### Editorial

Again we must thank the volunteers that have distributed Village Voice. There are nearly 350 residences in the village and outlying farms and their help is essential. If we are still not getting VV to arrive on your doorstep, I must apologise., but we have put spare copies in the Post Office where one can be collected. However if you let us know we will try to do better next time!!

So far, our printer has turned round the printing in a couple of days, so we have generally been able to get VV through your letter boxes by the middle of the month. I often get requests for items to be included well after the 'deadline' date. That gives me a challenge since I do try to get everything in!! Before the deadline I have already put together a draft version, with early contributions getting priority. In the couple of days after deadline I try to finalise the layout, entailing a fair amount of shuffling to get a sensible layout. Late requests can be fitted in only where there is still white paper. When we have gone to print,

sorry. Its too late for that edition!!

Financially we are dependent on our costs being covered by the adverts. So please try to support these local businesses when it is appropriate.

We are happy to get your inputs to Village Voice in whatever form is most convenient to you.

We aim to include reports on regular village activities so if you have information on them please let us have it sooner rather than later

Do you have a particular interest that you would like to share with others in the village eg Family history, crafts, photography etc

Since we last published we have had a review of progress to date; after 3 editions and 6 months.

We included in the review the basic philosophy:

Costs to be fully covered by adverts; ideally 12 pages; not more than 50% adverts; to cover the key items in the village, eg church, school, PO, pub, neighbourhood watch, Parish Council etc

At this stage we intend to stay as a B & W newsletter but to continually consider how to keep VV fresh and interesting.

Financially, we are fully transparent and open to inspection.

### **Paperback SwapShop**

As you know the SwapShop has moved to a fortnightly opening.

We now have over 400 paperbacks available, covering everything from romance to cold-blooded devious murder! No membership or money is involved, just pop along to the Village Hall between 10-12 am alternate Sundays and swap one of your paperbacks for something you haven't read.

Next few open dates –20th May, 3<sup>rd</sup>, 17<sup>th</sup>, June 1<sup>st</sup>, 15th 29th July.

### **THE MUSEUM**

The Museum is now open in the Chapel in the Cemetery, Sunday afternoon from 2pm – 4pm. It is well worth a visit, the History Group has amassed quite a wide selection of memorabilia from times pass, together with documents and photo's illustrating life in the village. Do come along, there is nothing to pay and the volunteers on duty get really excited when they hear a visitor approaching.

## Local History Group

The History Group goes from strength to strength, not only in terms of members but also in respect of the items being given to its collection. We now have fascinating ledgers from the Allman's blacksmith business, a collection of sewing paraphernalia from Angela Wilkinson and some war related items from 'Nev' Hobson's family. Thank you all very much.

Last month we had an interesting talk about the census returns, our planned speaker being unable to make it we were very relieved and thankful that Sheila Dixon was able to step into the breach. Having transcribed the census documents for the Parish, I wondered how it could be made interesting, but how I enjoyed her selection of entries; the description of a wife's disability as being a 'noisy tongue', and the man who was identified not by name but by his 'long nose'.

Our speaker in May will be David Mooney talking about the aviator pioneer Amy Johnson. The meeting will be in the Village Hall, Thursday 24<sup>th</sup> May at 7.30pm. Why not come along and join us, you will be made most welcome.

## North Frodingham School

Dear All,

Here we are at the beginning of a very busy summer term, this year full of exciting events for our children. Not only will we be celebrating the Queen's Diamond Jubilee, we shall also be learning about the Olympic Games and taking part in lots of related events.

### MAY DAY

May Day at North

Frodingham

School is a time for upholding the traditions that were introduced by Mr Wragg in

1990. Over the years, a

succession of May Queens

have been crowned and families

entertained with maypole dancing.

Tradition has it that the oldest girl in the school has the honour of being May Queen and this year was no exception, with Lauren Daubney taking centre stage. Each year our May Queens arrive in style. This year Lauren made a spectacular entrance on Beauty, the pony, who even had glittery hooves and pink feathers.

Lauren made a grand entrance on the arm of Jeremy, another Y6 pupil, who then crowned her. There followed an afternoon of traditional country dances from England and America. Sadly there were no dances around the maypole as the ground was far too wet. All of the children performed magnificently – and so

too did some parents and grandparents after being cajoled into a circle dance. It's whispered that some parents would like to try their hand at maypole dancing...

