## ***The Garden Shop***

As many of you will be aware that, due to circumstances beyond our control, The Garden Shop will close its doors for the final time on Sunday the 26th March.

Little did Jeff know that when he started growing and selling Cut Flowers from the garden at Carr Farm over 30 years ago, just how much that little business would grow. Our home grown produce proved very popular, especially the Sungold tomatoes which drew customers from near and far, year after year! The Hanging Basket refill service and the Wreath and Pomander orders kept us very busy too, with baskets going as far as Scotland and Pomanders as far as Lancashire and Cambridge! The photograph above was taken by a customer in May 2016, our last Summer Season, in one of our polytunnels.

We would like to say a heartfelt "Thank You" to all those who have supported us over the years, and for your best wishes and lovely comments over the last three months, they are very much appreciated. We will take with us some lovely memories,  
Thanks again, Jeff and Diane.

## New Opportunities Supporting Vulnerable People near Driffield

The Avocet Trust is a local charitable organisation providing services for Vulnerable People in over 40 properties throughout Hull, Preston, Beverley and the Driffield Area.

### Support Workers Required - Full and Part-time

**for a new project supporting Vulnerable Adults in a new service based in North Frodingham.**

The hourly rate for all staff (regardless of age) is £7.20p rising to £7.50p per hour from April 1<sup>st</sup>.

Experience working with Vulnerable People with complex needs in a residential care setting would be beneficial although not essential as a comprehensive two week training package is provided to ensure the necessary knowledge and skills to undertake the duties required.

## PADDOCK OR FIELD WANTED

Jane & Charlie have just moved to North Frodingham and would like to buy or rent a small piece of land possibly 1-2 acres for dog exercising.

Charlie is happy and good natured but is frightened of other dogs and also chases rabbits so I would like to find a secure field or paddock for safe and responsible exercising.

I would be happy to purchase or rent on a temporary or permanent basis.

We don't need exclusive use and could use as little as 1 hour per day.

If it is a more permanent arrangement I would be happy to help with maintenance and/or fencing. Preferably within walking distance of North Frodingham but anything considered.

Please contact me if you have anything that might be suitable. I am happy to discuss options.

## Editorial.....

It's the end of an era – Jeff and Diane are giving up the Garden Shop. The excellent service they've provided, together with unfailing friendliness and good humour will be greatly missed. Thank you Jeff and Diane and all good wishes for the future.

With the Biodigestor Plant refusal having gone to appeal, the Not Our Waste action group will be incurring a lot more costs. They are launching a fund-raising campaign. As they are acting in the interests of us all, I hope they will receive the support they deserve. Details of the fund-raising are given on Page 12

Thanks, as always, to our contributors and distributors. A few spare copies for those that want one, will be available at **Cherrys garage** but the newsletter is also available on the parish council's website thanks to the efforts of Councillor Wilson.

Thanks also to **Alma Printers** of Drifffield for their help and prompt, efficient services.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

**Drifffield Christian Fellowship** Thank you to the people who have attended the evening services at North Frodingham Village Hall. There has been an attendance of approximately 30-35 people with a few coming from the village or connected to it in some way. The services have been very well done with live music from the Music Group and a small sketch included. Seven people came from Drifffield to the carol service at St Elgin's and, never having been there before, they were very impressed with the building and the people. A real feeling of God's presence was experienced. Dates for next year at 6.00pm: April 9<sup>th</sup>, June 25<sup>th</sup>, August 20<sup>th</sup>, October 17<sup>th</sup>. We will hopefully join in with the Carol Service at St Elgin's again in December. Audrey Greaves.

**Parish Council** The Parish Council has met twice since my last report, the January meeting was, as usual, dominated by the forthcoming Appeal for the Digester Plant at Beeford to be granted planning approval. The Parish Council has registered its continued opposition to the plant with the Inspectorate and has concentrated on the increased HGV traffic this would impose on the Village and the potential damage it would cause. Councillors were urged to send their personal objections to the Inspectorate as apparently 'it is numbers that count'. Apart from ongoing business the only other decision made was for a Village Plan to be produced for North Frodingham. A small working party will be set up to finalise an approach to this work which will involve a request for participation from all residents. Perhaps you would like to be thinking about improvements you would like to see in the village over the next few years.

