## Editorial.....

An extraordinarily successful fund-raising campaign means that the villages are well-placed to defend themselves against such harmful proposals in the future.

The sentiment of Philip Larkin's poem "Going, going" quoted on the excellent calendar produced by Elise and Cyril sums up the situation very well and it is well-worth getting hold of the whole text to understand why there is so much concern.

Thanks, as always, to our contributors and distributors. Any spare copies will be available at **Cherrys garage** but the newsletter is also available on the parish council's website thanks to the efforts of Councillor Adrian Wilson.

Thanks also to **Alma Printers** of Driffield for their help and prompt, efficient services.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

Jelly Tots is a friendly, local playgroup for babies and children up to 5 years old. We offer playtime for Mums, Dads, Grandparents, Carers and their children offering a large selection of toys, crafts, dress up, ride on's, singing etc. We meet every Wednesday morning (term time) from 9.30am until 11.30am at the Village Hall. The cost is £2.00 per child (50p per additional child) which includes tea / coffee and biscuits for the grown up's, milk / juice and a mid-morning fruity snack for the little ones. We do hope you'll come along and give us a try – new faces are always welcome so we look forward to seeing you! **(There has been a change of leadership for Jellytots; I don't have current contact details at present – Ed.)**

## North Frodingham Art Festival

The art exhibition held at Yvonne and Pat Turner's home on the 9th September for the NOW campaign went well and raised over £400. Work from artists Shelia Coats, Irene Bradbury and Yvonne were on display. In addition Paul was promoting his book of short stories as was Leah with her 3 village cook book.

## Diary for Village Voice November/December

*Meeting in the Village Hall*

Social Centre Committee meet November 6<sup>th</sup> and thereafter first Monday each month 7.00pm

Jellytots meet Wednesday mornings during term time 9.30 – 11.30am

Lisa-Marie Dance Academy meet Wednesday afternoons from 4.00 pm.

Yorkshire Countrywomen 7.15 pm Wednesdays; next meetings 8<sup>th</sup> November, 13<sup>th</sup> December

Frodingham Drum Club meet Tuesday evenings, 7.30pm during term time. (except Tuesday 21<sup>st</sup> November)

Frodingham Parish Council meet 7.30pm second Monday each month except August – all welcome

Frodingham History Group next meeting: 16<sup>th</sup> November, 7.30 pm in Village Hall

Mature Mayhem seniors meet every Friday afternoon 2-4pm.

Paperback Swap Shop 1<sup>st</sup> Sunday in the month, 10.00 am-12.00 pm

Parochial Church Council Quiz night 14<sup>th</sup> December 7.30 pm

Youth Club alternate Friday evenings in term time.

Neighbourhood Watch next meeting 18<sup>th</sup> December, 7.00 pm

Driffield Christian Fellowship. Sunday 21<sup>st</sup> January early evening

Christmas Fair Saturday 2<sup>nd</sup> December from 2.00pm

---

### Social Centre

The Committee has been busy trying to get the hall into good shape for the winter. Draught excluders have been fitted to the emergency doors in the Main Hall, the disabled toilet now has a lock in place, the kitchen and toilet floors have been steam-cleaned, and new seats have been fitted to the playground swings. At the October meeting it was noted that a risk exists when tables in the store cupboard are stacked against the narrow end walls. The large tables, in particular, tend to fall forward as they are removed. Users of the Hall are asked to replace tables in the cupboards so that they lean against the long, platform wall, this should eliminate any risk of injury.

The Committee is now focussed on preparing for the Christmas Fair, to be held Saturday 2<sup>nd</sup> December from 2.00pm. Father Christmas has been invited and has promised to arrive around 2.30 pm.

It has been decided to NOT use the Bouncy Castle this year - to make room for more tables, and allow everyone to enjoy some seasonal music rather than the generator!

Already Group Leaders are getting their teams ready to fill a table with Christmas 'goodies', or competitions to boost their funds.

If YOU want to take part just let a member of the Committee know; without the Bouncy Castle we will certainly have room for you!

## **WOLDS WANDERERS**

Two local walks for this issue – the first, in September, started in Beverley from Lord Roberts Road and led eventually, out onto the Westwood. I think Andrea was shocked at how 19 supposedly adult walkers failed to form an orderly crocodile and there was a delay until we had regrouped! Our walk took us up beyond the racecourse, through Burton Bushes, a remnant of the ancient West Wood, and across to the Grammar School. There was time for some of us to visit some of the Heritage Day properties in the town. Thanks to Ann for the photo (left).

