FUNDS RAISED WILL BE GIVEN TO THE "N.O.W" (NOT OUR WASTE) CAMPAIGN

Editorial.....

This will be the last issue in which the Village Voice can make a meaningful contribution to the NOW group's fundraising efforts so no apologies for giving over several pages to promote several of their events.

The committee and supporters have put in a great deal of effort to put on a full, varied and entertaining programme so do try and attend as many as you can – it is all in a cause which is to the benefit of all.

Donations can be sent via the NOW website www.beefordagainstwasteplant.co.uk or direct to the 'NOW Community Action Group' account at the **NatWest Bank in Driffield, sort code 60-07-05, account no: 40163393.**

Please note there has been a change of collector's address in North Frodingham for those dropping off cash or cheques: Nick Muirhead, The Piggeries, Brandesburton Road YO25 8LF (Email address is Nick.Muirhead@btinternet.com)

Please do **NOT** hand over any money at your door unless you have arranged this by emailing angelamckie@outlook.com first.

If you wish to have a receipt, include your name and address with your donation. Those who have already donated without their address and now want a receipt, should contact Angela Mckie, Dave Goodwin or Di Blanchard.

At the time of writing, the donations have passed the halfway mark and an experienced planning barrister is in place.

The appeal hearing is due to start on Tuesday 3rd October at 10.00am and will last for six days. Venue is expected to be at County Hall, Beverley (this will be confirmed nearer the time).

It is important to have a strong local presence at the hearing as this will be noted by the inspector so please turn up to support your team.

Driffield Christian Fellowship

The next evening service at the Social Centre is Sunday, August 20th at 6.00pm. Future meeting will be October 22nd. A.G.

Thanks, as always, to our contributors and distributors. Any spare copies will be available at **Cherrys garage** but the newsletter is also available on the parish council's website thanks to the efforts of Councillor Adrian Wilson.

Thanks also to **Alma Printers** of Driffield for their help and prompt, efficient services.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

WASTE
PLANT

From the chairman of the NOW group Angela Mckie
We would like to take this opportunity to publicly thank Jos, John, Linda and Sandra for all their hard work and everything they have contributed to date. Without them the campaign would not have achieved the results it has and we are all extremely grateful. We are very upset and sad to lose them but we have to continue and with the continued support of the residents we will do everything we can to stop this plant.

WOLDS WANDERERS

In June we were again lucky with the weather when a good number of us met at Terrington, an attractive village of stone houses set in the undulating countryside of the Howardian Hills. There were fresh views at every turn as we followed our path over these rolling hills, ascending eventually to Fryton Moor. Turning eastward to enter Thurtle Wood, we followed secluded woodland paths before regaining open fields and the lane back to the village. Several of us found ourselves at the Lavender Farm cafe to finish off an excellent day.

Our May walk took place on another glorious Sunday when we met at Nunnington and followed the River Rye eastwards to West Ness followed by a gradual ascent to Caulkley Bank Top. This was a perfect ridge walk with far-reaching views on either side with the Vale of York to the south and the North York Moors and Vale of Pickering to the north. Our descent brought us to Stonegrave with its pretty little Minster and an easy headland walk back to Nunnington and a very pleasant café to round the day off.

Summer Fair, July 29th 2.00 pm onwards

Driffeld Christian Fellowship. Sunday 20th August, early evening

Neighbourhood Watch next meeting 18th September at 7.00 pm

MacMillan Coffee morning Friday 22nd September

Mature Mayhem

Thanks to a resident's response to our request for a smooth noise-dampening solution to the indoor curling game, Mature Mayhem are in the process of purchasing Damp Proof Membrane to lay over a strip of thin carpet. The Mayhem Group is confident that there is a solution to most problems all that is needed is a helpful, knowledgeable resident – **Thank you.**

Meanwhile the group continue to flourish, with members gently improving physical and mental activity as they join in the exercises, table tennis, Trionimoes and Scrabble each week. Even more important is the fact that everyone enjoys association with like-minded

friends. If you would like to give Mature Mayhem a try, why not come along to the Village Hall at 2.00 pm next Friday? If the weather's fine we may even have a go at croquet in the field!

Saturday 19th August

"Party in the Paddock"

North Frodingham Playing Fields.