The February meeting of the Parish Council started with a briefing from one of the CAD

Plant committee to update on progress to date. As an outcome of this together with a newspaper report an approach has been made to the local MP for his views. It is understood that he too has registered his opposition to the proposed plant. Full details of this and the other matters dealt with can be found on the Council website.

The Council also made the final payment for the new bench at the Grange Road corner and renovation of the two benches at the Church. The bench on the corner of Highside has been included in the payment, which has been heavily subsidised by a grant from the Lissett Wind Farm money, and this work will be completed when the weather improves. Just make sure you look before you sit as Spring approaches!

### Local History Group

The next meeting of the Group will be held Thursday 16<sup>th</sup> March, in the Village Hall at 7.30 pm. The speaker will be Peter Burnell, a member of the Yorkshire Dialect Society, who will give a talk entitled 'Speaking Yorkshire' at which some of the 'strange' words one still

hears from the locals will be explained, and the subtleties of the dialect fully revealed in some of his own poetry.

Visitors and new members are always welcome, if you are coming for the evening it will cost you one pound, and if you decide to join our group the annual membership is just seven pound for which you get the remaining programme of events and an outing in July, to say nothing of great company and light refreshments at each meeting!

### Social Centre

The Management Committee is still struggling to provide a quorum for decisions at its meetings. The February 'get together' was hampered by ill health and other commitments, which meant that only two members were present and no financial decisions could be made. Several matters were discussed for inclusion on the next month's Agenda.

The gas boiler is awaiting a service and a new timer so, for the time being, both water and heating are left on and the temperature is controlled by the thermostat in the Main Hall. Users of the Hall are asked to turn the thermostat to about 18 degrees at the start of their meeting and to turn it down to below 10 degrees as they leave the Hall. That way we can, hopefully, keep the next gas bill at a reasonable level.

That brings me on to the next matter we discussed, finance, we MAY have to increase the hourly rate for hiring the hall. Everything has gone up in price over the last few years, gas, electricity, rates and insurance but our hiring rates have remained the same for the last nine years. We will make a decision at the next meeting and will notify Group leaders immediately after that; please do not panic the increase will be as small as possible and will not come into effect until September at the earliest – that much was decided.

Please can we attract someone from St Elgin's, and Jellytots to join us, the Youth Club, Parish Council, History and Senior's group are already represented. We only need about one hour a month - next meeting February 6<sup>th</sup> 2017 at 7.00 pm. If we can get to a Committee of seven we will have a good chance of reaching a quorum each meeting.

## **WOLDS WANDERERS**

There was an excellent turnout (17) for a very gentle stroll around Driffeld in January. The weather was very kind to us, remaining dry overhead throughout.

Our walk began near West Garth and took us down King's Mill Road and onto the footpath at the end. This was an elevated walkway beside the ponds and crossing the river before emerging into pasture which led across to the by-pass. The King's Mill area is favoured by dog-walkers (watch where you put your feet!) but is otherwise a haven for wildlife.

Crossing the road, a headland path took us onto the quiet road to Little Driffeld with its quintessential duck

pond surrounded by weeping willows. Onwards and over the Garton road, we headed up a well-maintained track with ancient hedgerow on one side and open fields on the other.

This brought us to Spellowgate with its broad verge and views over the Wolds. Heading back to Driffeld we explored some of the footpaths bisecting the town and it was a surprise that so many of us were unaware of these and of the walk in general.

The walk finished back at Geoff and Barbara's where a very generous spread of home-made cakes awaited us. There were also the long-awaited results of the photo competition held during our walking weekend last summer. There were two winners from N Frod (Dave W and yours truly) and Joan S from Driffeld.

The February walk was postponed because of foul weather.