Lauren, our May Queen, said, *'It felt really special because I came on a pony and walked around the front grass while the rest of the school were watching. Then I went into school through the guard of honour. I sat on the special chair and Jeremy crowned me. I felt excited. I watched the May Day dancing but then had to join in because it looked such fun. I think I will remember it for a long time.'*

Many thanks to all who come along to support the events in school and to the fundraising events organised by the PTFA who do such sterling work supporting the school and providing funds and enjoyable activities for everyone involved with the school. Please look out for their notices of forthcoming events.

### Nursery Places

Our nursery is proving to be very popular indeed and places are filling up very quickly. Please do contact the school if you would like your three or four year old to attend now or in the future to guarantee a place. (01262 488227)

Best wishes,

## **Parish Council**

There is not a lot to report; we are still waiting for the 30mph sign to be returned; it does seem to be taking an inordinate amount of time to get it working again! The Council is trying to raise a grant to pay for the Frodingham Mill Drain to be slightly altered, removing part of a hedge and re locating it on the opposite band, to facilitate mechanical dredging. This will greatly reduce the risk of the drain overflowing at the west end of the village.

Council members have been attending external meetings to follow the progress of the proposal to route a carbon capture pipeline through the Parish, out to sea somewhere north of Barmston; we will keep you apprised of this. Our representative on the Flood Liaison Group advises that this group is beginning to work on a new information package to make all residents aware of the potential flood risk in this area.

The Parish Council now has a vacancy for a new member and would urge any interested resident to get in touch with the Clerk or a sitting member as soon as the official notification is on the Noticeboard at the Millennium Garden.

Otherwise it was just a question of discussing planning applications, paying bills and generally reporting problems in the village to the relevant

officers at County Hall; it was gratifying to see the street sweeper appear so promptly!

## **Social Centre**

First of all a big apology to our regular users, we have had more problems with the heating, largely caused by an under floor leak being revealed when we got Barry Clark to fix one of the radiators in the meeting room. We have isolated that problem, the heat is on again and we have asked Barry to re-route the central heating pipes over the ceiling in the meeting room. Hopefully when this is completed there won't be any more frozen emergencies.

On a much nicer note, the Committee would like to extend congratulations and thanks to those dads who put the fence around the new playground and the mums who cleaned up the mud in the hall when they had finished – doesn't the area just look grand now?

We still have a bit more work to do, but at last we can feel proud that we have met our commitment to the young people of Frodingham.

We are moving towards a quieter time at the Centre and are thinking about closing for a week or two in August to give us time to do some painting and general tidying up; if you have any hours free we would be glad of your help.

**Police Report**

There has been a walk-in burglary in the village, but this was due to keys having been left in the door. As a result items were moved around in the house and a laptop stolen. It would not do any harm to re-iterate in the Village Voice to ensure valuables are not left on view, be they in a house, car or elsewhere; that doors and windows are secured when properties are empty and even when you are in the house, ensure doors are locked if you go upstairs or outside. The elderly who can be particularly vulnerable should ensure their doors are secured at all times. It takes a very short period of time for persons to enter a property and remove items, some of which may have sentimental value and could never be replaced. You never know who may be watching you or your property with a view to stealing items.

If people are going away on holiday they need to ensure milk deliveries are cancelled/the build up of post is not visible through glass front doors.

Another matter which has been brought to our attention and which is particularly relevant to females is as follows:-

A man came over and offered his services as a painter to a female putting petrol in her car and left his card. She said no, but accepted his card out of politeness and got into her car. The man then got into a car driven by another gentleman. As the lady left the service station, she saw the men following her out of the station at the same time. Almost immediately she started to feel dizzy and could not catch her breath. She tried to open the window and realised that the odour was on her hand - the same hand she had accepted the card from the gentleman at the service station.

She then noticed the men were immediately behind her vehicle and she felt she needed to do something at that moment. She drove into the first driveway and began to sound her horn repeatedly in an attempt to summon assistance. The men drove away but the lady felt unwell for several minutes after she could finally catch her breath. Apparently there was a substance on the card that could have seriously injured her.. This drug is called BURUNDANGA and is used by people who wish to incapacitate a victim in order to steal from or take advantage of them.

This drug is four times more dangerous than the date rape drug and is transferable on items such as cards (things that are handled). Take heed and ensure you do not accept cards at any given time when you are alone or from persons on the street. This applies to those making house calls and slipping you a card when they offer their services.