Live band, DJ, bar.

Tickets: £15 adults, £5 children
(must be accompanied)

In aid of NOW

Professor Mortimer's **Open Garden** – a very successful event which raised £850 for St Elgin's and the NOW campaign.

Parish Council

The Parish Council has met twice since the last report. The May meeting was preceded by a presentation from a resident in which several allegations were made against the performance of the Parish Council. Having had little opportunity to review the comments, Council decided to defer its response until the next meeting. Business was then conducted according to the published Agenda. A copy of the authorised Minutes of the meeting is available on the Village website.

As promised the meeting held at the start of June, included the item regarding the complaint. The Chairman had written to the complainant asking for further details in order to address the specific allegations. As he had not received any response to his request by the time of the meeting, he considered that

there could be no case to answer. Council was asked to consider whether it agreed with opinion— there was no dissent. The Parish Council then proceeded to work through the published Agenda; dealing with planning applications, financial matters and reports of problems observed during the previous month.

A request had been received from the Beeford CAD plant committee asking for financial support from North Frodingham towards the cost of maintaining objection to the plant by hiring a barrister to represent the villages at the Appeal Tribunal. Council decided that residents should be consulted prior to agreeing to donate any of the precept money. Please read and respond, if appropriate, to the consultation included in this issue of Village Voice.

Householders

Should the Parish Council make a donation on behalf of each household to the group opposing the Beeford CAD plant?

If your household is opposed please make your feelings known to any Parish Councillor before

SEPTEMBER 4TH

At the meeting the percentage of households OBJECTING to making a donation will be collated and the donation reduced.

No response needed if you agree with the donation

NON-RESPONSE WILL BE DEEMED APPROVAL.

“A Woman’s Work”

*What was life like for a
North Frodingham woman in 1911?*

thereafter the same time Sunday afternoons
until September 17th.*

Local History Group.

An old friend of the Group, Mr Peter Rogers gave update on the Burnby Hall Garden project, and on his further research into Mr Stuart and the Romanov family of Russia.

He told us that since 1962 no major work had been undertaken in the Burnby Hall Gardens and that it was desperately overdue. A successful application to the Lottery Heritage Fund had raised £600K for a three-year project to include major work on the ponds, restoration of a Victorian rockery and the lifting and propagating of the world famous water lily collection. Peter illustrated his words with various slides of the first phase of the work, which involved emptying and removing copious amounts of sludge from the bottom of

the ponds and then resealing the lining. No fish were harmed during this process.

Peter then spent a short time talking about the Romanov family; he had been concentrating his work on a diary that covered the first two weeks of the Russian Revolution. He is trying to understand what happened to Mr Stuart, and other foreign nationals, stranded in Petrograd during the autumn of 1917.

After an interesting and informative talk, Polly Stead thanked the Speaker and everyone settled down to light refreshments and a good natter.

**BOUNCY CASTLE
HIRE FOR
SOCIAL CENTRE
PARTIES
CONTACT 01262
488912**

Social Centre The Committee was delighted to welcome Angela Wilkinson to the June meeting as representative of St Elgin’s. For a full complement of representatives only a member of the Countrywomen’s Association and the Jellytots Group is required – any volunteers?

Routine work is progressing in the Village Hall with the electrical, playground and fire safety checks being successfully completed, only the central heating inspection remains and that is in hand.

Most of the discussion focussed on the forthcoming Summer Fair, scheduled for July 29th. So far there are at least ten attractions promised. However, if anyone wants to have a table, for their own benefit or to support a charity, please let one of the Committee members know, or come to the next meeting July 3rd, in the Village Hall at 7.30 pm to make sure you are added to the list.

Information and tickets available from Dave & Sally Young 74 Main Street, Beeford, Tel: 01262 488564 or 07522 499938

DOG FOULING

There are a number of issues which are shared by each of the parish councils, one of them is certainly the problem of dog fouling which is a problem caused by a minority group of irresponsible dog owners.

Some of the parishes are members of East Riding of Yorkshire Council dog control "parish partnership" scheme.

There are a whole page of resources specifically for parish councils at the link below, which includes draft newsletter items, posters and much more.