**Charities Support** We hold a quiz the last Friday in every month at the Blue Post, the proceeds of which are split equally between Yorkshire Cancer Research and North Frodingham Playing Fields Association, both registered charities. At the last quiz £120 was raised including the raffle and since April 2016, £801.50 has been raised for Yorkshire Cancer Research and an equivalent amount for the Playing Fields. This includes the Tour de Frod bike ride contributions to the two organisations. The next quiz will be on Friday 31 March 2017 starting at 8.45pm. Everyone always welcome for an enjoyable evening.

Raffle prizes and donations are always welcome.

North Frodingham AFC has not fielded a football team for the last 2 years since being promoted as runners up in the Driffield League. Anyone wishing to help put

together a team for the 2017/18 season should please contact Andy Crabtree, who will help you get up and running and support you.

North Frodingham Cricket Club fielded a team in the Bridlington Evening League on Thursday evenings, achieving the division 3 league and cup double in 2016 and runners up in the hospital cup and getting promoted to division 2 as a result. New players and help are always welcome.

The sporting facilities at North Frodingham and Beeford have been maliciously attacked with weed killer on several occasions, so vigilance is encouraged and suspicious activity should be reported to the police, particularly in the early hours of the morning.

From the NOW Group:

We are thanking all villagers for their continued support.

The Beeford Anaerobic Digester appeal inquiry is scheduled to begin on Tuesday 3rd October 2017.

This is likely to be held at County Hall Beverley but this venue has as yet not been confirmed.

The inquiry is expected to take six working days, not counting Mondays.

Anyone can speak at a public inquiry; we will provide further information on this in the future.

The NOW Group also wishes to inform all residents that fundraising is now essential to be able to have good representation at the inquiry.

The group has up to now personally funded the campaign.

Some funds have already very kindly been donated and these have been deposited at the bank.

We are looking at raising a minimum of £30,000.

This may seem a lot of money but we have 1000 households in our 3 villages.

For example, this would only amount to £7.50 per person for a 4 person household, a small price to pay for not having a Waste Plant on our doorstep.

A successful outcome can of course never be guaranteed.

Of course some villagers have already been generous, others may not be able to afford this amount, any donations are welcome.

A bank account is now operational. If you wish to donate, direct payments can be made to the NatWest Bank at 28 Market Place, Drifffield.

The sortcode is 60-07-05, the Account number is 40163393.

Cheques need to be made payable to: 'NOW Community Action Group'.

Cash donations are also possible.

Receipts will be given (please enclose address if you would like one) and all donations will be recorded for inspection, if so required.

Anonymous donations will have amounts listed, but no name.

The contact addresses regarding donations, cheques etc for the three villages are as follows:

Beeford: Angela McKie at Inholmes Farm

Foston on the Wolds: Linda Lawson at 4 Mill Lane

North Frodingham: Jos Sykes at 92 Main Street

We can also collect but please ring us first to arrange a time.

We are **NOT** doing any door to door collections; please do **NOT** hand over any monies at your door.

For further information or anything you wish to talk to us about please contact the NOW group on 07580 413410 (Linda) or email [angelamckie@outlook.com](mailto:angelamckie@outlook.com)

Thanking you in advance.

## Council Tax

As letters come through your letter box you will see that East Riding of Yorkshire Council has set a budget which will see a 4.99% increase in council tax, the first for five years, 3% of which is the social care precept that government has allowed local authorities to raise which has to go towards social care. Despite this, over the next four years, the social care precept, even if used each year, will only cover 46% of the estimated pressures on the care services and a further £10 million of savings will have to be found. Often, council tax payers don't realise that the council tax is only a proportion of the money the council uses to run its services. To offset the reduction in other funding, especially from government, then the council tax would have to be increased far beyond that planned.

Central government funding will be reducing year on year and replaced by funding generated from keeping local business rates which are currently collected by central government and re-

distributed. The council, through prudent financial management, business transformation, cost reduction and asset rationalisation will do its utmost to continue to deliver quality, value for money services to its residents.