**LETTER TO Village Voice**

Dear Sirs

I am writing to let you know that my daughter was hit by a car on 13th March. She was jogging out of North Frodingham and had just left the village limit signs on the way to the farm shop. She was jogging at the right hand side of the road; on the road of course because we don't have any footpaths. There was a car coming up behind her which wasn't a problem but another car coming up behind that one decided to overtake the car in front, which meant that he found himself between the car he was overtaking and my daughter who he hit on her left arm, knocking his car's wing mirror off. Luckily and thankfully the lady who had been overtaken stopped and took my daughter to the hospital and brought her back after treatment. The car driver who had hit her eventually stopped at the farm shop and walked back to speak to my daughter and pick up his wing mirror. He tried to put the blame on the driver of the car he had overtaken and said all he could do was apologise. The police have informed us that this man has been ordered to take further instructions on driving and the case is closed. I have written to our local MP again. I suggested we should have footpaths, particularly where we have a facility such as the farm shop that can only be safely reached by car. I have made this suggestion in the past and the local MP sent me a letter he had received from the East Riding of Yorkshire Council informing him that they couldn't afford to maintain the footpaths we already had and new footpaths would therefore not be affordable.

My daughter was very lucky because her injuries were slight. However, she was very shocked and will not be jogging on these roads again.

Yours

Valerie Ives

Sept. 12<sup>th</sup> Antarctica - Dr Emma Dawber, comp: Photo of a snow scene.

Why not come along and join us, new members are always welcome, just come along to a meeting or for more information you can ring Ann Briggs on 488420, or speak to any Y.C.A. member.

**Youth Club**

Thank you to all the children in the village for their support, and Margaret for her regular help. All North Frodingham children aged 8 and above are welcome. Our activities of the evening include music, films, playstation, table tennis, cricket and 'something to create'  
Dates 15<sup>th</sup>, 29<sup>th</sup> June, 13<sup>th</sup> July.

**Young Peoples section from Sophie**

If you have anything to say, or have a short story, poem etc write to Sophie Watson, Mount Pleasant Farm, Cross roads, NF, YO25 8LP. Have fun writing and have your thoughts published in Village Voice.

## Wolds Wanderers

This group was originally founded by Janet and Alan in 1976 and is made up mostly by people from Frodingham and Drifffield.

We meet on the second Sunday of each month and our walks of between six and eight miles are often on the Wolds and the North York Moors. Our March meeting was at Rosedale, walking through to Dalehead and back along the dis-used railway. Superb scenery and glorious weather enjoyed by all. One unfortunate member managed to measure his length in a muddy rut but fortunately he'd brought his own car and didn't need a lift home in mine, so no harm done! Our April meeting fell on Easter Sunday but never-the-less, nine stalwarts turned out for a very pleasant figure-of-eight walk around Hackness. We had the added bonus of a drive through lovely Forge Valley to get there. Map reading is an acquired art, not always mastered by some of our leaders but so long as Andrea, our GPS queen, is along we generally manage to find our way round. We are very fortunate to have such a wide diversity of countryside within reach. If you fancy a pleasant walk in good company, give Janet a ring on 488409.

If you have a favourite walk, you could be one of our leaders

### Notes

Our last quiz this winter held on the 22nd March raised £210 for church funds, a big thank you to

Shirley for organising the quiz and asking the questions. Thank you to everyone who helped in any way to make the evening a success and to all those who came along to support. Congratulations to 'Pick and Mix' who were the winning team.

Thank you to Mrs Hilary Robinson and Mrs Dorothy Allman for a holding coffee morning in their homes during March and April, these two events raised over £200 for our funds. Thank you to everyone who came along to support and enjoy a coffee and a chat.

### **'Morgan's Excellence in Hawking'.**

There is a company from the Nottinghamshire area who've been going door to door in the Willerby, Anlaby, Hessle, Brough and Cottingham areas offering tea towels, oven gloves etc. for sale. The company trades as 'Morgan's Excellence in Hawking'. His sellers travel around the country and usually say that they are operating as part of a 10 day prison release programme, and that they need to sell items to gain references to be able to gain employment.

They normally carry a laminated piece of card which displays Badge ID number, name and address details, date of birth, a photograph of the seller. On the reverse is a photocopy of the Pedlars Act taken from an unknown source. To be able to sell door-to-door they require a Hawkers/Pedlars certificate, which is issued by your local Police Force and signed by the Chief Constable of that Force. **It needs to be an original** and has to be issued to the person and not used as a blanket permit for everyone working for the company owner.

### **CHECK YOUR RECEIPTS BEFORE LEAVING THE CHECK-OUT!**

I bought some items, over £150, & I glanced at my receipt as the cashier was handing me the bags. I saw a cash-back of £40. I told her I didn't request any cash back & to delete it. She said I'd have to take the £40 because she couldn't delete it. I told her to call a supervisor. Supervisor came & said I'd have to take it... I said NO! Taking the £40 would be a cash advance against my Credit card & I wasn't paying interest on a cash advance !!!