<http://www2.eastriding.gov.uk/environment/pests-and-dogs/dog-control/resources-for-parish-councils/>

In terms of current information, the main thing to stress is that the council has found random patrols to be ineffective. By asking complainants for more information up front the dog warden team is using an intelligence led approach, which is increasing the success rate with fixed penalty notices. For example if a member of the public or parish council can tell the dog warden that "a man in a red fleece walks a black Labrador on the playing field at 7.30 every morning and never cleans up" it is possible to make sure that the dog warden is in the right place at the right time, looking for the right person.

The number to contact at ERYC with information or complaints is 01482 396301 and select option 2.

Ward Councillors Jane Evison and Jonathan Owen.

Call to all the foodies in our villages!

As a part of all the charity events going on this summer, I am putting together a 3 Village Recipe Book which will hopefully include selected recipes from Frodingham, Foston and Beeford, as a celebration of local favourites and recipes.

I really need your help if this is going to be a success and would be grateful if you could send your favourite recipes to me at leahboardley@hotmail.co.uk, or via the post / in person to 1 Eastfield Close, North Frodingham, YO25 8ND. If you could include a picture of yourself with your dish, then that would be even better.

It could be your best chicken dish, cookie recipe, BBQ side dish or even your favourite cocktail. Anything and everything is welcome in this collection of our favourites.

I'll be putting all of our recipes together and we will be selling the cook book over the summer as part of the charity fundraising for the villages.

I am also planning to arrange an event to celebrate and show off the recipes that make it into the book. Those that want to get involved will be invited to cook up a batch of their favourite recipe for a big get together with our food at the centre, also supporting the fundraising pot.

North Frodingham Y.C.A.

(Yorkshire Countrywomen's Association)

Meetings of the Y.C.A. are held in the Village Hall on the 2nd Wednesday of each month starting at 7.15pm. Annual membership £17 plus £1 per meeting which includes tea/coffee and biscuits, visitors £1

We are always pleased to welcome new members at any time, why not come along as a visitor and see what you think!

We enjoyed our 'Evening Outing' in May which was a visit to the Hornsea Inshore Rescue Boathouse which included a fish and chip supper. It was a really interesting visit where we learnt about the essential service that they

provide and how they are dependent on donations and fundraising such as visits like ours. Well worth a visit if your group is looking for somewhere to go.

In June we had a visit from Mr David Mooney who showed slides of Bridlington Priory and shared his knowledge of the Priory from it's beginnings to the present day.

Future Meetings

July 12th Mr K Hutchinson - Yorkshire Air Ambulance - Comp: Words 3+ letters from 'Air Ambulance'.

There will be no meeting in August

Sept. 13th Mr J Millar - Hornsea Mere - War and Peace. Comp: A Bird Ornament.

The Force has been receiving reports of residential burglaries, generally through the hours of darkness. Some of these have been due to windows being left open at night following the recent spell of warm weather, but others have been at properties which have been secured. If you go out in the daytime, even if it is only for a short period of time, do not leave windows open in your absence, you do not know who may be watching you/your property.

We have also received reports across the Force area appertaining to the theft of quad bikes (in front of stunned witnesses), which demonstrates the brazenness of the thieves. Reports have also been received relating to the theft of trailers. Anyone who has a trailer/trailers, ensure they are secured in buildings/secured to metal posts or similar robust anchoring, anything which makes it difficult for would-be thieves to remove the trailer.

If anyone is considering hiring a stretch limousine for a special occasion, before booking check the vehicle and driver are correctly licensed. It appears in 2016 two unlicensed stretch limousines were operating in the East Riding. The driver of a correctly licensed vehicle should be able to evidence their licence, the licence plate and the driver's badge, which has to be authorised by VOSA if more than 8 passengers are being carried in the vehicle or if it is a stretch limousine. If you intend to hire such a vehicle and are unsure with whom to check such matters, the following e-mail addresses may be of assistance:-

For limousines able to carry eight or less persons contact taxi.hub@eastriding.gov.uk

For limousines able to carry more than eight persons contact enquiries@vosa.gov.uk

Pippa WILSON, Special Inspector

Do You Have A Computer? If the answer is yes then you need to read this advert.

My Name is Neil I am your local home computer technician.

I also build computers

Is your computer running slow? If so then Computer viruses are probably the cause. If you do online shopping or online banking then you are at high risk of having your banking details stolen by sophisticated viruses and then having them passed on to cyber criminals.