## Beeford Anaerobic Digester update

As previously mentioned, the anaerobic digester plant application refusal at Beeford has been taken to appeal by the applicants. The local NOW (Not Our Waste) group are working with the East Riding Planners to build the case to fight the appeal at the public enquiry which is likely to be held later this year – possibly October time. Representatives of the NOW group have been keeping Nth.Frod. Parish Council updated at their meetings and as local ward members; we are keeping abreast of all progress and have submitted our letter to the planning inspector outlining our grounds for objection. Can we reassure all residents that we will continue to fully support you & the campaign group. **(cont p 17)**

“Having reviewed incidents reported to Humberside Police over recent weeks, the majority of logs appear to refer to road traffic collisions, which I am not privy to reveal details thereof and poaching incidents across the Force area, about which I have written before and which will be ongoing.

Reports have been received from our Force area appertaining to burglaries both of commercial and domestic properties. In these incidents it appears windows or doors have been jemmied to gain access to the properties by person/persons unknown. Two commercial properties in our area which have been targeted were a public house in Kilham and the Blue Post, where the main intention was to steal cash left either in tills or failing this, tip boxes have been emptied.”

## Do You Have A Computer? If the answer is yes then you need to read this advert.

**My Name is Neil I am your local home computer technician.**

**I also build computers**

Is your computer running slow? If so then Computer viruses are probably the cause. If you do online shopping or online banking then you are at high risk of having your banking details stolen by sophisticated viruses and then having them passed on to cyber criminals.

What do you need to do?

You need to get in touch with me as soon as possible.

I will visit you in your home and remove the viruses leaving you safe to use your computer again; I will also speed up your computer at the same time. If you are having any type of computer problem then give me a call, I am only too happy to help.

1. **All come with a 12 months parts guarantee.**
2. **Very fast start up time of between 7 to 12 seconds.** That's from pressing the start button to being able to access your favourite website (Computer specification & choice of operating system may affect the start up time).
3. **Built using quality components – extending the life of the computer.**
4. **Set up for you in your home and ready to use.**

### **Early Years Education**

At the Cabinet meeting held on 28th February at County Hall, Beverley, councillors approved a request for a publication of a Statutory Notice to enable Nth Frodingham Primary School to admit children of two year old and provide school based early years education with effect from 24th April 2017. A Statutory Notice is when the local authority publishes a brief notice in a local newspaper with a full proposal on the Councils website; this allows any member of the public to comment.

### **Lissett Wind Farm Grants**

To end on a lighter note the Lissett Wind Farm Grants will open from 3<sup>rd</sup> April to 30<sup>th</sup> June this year, with the Panel decision making Meeting – 5 October 2017. This is a little later than previous years but will give all local parish councils & organisations the chance to take advantage of the funding opportunity. All applications will be available online & there will be a small grants section with another for larger applications.

Ward Councillors Jane Evison & Jonathon Owen

## **Contact the Elderly Tea Party**

The staff of the Surgery in Beeford were hosts to a Contact the Elderly Tea Party on Sunday 19th February. Contact the Elderly are a national charity trying to help with the problem of loneliness and social isolation which sadly afflicts so many of our society's older citizens. Loneliness is known to have very negative effects on both mental and physical health.

The charity has, since 1965, organised monthly Sunday afternoon tea parties for which a small group of elderly people are collected from their homes by volunteer drivers and taken to the home (or surgery!) of a host (a different one each month) where they are treated to afternoon tea and to chat with the other members of the group and the drivers (so the group all get the chance to get to know each other), as well as to their hosts (who need to provide a large tea pot, a selection of foods and a downstairs toilet!).

Locally, Drifffield's first ever group has been running since Feb 2016. Beverley and Market Weighton's groups have been running for some time. The Surgery were keen to help to get the local group up and running.

To become a volunteer driver or host, or to refer yourself (if you are over 75 and live alone), or someone you know who would benefit from the regular social contact, see <http://www.contact-the-elderly.org.uk> or phone 0800 716543.

The Surgery staff really enjoyed their involvement and everyone made new friends, and they are looking forward to hosting the group again one day. They would encourage anyone who is able to get involved with this delightfully simple, practical and positive approach to helping with this issue.