If they couldn't delete it then they would have to delete the whole order. So the supervisor had the cashier delete the whole order & re-scan everything! The second time I looked at the electronic pad before I signed & a cash-back of £20 popped up. At that point I told the cashier & she deleted it. The total came out right. The cashier agreed that the Electronic Pad must be defective !!!

### **Volunteer teaching in Kerala South India**

We left on 05/11/11 for Nilambur, a small rural town, in Kerala State. The aim was for six native English speakers to "assist with spoken English" in a government secondary school, where no one had seen a white person.

Our welcome on Children's Day at school was incredible. We were sat outdoors on a stage, watching the children perform dance, sport and singing. We presented prizes and then we each had to make a speech. This was to be the first of many, all live on TV and without any forewarning. TV crews and the public often came to school to see the "white teachers".

When we arrived at school the following day we were each taken to a classroom and there 60 children (aged 16/17) awaited our first one hour lesson. The classrooms were dark, with benches and long desks, no electricity and no resources, just a blackboard and chalk. The boys were sat down one side with the girls on the other. They rarely mix. The students had no concept of group and pair work so a new approach had to be found.

We were teaching from day one! A college tutor repeated what we said during the first week's lessons and after that we were left to plan and teach specific language phrases. We requested smaller classes and in January we had 30 students per class. Most students are keen to learn, have clear ambitions and cannot understand why many English teenagers do not attend school. They attend for extra lessons, often starting at 7am and on Saturdays.

Teaching was only one part of our 4 months and the experiences we had living as part of the community, was truly amazing.

## **Jellytots**

The messy play day on Wednesday 4th of April was a massive success. Thank you to everyone who turned up to support us, we managed to raise a fantastic £50 for the group. Also a big thank you to Shirley Gaule for all her amazing help on the day; we couldn't have managed without her.

A lot of parents have asked when the next messy play day will be as they enjoyed it so much. I can tell you we have many more exciting ideas for fundraising in the pipeline and hopefully we will be organising something for the children to do over the summer holidays.

We are open every Wednesday morning during term time so please spread the word.

Finally a big thank you to all the parents who turn up each week and offer us their help we couldn't keep the group going without you.

### **Football**

We have now got to the end of the season and the team has been progressing through the season, so that the prospects for next season are very encouraging. The possibility of raising 2 teams for the 2012/13 season may be on the cards, if the upturn in interest continues. The Blue Post Inn also have continued to provide excellent post match hospitality, food and refreshment

New kit sponsors are needed for 2012/13 and any interest would be gratefully received.

### **Cricket**

This season started in April and local players and volunteers are always welcome; games are played on a Thursday evening. Details are available from Andy Crabtree on 07961 832822

The new cricket season also sees the relaunch of the Saturday senior cricket team at Beeford who will play in the York and District Conference League. Beeford also has a number of junior cricket teams at under 9, 11, 13 and 15 levels who play in the East Yorkshire Junior and Derwent Valley Junior Leagues. Regular training sessions take place and any players interested in playing should contact Andy Crabtree who coaches the under 15 team and will be able to provide details for any age group including the Saturday senior team. Many youngsters from North Frodingham are actively involved in the junior teams with several progressing well to get involved in the East Yorkshire pathway scheme or East Yorkshire representative team.

The under 15s fixtures for May, June & July are:

Derwent Valley Junior Cricket league, Engraving Company Junior Cup

1<sup>st</sup> round on Sunday 20<sup>th</sup> May: Beeford v. Scarborough B

Winner to play Flixton or Staxton away in the semi final on Wed 13<sup>th</sup> June

Final is on Monday 16<sup>th</sup> July at Heslerton CC for 6pm start

League fixtures:

May 27 <sup>th</sup>	Scalby A away
May 30 <sup>th</sup>	Hunmanby away
June 3 <sup>rd</sup>	Cloughton home
June 5 <sup>th</sup>	Scarborough B home
June 10 <sup>th</sup>	Nawton Grange

### **AND FINALLY**

Very many thanks for your support, particularly Joy Harris. We have again increased the size to 16 pages in an attempt to avoid everything seeming to be too cramped, and continue to keep the VV refreshed. This is an indication that you are actively feeding material in for inclusion. But please remember that we need your continuing inputs for future editions, **before 30<sup>th</sup> June** for our next issue.