What do you need to do?

You need to get in touch with me as soon as possible.

I will visit you in your home and remove the viruses leaving you safe to use your computer again; I will also speed up your computer at the same time. If you are having any type of computer problem then give me a call, I am only too happy to help.

1. **All come with a 12 months parts guarantee.**
2. **Very fast start up time of between 7 to 12 seconds.** That's from pressing the start button to being able to access your favourite website (Computer specification & choice of operating system may affect the start up time).
3. **Built using quality components – extending the life of the computer.**
4. **Set up for you in your home and ready to use.**

Fraudsters have been advertising vehicles and machinery for sale on various online selling platforms.

Protect yourself:

- When making a large purchase such as a new car or machinery, always meet the seller face to face first and ask to see the goods before transferring any money.
- If you receive a suspicious email asking for payment, check for spelling, grammar, or any other errors, and check who sent the email. If in doubt, check feedback online by searching the associated phone numbers or email addresses of the seller.
- Contact the third party the fraudsters are purporting to be using to make the transaction. They should be able to confirm whether the email you have received is legitimate or not.
- False adverts often offer vehicles or machinery for sale well below market value to entice potential victims; always be cautious. If it looks too good to be true then it probably is.

Smishing – the term used for SMS phishing – is an activity which enables criminals to steal victims' money or identity, or both, as a result of a response to a text message. Smishing uses your mobile phone (either a Smartphone or traditional non-internet connected handset) to manipulate innocent people into taking various actions which can lead to being defrauded.

Protect yourself:

- Always check the validity of the text message by contacting your credit card provider through the number provided at the back of the card or on the credit card/bank statement.
- Beware of cold calls purporting to be from banks and/or credit card providers.
- If the phone call from the bank seems suspicious, hang up the phone and wait for 10 minutes before calling the bank back. Again, refer to the number at the back of the card or on the bank statement in order to contact your bank.

Action Fraud has received reports of Tech-Support scammers claiming to be from Microsoft who are taking advantage of the global WannaCry ransomware attack.

It is important to remember that Microsoft's error and warning messages on your PC will never include a phone number.

Additionally Microsoft will never proactively reach out to you to provide unsolicited PC or technical support. Any communication they have with you must be initiated by you.

How to protect yourself:

- Don't call numbers from pop-up messages.
- Never allow remote access to your computer.

- Always be wary of unsolicited calls. If you're unsure of a caller's identity, hang up.
- Never divulge passwords or pin numbers.
- Microsoft or someone on their behalf will never call you.

If you believe you have already been a victim:

- Get your computer checked for any additional programmes or software that may have been installed.
- Contact your bank to stop any further payments being taken.

Report fraud and cyber crime to [Actionfraud.police.uk](https://www.actionfraud.police.uk)

If you have been affected by this or any other fraud, report it to Action Fraud by calling **03001 232 040**, or visit www.actionfraud.police.uk.

Having up-to-date virus protection is essential; however it will not always prevent your device(s) from becoming infected. Please consider the following actions:

- Don't click on links or open any attachments you receive in unsolicited emails or SMS messages: Remember that fraudsters can 'spoof' an email address to make it look like one used by someone you trust. If you are unsure, check the email header to identify the true source of communication (you can find out how by searching the internet for relevant advice for your email provider).
- Do not enable macros in downloads; enabling macros will allow Trojan/malware to be installed onto your device.
- Always install software updates as soon as they become available. Whether you are updating the operating system or an application, the update will often include fixes for critical security vulnerabilities.
- Create regular backups of your important files to an external hard drive, memory stick or online storage provider. It is important that the device you back up to is not connected to your computer because any malware infection could spread to that as well.
- If you think your bank details have been compromised, you should contact your bank.

There is a new phishing scam. If you get an email with the subject, Your 2016 Tax Report, with an attachment, do not open it.

You can report suspect emails by visiting

<https://www.gov.uk/report-suspicious-emails-websites-phishing>

If you suspect any of the calls you are getting, try this on the internet: - [who-called.co.uk](https://www.who-called.co.uk)

Then type in the telephone number you are suspicious about and there may be reports there from people who also have the same number calling them which will suggest it is a scam.
