The Biodigester Appeal is due to be heard at Beverley on 3rd October.

YOUR COUNTRYSIDE VIEW?

Donations are required urgently.

Several donations have now been gratefully received. **£30,000** is the minimum we require for a barrister and expert witnesses to fight this appeal. Without these funds we are at a serious disadvantage and the appeal may be upheld.

Within our three villages we have over a thousand households, **if every household contributes something, our target is easily achievable.** We have only **ONE CHANCE** to fight this. Please give generously - details inside.

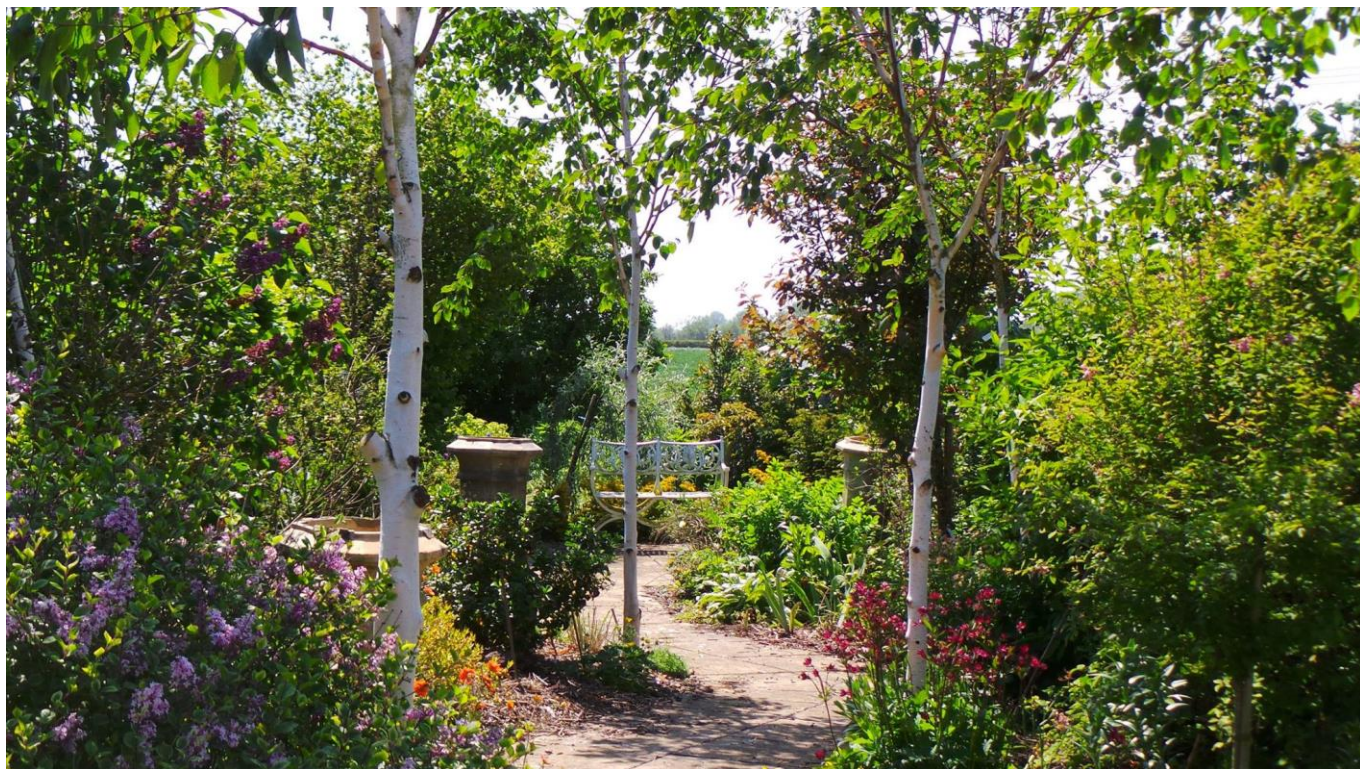

Contact *your* Village Voice:

Deadline For Inclusion In The Next Issue: 30th June 2017

The Old Vicarage Garden Fete

North Frodingham YO25 8JT

Gardens open 1.30 - 4.30, Saturday 24th June

Admission £3.00, child up to 18 years free, seniors £2.00

Stalls, refreshments, supervised air rifle range 2-4pm

Swimming pool open with qualified lifeguard

Proceeds to St Elgin's Church and 'NOW'

Editorial.....