In October ten of us headed north of Sledmere along the Kirby Grindalythe road as far as Crook Plantation where we turned into the drive of Squirrel Hall Farm. Following field headlands, we passed Thirkleby Wold Farm and dropped down onto the Luttons to Sledmere road. Picking up the footpath opposite Croombe Farm (right), and noting the ancient cultivation terraces near Crow Wood, we headed uphill around the site of the medieval village of Croombe to pick up the Bridlington road into Sledmere. The weather was very mild, even sunny at times and there were superb views at every turn.

## Parish Council

The Parish Council has met twice since the last issue; and has conducted routine business on both occasions. The Minutes and Draft Minutes have been posted on the Village web site and are available for comment.

Of particular note were four items:

\* Having agreed to work on a Village Plan, a small committee headed by Cllr Bannister has started work; more details are included elsewhere in Village Voice.

\* The Parish Council has decided to seek funding for essential renovation work on the Cemetery Chapel. For the past ten years the local History Group has mounted a summer exhibition featuring an aspect of life in Frodingham. This year the theme was 'Women's work in 1911'; it was well received and attended, including a visit by members of the East Yorks & North Lincs. Museum Development Team. However the general state of the building has been causing some disquiet and it was decided to abandon the plans for 2018 and work on restoring our 137

year-old treasure to its former state. Local builders have been asked to quote for the work, after which the application process for funds will commence.

\* On a more mundane note, the Parish Council has enlisted the support of our local police in an attempt to slow traffic, particularly large farm vehicles, on Main Street. Speed Boards have been deployed on occasion to warn drivers and appear to have had a good effect. The Boards will be used again and regular offenders will be fined.

\* Finally, whilst several Planning Applications were resolved during the two months, only two new plans were discussed; an agricultural building extension at Mt Pleasant Farm, and a new small house in North Townside Road. Council found no material considerations with which to object to either plan.

The Parish Council meetings are open and are held on 2<sup>nd</sup> Monday of each month at 7.30pm; residents are welcome to attend and if wanting to address the Council, please notify the Clerk by the Wednesday before so that you can be included on the Agenda.

### **East Riding Data Observatory**

East Riding of Yorkshire Council developed a site holding a collection of maps, statistics, facts and figures about the East Riding and its population referred to as the Data Observatory.

The East Riding Data Observatory provides access to information on a wide range of themes collected from national and local data sources and can be analysed and reported on by Local Authorities, Partner Agencies and members of the Public.

This website provides easy access to key statistics and area profiles using interactive maps, dynamic charts and tables to provide a clearer understanding of areas within the East Riding of Yorkshire.

We have pulled off some details about the population of Nth Frodingham sourced from the 2011 census which may be of interest

Working age population is 61.1% with 21% aged 65 & over

Majority of the population are in very good or good health with 1 in 20 registered as being in bad health

81.7% stating their day to day activities weren't limited by poor health

27.4% of households have one person with a long term health problem or disability

24.1% have no educational qualifications

16.3% are working as Managers Directors & Senior Officials

30.3% of households have no adults in employment & did not have dependent children

Interesting though statistics are, there is a serious side to the information held by the data observatory. The health data is used to establish the strategic needs analysis for the East Riding and various data used to determine how to direct the delivery of services and associated resources based on needs are directed and targeted to best effect.

The site is available to the general public on <http://dataobs.eastriding.gov.uk/>

Ward Councillors Jane Evison and Jonathan Owen

### **Leven & Beeford Medical Practice**

### **Patient Participation Group**

*If you would like to:*

**Contribute to the continuous improvement of services**

**Help improve communication between the practice and its patients**

**Help patients to take more responsibility for their health**

**....if you are aged 16 or over,**

**We would like to hear from you**

**Telephone: 01964542155 or 01262 488234 for further information, or come along to our next meetings at Beeford or Leven**

**Mature Mayhem** This Seniors group continues to flourish; improving physical and mental activity with exercises, table games, activities, and a tea/coffee gossip session each week.

Our exercises have been improved to make sure every muscle in the body is (gently) stimulated; some of us even attempt a 'belly roll' which is an exercise to behold - if you don't collapse laughing!

Nothing is compulsory if all you want to do is have a game of Dominoes or cards, if you would rather watch than attempt the exercises, or simply want to sit and talk to your neighbour, that is absolutely fine.

