.

The Village Hall has had all requisite safety checks including, fire, electrical, heating and extinguishers, all of which have added to the cost of maintaining the hall for use.

The Committee has secured the services, twice a year, of an external playground inspector to check that the equipment is in good order. As it is not possible to supervise the playground; the Committee would ask that anyone seeing

youngsters misusing the equipment would take action to prevent a potential accident.

A positive event this year has been the installation of shelving in the store cupboard. This had become an accident 'black spot' in the building with equipment threatening to 'brain' anyone daring to enter the room. All is now safely stored away, with steps provided to reach the upper shelves, the 'Jellytots' push chairs, toys and prams have been found parking spaces and there is space to get into the room.

On the negative side, sadly the Youth club had a minor mishap with children playing in and locking themselves in the disabled toilet. All were safely freed by some enterprising dads, but the lock has been damaged beyond repair and the Committee has still to find a suitable, child proof replacement.

The gas boiler timer is still not working properly and will have to be replaced, meanwhile a member of the Committee has to check that the heating is turned 'on before a meeting and 'off' afterwards.

But the roof leak in the Main Hall has not re-occurred, thanks to the kind offices of Geoff Rudd.

To end on a positive note the Committee has been joined by the new PTA, who is already contributing a 'new-blood' boost to the working of the Group.

Now, if we can attract someone from St Elgin's, and Jellytots to join us we will be fully formed, the Youth Club, Parish Council and Senior's group are already represented. We only need about one hour a month - .next meeting February 6<sup>th</sup> 2017 at 7.00 pm.

Joy Harris

**Notes**

Thank you to Ann and David Briggs who held a coffee day in aid of church funds on December 6th. Ann made her usual treats to sell and as always their home had a wonderful festive feel, it was a lovely start to the Christmas season. Thank you also to all those who helped and supported the event.

It was lovely to welcome so many of you to our Christmas services in December. Thank you to all those who helped to decorate the church, provide refreshments and to our organists and readers.

Many of you will have noticed that the repairs to the church windows are now complete, we are

planning a service of dedication attended by The Bishop of Hull, The Right Reverend Alison White, at the end of July to which everyone is welcome, more details later.

**Diary Dates**

Thurs. 26th Jan. - Quiz to be held in the Village Hall. 7.30 for 8pm start, £2.50 each to include supper, no more than 6 members per team. There are prizes for the winning team and spot prizes.

Final Quiz this winter - March 23rd.

Thurs.16th Feb. Coffee Morning at the home of Mrs D. Allman, 5, Kings Mill Close, Driffield, at 10am. (please note that February's coffee morning will be on the 3rd Thursday of the month).

Thurs.9th Mar. Coffee Morning at the home of Mrs A. Rudd, Rudlands, 6, South Townside Road at 10am.

Sat. 18th March. Jumble Sale to be held in the Village Hall at 2pm.

**FROM THE REGISTERS**

**Weddings**

On Saturday 26th November the wedding took place between Shaun Brown and Nicola Frankish . We wish them every happiness for the future.

Kathryn Kell

We have been receiving reports across the Force area, particularly in the run up to Christmas of persons calling at houses endeavouring to sell items such as large flat screen TV's or similar expensive items of equipment. Please remain vigilant if persons approach you at home with a view to selling products, if they are bona fide salespersons they should have some form of ID on them along with a Hawkers licence which is signed by the Chief Constable of the local Force area.

There have been reports of vehicles having their front and rear registration plates removed whilst vehicles are parked up overnight. This could be to affix your number plates to vehicles being used in criminal acts to disguise the true identification of the vehicle(s) in question.

A lot of commercial vehicles now have a sticker on the back doors advising that no tools are kept in the vehicle overnight. It appears at this time that premises are being broken into which are secure and power tools are being stolen. Please remain vigilant if you are approached by anyone endeavouring to sell power tools or if you go to markets and power

tools are on sale at very cost-effective prices. They may have been stolen.

There have been reports of persons acting in a suspicious manner in residential areas. A member of the public went outside their house to determine why their dog was barking at the gates. The member of public saw persons wearing hoodies, hiding their faces and acting in a suspicious manner when cars approached them. No reports have been received appertaining to items having been stolen or any criminal damage having been caused, but the question remains why they were there and appeared to be acting in the manner they were.

As well as power tools having been stolen from vehicles, reports of commercial premises being broken into, particularly in the lead up to the festive period when more money is potentially on site.

Farm Watch - a local farmer reported a white Renault Kangoo van having come onto his land. The van, registration NU60 GKO was driven by a male who had a woman and a baby in the passenger seat. The persons claimed they were associated with Farrows Operations Pocklington and were looking for old scrap batteries to fulfil an overseas order. No goods were handed to these persons who left the premises, nor was direction of travel confirmed.

S.I. Philippa Wilson, Rob Andrew.

## Do You Have A Computer? If the answer is yes then you need to read this advert.

**My Name is Neil I am your local home computer technician.**

**I also build computers**

Is your computer running slow? If so then Computer viruses are probably the cause. If you do online shopping or online banking then you are at high risk of having your banking details stolen by sophisticated viruses and then having them passed on to cyber criminals.

What do you need to do?

You need to get in touch with me as soon as possible.

I will visit you in your home and remove the viruses leaving you safe to use your computer again; I will also speed up your computer at the same time. If you are having any type of computer problem then give me a call, I am only too happy to help.

1. **All come with a 12 months parts guarantee.**
2. **Very fast start up time of between 7 to12 seconds.** That's from pressing the start button to being able to access your favourite website **(Computer specification & choice of operating system may affect the start up time).**
3. **Built using quality components – extending the life of the computer.**
4. **Set up for you in your home and ready to use.**