The main issue concerning us is of course the forthcoming hearing of the Biodigestor appeal but there are other topics which have been raised: residents of Mount Pleasant Road have had to put up with blocked sewers. The cause turned out to be babywipes – please don't dispose of such items down the toilet: they may come back to haunt you!

Livestock farmers have the constant hazard of cattle and sheep being worried by dogs out of control – please keep your dog on a lead when crossing farmland.

Littering is a criminal offence in the same way as fly-tipping and some children are leaving litter at the bus-stops when on their way to school. The parish council is hoping to arrange for litter bins to alleviate the problem. In the meantime, please take your litter with you.

Donations can be sent via our website www.beefordagainstwasteplant.co.uk or direct to the 'NOW Community Action Group' account at the **NatWest Bank in Driffield, sort code 60-07-05, account no: 40163393.**

Alternatively, cheques or cash (receipts will be given if your address is provided) can be dropped off at Angela McKie, Inholmes Farm in Beeford, Linda Lawson, 4 Mill Lane in

Foston on the Wolds, or Jos Sykes, 92 Main Street in North Frodingham. Please do **NOT** hand over any money at your door unless you have arranged this with us on 07580-413410.

Mrs Janet Walker and family would like to thank everyone who sent flowers and cards on the death of Brian Walker, and all their kind wishes.

Driffield Christian Fellowship

The next evening service at the Social Centre is Sunday, 25th June at 6.00pm. Future meetings will be August 20th and October 22nd (not Oct 17th as previously noted). A.G.

Thanks, as always, to our contributors and distributors. A few spare copies for those that want one, will be available at **Cherrys garage** but the newsletter is also available on the parish council's website thanks to the efforts of Councillor Wilson.

Thanks also to **Alma Printers** of Driffield for their help and prompt, efficient services.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

“Not Our Waste” Campaign Meeting

The Community Centre at Beeford was packed with concerned residents from Beeford, Foston and North Frodingham to hear news about the fund-raising campaign. A substantial amount had already been raised by donation and there was a varied and entertaining programme of events to be run over the next few months. Everyone was urged to spread the word and to support the events which were not only in a worthwhile cause but also good fun in their own right. A list of events planned so far appear on page 11. Tickets may be limited so book early to avoid disappointment!

Meeting in the Village Hall

Social Centre Committee Meets May 1st and thereafter first Monday each month 7.00pm

Jellytots meet Wednesday mornings **during term time** 9.30 – 11.30am

Lisa-Marie Dance Academy meets Wednesday afternoons from 4.00 pm.

Yorkshire Countrywomen 7.15 pm Wednesdays; next meetings May 10th, June 14th.

Frodingham Drum Club meets Tuesday evenings, 7.30pm **during term time**.

Frodingham Parish Council Meets second Monday in each month at 7.30pm – all welcome
Frodingham History Group Next meetings: 18th May at 7.30 pm

Mature Mayhem for seniors meets every Friday afternoon 2-4pm.

Paperback Swapshop 1st Sunday in the month, 10.00 am-12.00 pm

Youth Club alternate Friday evenings **in term time**.

Parochial Church Council Standby meeting in hall 24th June – ONLY IF IT RAINS

Neighbourhood Watch next meeting 19th June at 7.00 pm

Driffeld Christian Fellowship. Sunday 25th June early evening

General Election Thursday 8th June from 7.00 am – 10.00 pm

Parish Council

The Parish Council has met twice during the last period; the March meeting started with an opportunity for councillors to question Mr Pearson about the proposed hatchery on Grange Road. This topic was on the Agenda, again, as an outcome of a formal complaint from a local resident. Mr Pearson was asked several questions, primarily by a councillor, who had objected to the planning proposal. At the end of the session each councillor was asked whether they wished, the Parish Council Approval of the scheme, to be changed. A positive decision to uphold the Approval was unanimous and was fed back to ERYC.

Mr Pearson left the meeting and business continued; a new meeting, involving representatives of local Parish Councils is to be established with a view to dealing with common problems, such as dog mess, litter etc. In consideration of the ERYC Planning Department deciding not to brief adjacent residents of a planning application that could affect them, Council decided to carry out this now defunct procedure as not all residents have access to a computer.