This is the Senior Citizens way of enjoying themselves in a warm, friendly environment, *(yes we will have the heating on, I promise)*

Give us a try, come along to the Village Hall at 2.00 pm next Friday, you will soon be laughing with us!

### Local History Group.

The September meeting could have been a disaster, unfortunately the speaker, Stephen Carvill, could not attend! Saving the day and at very short notice Stephen Sissons, gave us all a memorable history lesson about the Battle of Stamford Bridge. With notes, hand outs and no visuals Stephen held us all in rapt attention and to my ears proved conclusively that William the Conqueror only succeeded because King Harold was forced into fighting his nasty brother Tostig and some unfriendly northerners. After some considerable jostling, almost resulting in the loss of York, Tostig and the others were defeated at

the Battle of Stamford Bridge; both he and the Viking leader Harald Hardrada losing their lives, and their armies fleeing east, west and northwards.

William the Conqueror chose this time to launch his invasion and King Harold lost England to the Normans because his battle-weary army had had to make a long hard journey from Yorkshire to the south coast.

*Sometimes getting the priorities right is better than trying to settle a family dispute!*

The next speaker to the Group will be about Beverley, much closer to home. Mrs Pat Elliott is to present, 'Victorian, Beverley Westwood', November 16<sup>th</sup>, 7.30 pm. This final meeting of the year includes our Annual General Meeting and a light supper.

### Local Heritage Museum.

Closed for renovation, if we can get a grant, until 2019

©North Frodingham parish council.

### **NOW Campaign fund-raising update**

**Since the last update in September we have received an additional £1,109.83 bringing the total to £33,630.09 raised, events total £16,152.35 and expenses £4,250.33. Balance in the bank is £29,379.76.**

Foston Village Hall disco was a sell out and on the night raised £783. Irene and Adrian Benson donated a tube filled with 10p and the tube held £20. Yvonne and Pat Turner's Art Exhibition in North Frodingham raised over £400. The Party in the Playing fields committee donated £200. Sam Muirhead and Irene Benson raised £90 from a cake stall held at the North Frodingham Summer Fete and Nick Muirhead and his team donated £21 from the Tour de Frod event.

Once again a massive thank you to all for the amazing amount raised over the summer. The event's organisers and helpers have been outstanding and between all the events have raised a staggering **£16,152.35** in a very short time. The calendar sales are still to be completed but to date the balance stands at £2,325.14. There is also the

brilliant 3 Village Cook book Leah Mackereth has published.

We will hold the funds in the NOW current account until after Christmas and the committee including the Events team leaders will meet after Christmas to discuss where is the best place to hold the funds going forward. The accounts will also be sent to be validated by Jackson Robson Licence after Christmas.

To date we have no information regarding any new AD planning applications for Gascorp West Ltd but as always we are keeping a close eye and ears to the ground. Please also be vigilant it is helpful if everyone plays their part in keeping up to date with the applications or any information.

Once again a huge **thank you** to everyone who organised, who helped, who attended, who donated, and everyone who generously gave their time in lots of ways.

Best regards to you all.

Angela McKie

On behalf of the NOW Group.

## Phishing scams

Pippa WILSON, Special Inspector Communities  
Rob Andrew, Neighbourhood Watch Co-ordinator

Below is something we hear of on a regular basis, but despite all the warnings people still fall foul of the hoaxers.

Phishing is an attempt to obtain sensitive information such as user names, passwords, credit card details often for malicious reasons by the perpetrators disguising themselves as a trustworthy entity in an electronic communication. The word phishing is a neologism created as a homophone of fishing – the similarity of using bait in an attempt to catch a victim. Phishing is typically communicated by e-mail spoofing or instant messaging and it often directs users to enter personal information at a fake website, the appearance of which are identical to the legitimate one, the only difference being the URL of the website concerned. Communications purporting to be from social websites, auction sites, banks, on-line payment processors or IT administrators are often used to lure victims. Phishing e-

mails may contain links to websites that are infected with malware.

At present there is a sustained phishing campaign underway in our region. Phishing takes the form of an email that appears to come from someone that you know and has an embedded link in the body that when clicked on, downloads a Word file or a PDF document. The Word file when opened will request that the macro's are enabled and the PDF is actually an .exe file, which is a program masquerading as a document.

Both of these files will download some malicious software, which in the first instance will take note of all of your email contacts and upload these to a server on the internet. The next attack will try and compromise your account, your email contacts and archives and your work machine. This will grant the owners of the malware access to your internal systems and information.