The April meeting included the A.G.M. and was preceded by a local resident attempting to re-open

the Hatchery application. As this was not on the Agenda, and no request had been received prior to the Agenda being published, the Chairman did not allow the matter to be introduced. *(For the benefit of all it should be noted that the Agenda is prepared and posted (noticeboard and website) four working days before the meeting to allow councillors to prepare; residents may address any topic on the Agenda at the discretion of the Chair.)*

The meeting then proceeded with the business on the AGM Agenda and the routine meeting Agenda. Details of both are available on the website or a copy of the Minutes can be obtained from the Clerk once they have been approved and signed at the next meeting.

The Annual Audit is underway and details of that will be available between dates to be specified on the Millennium Garden Noticeboard and will be posted on the parish website.

A request was made that everyone is asked to follow the Countryside Code during the spring/summer.

When walking your dog please keep it on a lead where young animals are around and do remember to close gates behind you.

Local History Group

The meeting of the Group held Thursday 16th March, was Mr Chris Whitfield, who had kindly stepped into the breach a very short notice after an accident to Mr Burnell. Mr Whitfield entertained the group with poems and anecdotes spoken in broad Yorkshire. Most of the group understood every word and thoroughly enjoyed the talk, one or two had some difficulty with the poems (me included) and our American member was totally non-plussed! Mr Whitfield is a born & bred Yorkshire man, he remembered the German PoW's

digging trenches for water pipes in 1947. He attended school in Wetwang, the oldest still in use from 1843, and remembered thumbing a lift home each day at the age of five years. He recalled having to carry dinner in to his grandad, who had been born in 1845; two generations spanning a period of 172 years!

After an interesting and amusing talk, Polly thanked the Speaker and everyone settled down to light refreshments and a good chatter.

Visitors and new members are always welcome, the next talk, scheduled for May 11th will be given by Peter Rogers who will update us on his research into the Romanov family and will tell us about the work at Burnby Hall Garden.

Social Centre

The March and April meetings were better attended and a representative of St Elgin's has promised to join us in May.

The gas boiler is still awaiting a service and a new timer. Now that the warmer weather is approaching it should not be so necessary to heat the hall but for the time being, both water and heating are left on and the temperature can continue to be controlled by the thermostat in the Main Hall.

BOUNCY CASTLE HIRE FOR SOCIAL CENTRE PARTIES

CONTACT 01262 488912

Thanks to an amazingly generous donation, the Committee was able to avoid increasing hire charges for parties etc. A 50p increase per hour will apply to all regular groups meeting from September 1st onwards.

Mature Mayhem Not much to report, the senior's group is still exercising body and brain each Friday afternoon. Membership has remained fairly constant despite the holiday season being underway and everyone is happy to participate.

We have included hula-hoops into our exercise routine; all I can say is that we need a bit more practise! Has anyone got any idea of what we can use for an indoor curling mat? We need something about 2 metres wide and at least 10 metres long, that has a smooth surface, is not too heavy for us to move, and will deaden the 'ruckass' that the stones make on the wooden floor. Suggestions given to any member of the group will be gratefully received.

WOLDS WANDERERS

Our March walk took account of 'City of Culture' by a tour round Hull. A record turnout of about 27 met at the Ice Arena to start a leisurely tour from the historic fish docks, past the modern marina to the ferry terminal (pre Humber Bridge) at Humber Street – the 'Oss Wash' caused some amusement. There were poignant memorials to the huge number of migrants passing through and to the trawlermen lost at sea. Then along the River Hull to see the Artic Corsair and the Museum Quarter before making our way to Victoria Square and the Turbine Blade. Photo thanks to Maurice.

A beautiful, sunny Sunday in April made the walk from Welburn to Bulmer and back a real joy. It started with a relatively steep pitch (heads down for that! – photo courtesy of Ann) with a broad view of the Castle Howard estate behind us. The walk was varied: open farmland, pasture and woodland with many stunning views across the Vale of York and of the Castle Howard monuments as well as the ruin of Sheriff Hutton castle in the distance. The spring flowers, especially primroses and wood anemones, were a treat as were the Brimstone and Orange-tipped Butterflies.

ABOUT NORTH FRODINGHAM

A useful resource for those with internet access is the East Riding Data Observatory which contains a vast wealth of information right down to Parish level detail. All the main public services use the information to shape their policies to meet local demand and East Riding Council which hosts the observatory is no exception. In the case of North Frodingham, there is a wealth of information. For example 18% of the population is aged 0-15, 61% of working age and 21% aged 65 and over. 81% of residents believe they have good or very good health, although 27% of households have at least one person with a long-term health problem or disability. 13% of the working population work in construction compared with 8% across the East Riding as a whole. You can also compare all parishes with other parishes to see what differences there are. For those interested in this data and a host of other facts and figures, you can register by putting dataobs.eastriding.gov.uk into your search engine and accessing the website.

PLANNING

It is worth remembering that as of the 1st April that East Riding of Yorkshire Council Planning

Department will not be sending out notification to residents of planning applications associated to neighbouring properties. A review of the planning process last year revealed that the response rate to individual neighbour notifications, which meant thousands of letters being sent to residents, was only 3.6%, and was a very expensive exercise for the council. Instead site notices have been re-designed to enhance their visibility and readability for residents, however the actual process of viewing the application and associated documentation on-line remains unchanged as well as the communication process for the Council to receive comments i.e. via Public Access, by e-mail or in writing to our Council offices. This does mean it is even more important to look at parish council agendas to see what planning applications are listed or look on the council's web site.

BEEFORD BIOGAS

We continue to get updates regards the Beeford Biogas appeal, the public inquiry is scheduled to last for two weeks. It will be based in County Hall, Beverley, starting on Tuesday 3rd October 2017. The campaign group maintain their excellent work on preparing for the public inquiry and of local information sharing, their hard work and knowledge of matters pertaining to the inquiry continues to be very impressive and having established themselves as a Rule 6 party will mean they will be taking a formal role in the inquiry process.

The Council's proof of evidence must be submitted a month before, on the 5th September 2017.

Over recent weeks we have seen an increase in the reporting of residential burglaries across the Force area – some of these partly due to premises being left insecure. Do you go out at the same time each day, do you go via the same route – not wishing to alarm anyone, but none of us know if we are being watched going about our everyday business. Some of these “watchers” are opportune thieves. If we go through the same routine each day at the same time, it makes things easy for them. Please ensure your property is always securely locked, day and night. That way it makes things more difficult for them.

In addition to domestic burglaries, we have also received reports of stolen vehicles – some of these having been left insecure. However, there was an incident in the village whereby persons unknown attempted to break into a secure

vehicle during the early hours, but their actions were thwarted as the noise disturbed the owner’s dog. In addition CCTV was also submitted to Humberside Police depicting the persons in question. Investigations are underway.

We are also seeing bogus workmen operating in the area. In one incident a resident was quoted a price for the removal of a tree. The tree was ultimately removed, but by which time the price has increased considerably. Be very wary of persons coming to your homes offering gardening/roofing.... type services. If you are at all concerned/unsure, ask them for some ID or at least details of their company. If they provide a business card or something with the company details on, close and secure your door and contact the company in question to determine their authenticity. Any genuine cold callers selling products should carry a Hawkers licence, which is signed by the Chief Constable (or their deputy) in the respective Force area.

Pippa WILSON, Special Inspector
Communities, Driffeld PS

Do You Have A Computer? If the answer is yes then you need to read this advert.

My Name is Neil I am your local home computer technician.

I also build computers

Is your computer running slow? If so then Computer viruses are probably the cause. If you do online shopping or online banking then you are at high risk of having your banking details stolen by sophisticated viruses and then having them passed on to cyber criminals.

What do you need to do?

You need to get in touch with me as soon as possible.

I will visit you in your home and remove the viruses leaving you safe to use your computer again; I will also speed up your computer at the same time. If you are having any type of computer problem then give me a call, I am only too happy to help.

1. **All come with a 12 months parts guarantee.**
2. **Very fast start up time of between 7 to 12 seconds.** That’s from pressing the start button to being able to access your favourite website (Computer specification & choice of operating system may affect the start up time).
3. **Built using quality components – extending the life of the computer.**
4. **Set up for you in your home and ready to use.**

The Aims of Driffield Probus Club

David Bannister

- * To promote fellowship among like-minded, retired and semi-retired gentlemen
- * To provide an opportunity to meet and talk with members from a wide range of working life backgrounds
- * To help enhance the social aspects of retirement through a range of activities designed to meet different needs and tastes.
- * To provide a support network for members and their wives.
- * To provide an opportunity to meet new friends

About Driffield Probus Club

We meet on the second and fourth Wednesdays of each month.