The emails may look something like these:-

<p>From: Joe.Bloggs@ .....          Sent: Date          To: You by name          Subject: Invoice .....          Hi "you by name",          Here is your invoice, Feel free to give me a call at 01322 759010.          See your invoice:-          http: website type address          Looking forward to hearing from you,          Joe.Bloggs@.....</p>	<p>From: First Generic Bank &lt;accounts@firstgenericbank.com&gt;          Subject: Please update your account information          Date: Sep 12, 2006 3:23 PM PST</p> <hr/> <p>Dear First Generic Bank user,</p> <p>As a courtesy to our valued customers, First Generic Bank conducts regular account information verification processes. During the most recent process, we found that we could not verify your information.</p> <p>In order to ensure your account information is not made vulnerable, please visit <a href="http://www.firstgenericbank.com.account-updateinfo.com">http://www.firstgenericbank.com.account-updateinfo.com</a>.</p> <p>Please click on the above link to our Web site and confirm or update your account information. This is an extra precaution we take to ensure your account remains secure.</p> <p>Sincerely,          First Generic Bank</p>
--	---

Look at the lack of detail in the body of the text, how the subject is made to look official and complicated, but lacks any detail of what it is actually for. Why is the invoice not embedded or an attachment? The English wording may be incorrect. Invoices should not come via a link to a web site.

Phishing is an example of social engineering techniques used to deceive users and exploits weaknesses in current web security. Attempts to deal with the growing number of reported

phishing incidents include legislation, user training, public awareness and technical security measures. We all get communications from persons/organisations be they by e-mail, phone or other methods purporting to require personal data. Unfortunately, irrespective of how many warnings are issued against scams, people are still falling victim to these entities. Please do not be one of those people.

CYBER AWARE 

## **15 minutes tech free.**

(This is coming from me, a computer numpty, Rob Andrew).

Because we are becoming more and more reliant upon our Technical equipment, the government are become worried about the amount of 'on-line' fraud being carried out, and have issued some advice (condensed below).

Report **all** incidents of fraud to **Action Fraud** on **0300 123 2040** or report it online at <http://www.actionfraud.police.uk/>

A new campaign by our partner Cyber Aware to encourage people to take a **#techfree15** minutes to install their software and app updates launched this week. Cyber Aware is the Government's campaign which encourages people to adopt

a set of simple, secure online behaviours which will help protect them from cyber criminals.

The two most important things you can do are:

1. **Install the latest software and app updates.** They contain vital security updates which help protect your device from viruses and hackers.

2. **Use a strong, separate password for your email account.** Having strong and separate passwords for your most important accounts – including your email - means that if hackers steal your password for one of your less important accounts, they can't use it to access your most crucial accounts. A good way to create a strong and memorable password is to use three random words, which are memorable to you, but not easy for others to guess. Other top tips include: • Secure your tablet or Smartphone with a screen lock • Always back-up your most important data • **Don't** use public Wi-Fi to transfer sensitive information such as card details • Beware of fake websites • Use two-factor authentication for your most important accounts • Go to [cyberaware.gov.uk](http://cyberaware.gov.uk) to find out more or join the [conversation @cyberawaregov](https://twitter.com/cyberawaregov)

### **Village Plans**

Your Parish Council were advised by ERYC to consider producing a Neighbourhood Plan. After careful consideration the Parish Council concluded that since a Neighbourhood Plan basically deals with housing and business development, that a Parish Plan which covers all village aspects would be more appropriate.

Such a plan was produced in 2002/03 and the PC is intending to update that plan to take account of how residents of the village see N Frodingham being developed over the next 10 to 15 years.

The process involves providing a "snapshot" of N/F at the present time by the PC and distributing that to all households.

The next step will be to issue a questionnaire to all households to ascertain how you see the future for NF

This will be followed by an overall report and action plan.

The aim is to seek your views during January to April 2018 & to issue the final report by mid-2018.

Councillor David Bannister

## The 3 Village Cookbook

### The 3 Village Cookbook

The books have been selling very well, but I still have a few copies if anyone wants one and there are still some copies available at these local pubs:

The Blue Post – North Frodingham

The Pipe and Glass – South Dalton

The Chestnut Horse – Kelk

The Trout – Wansford

The price is £5 per book, or £3 for those who have contributed a recipe.

I would like to give another personal “thankyou” to those who contributed recipes, have supported the NOW campaign by buying a copy of the book, and also the people who have helped to promote it.