On the second Wednesday we gather at 10.00am for 10.30am for a coffee morning at the Community Centre, Mill Street, Driffield. The meeting comprises club business and a general discussion on topical issues. We avoid politics and religion and the emphasis throughout is on **humour**.

On the fourth Wednesday of each month members meet for lunch at the Blue Bell, Nafferton .

Meetings usually have a speaker.

A number of excursions are arranged during the year.

March 2017 Bulletin

The Chairman welcomed 17 members to our coffee morning on 8th to listen to Caroline McCann who spoke on Estate Management, specifically wills and related issues.

She pointed out the Inheritance Tax legislation as it currently stands, the need to understand the impact of formal care costs & to realise that legacies take priority when estates are being delivered.

House ownership, trusts & Powers of Attorney were also covered.

Lunch at the Bluebell Nafferton was well attended on the 22nd when wives were invited.

We will aim to have a speaker at our Bluebell Lunches & wives will be invited to specific lunches.

Several members accepted an invitation to attend a Lunch at Bridlington Probus club & this was much enjoyed.

During the month visits were made by members to Bridlington Coastguards & to Bridlington RNLI.

The RNLI visit was enjoyed by 8 members and a donation of £100 was agreed.

Publicity. A market stall has been booked for 15th June 2017 with follow up Open Days on July 12th & August 9th.

FRAUDSTERS AND GARDEN THIEVES.

We hope that the New Year, (it seems so long ago), has been kind to you, and that

2017 is the first of many problem free years for us all.

Please try to remember to bring in all your equipment and furniture, over night or if you're out for part of / all of the day.

It is an unfortunate fact that, with the arrival of this nicer spring weather, there comes the threat of those unfortunate(?) people who think they have more need of our garden equipment or furnishings than we do.

People Are Being Targeted by Fake Police Officers.

There has been a series of recent incidents reported where a lone fraudster has approached victims whom they believe to be unfamiliar with the local area. They make an excuse to talk to the victims such as enquiring about directions or offering a recommendation for a good hotel.

After this interaction, several other fraudsters will intervene purporting to be police officers in plain clothes and will sometimes present false identification as proof.

The fake officers will then give a reason to examine the victims' wallet, purse or personal items. Also; they may examine the first fraudster's items, or try to tell victims that the first fraudster is suspicious; this is in order to gain their victim's trust and appear more realistic in their guise.

After all the fake police 'checks' are finished, victims have reported that, after being handed back their personal items, they opened them later only to realise that a quantity of money or valuables were missing.

How to protect yourself:

- If an individual claims to be a police officer ask for their name, rank and which force they serve under, and closely examine any identification presented; this is always good practice but especially important if they are not wearing a uniform.

- The Police will **never** ask for your passwords or PIN details. Do not give this information to anyone.

- The Police will **never** request that you withdraw, transfer or give any money to them **nor will** they ask for you to transfer it to a 'safe' account. If you have been affected by this, or any other fraud, report it to Action Fraud by visiting: - www.actionfraud.police.uk

This time of year is when COWBOY TRADERS come knocking to say that something looks unsafe! Just thank them nicely and tell them that we have some very good tradesmen in the village who will carry out the work for you. **IF** they then try to convince you that it is in urgent need of repair, then it is 99% certain that they are not certified tradesmen, your costs could be huge, (including any rectifying repairs you could need doing because of their bad workmanship) and you'll never be able to contact them to rectify any faults you may find later.

Remember these are all **possibilities not certainties**, so please don't have sleepless nights about them.

One last thing: I changed my telephone and t'internet supplier recently, within 2 or 3 days I was contacted by "the same company" saying that they had overcharged me and were going to repay me the excess by returning it to my PayPal account; so I told them I had no such account and cut them off. I subsequently cancelled my PayPal account.

I was **lucky** in that I remembered my own advice about these things. Please stay **lucky** too!

Please come along to our meetings at the Social Centre; they are held once every 3 months, on the third Monday of that month.

The next meeting is on June the 19th at 7o'clock. Subsequent meetings for this year are on Monday the 21th of August and on Monday the 18th of December, all at 7P.M., most meetings are not at all long affairs and your committee members are few, so we could do with a few more volunteers please, Pretty Please.

Best regard and best wished from Rob Andrew and the rest our village's Neighbourhood Watch Team.

Rob Andrew, Neighbourhood Watch Co-ordinator
