## Editorial.....

Regarding the ongoing work at the Old Howe, the Environment Agency say "The embankments either side of Old Howe protect agricultural land. These embankments are old and in poor condition and, under current government funding rules, we have to invest where we can provide the greatest benefit to people and residential property at risk of flooding. These banks therefore do not attract the funding required to maintain them."

.....and yet Councillor Wilson has discovered through a Freedom of Information request that, although the damage following the 2012 floods was not repaired, £77,000 was spent in 2016 reinforcing the embankment near the proposed site for the Anaerobic Digester..... (Temporary measures taken in May this year near the footbridge at Foston had cost £30,000 so far).

Don't forget to return the Village Plan questionnaire – your opinions matter as the success of funding applications depend on being able to show strength of feeling.

The Village Voice is dependent not only on stories and pictures from its readers but also on advertising from local businesses to keep us viable. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

Thanks, as always, to our contributors, advertisers and distributors.

Jelly Tots is a friendly, local playgroup for babies and children up to 5 years old. We offer playtime for Mums, Dads, Grandparents, Carers and their children offering a large selection of toys, crafts, dress up, ride on's, singing etc. We meet every Wednesday morning (term time) from 9.30am until 11.30am at the Village Hall. The cost is £2.00 per child (50p per additional child) which includes tea / coffee and biscuits for the grown up's, milk / juice and a mid-morning fruity snack for the little ones. We do hope you'll come along and give us a try – new faces are always welcome so we look forward to seeing you! **(I hope the details are still relevant: there has been a change of leadership for Jellytots; I don't have current contact details at present, perhaps someone could get in touch and let me know – Ed.)**

# WOLDS WANDERERS

Gathering in Thornton-le-Dale with its picture postcard cottages, we followed the beck out of the village to Ellersburn. At the church we took the path up Kirkdale Slack until we reached the road at the junction with the Dalby Forest drive. For a few uncomfortable minutes we had to share the road with a succession of Sunday motorists until we could turn off for the tranquillity of Howl Dale and its scattered patches of bluebells. Here we paused for a welcome lunch break before continuing on through the wood and along farm headlands to reach our starting point.

In June, 18 of us headed to Keswick for our annual weekend. A glorious sunny spell and a chance to re-visit old favourites: the viewpoint at Eagle Crag and a circuit of Derwentwater. Sunday was a day of assorted delights – a bus trip to Windermere, the launch across to Wray Castle, a shady walk along the lake shore with a stop for our pack-up, another launch across the top of the lake and then the bus back – every moment brought a fresh view in gorgeous sunshine. The last day saw a short walk up Latrigg for the spectacular viewpoint above Keswick (see front cover photo).

**Diary for Village Voice July - August**

*Meeting in the Village Hall*

Summer Holiday from 23<sup>rd</sup> July

Social Centre Committee , 2<sup>nd</sup> July, 6<sup>th</sup> August  
2018 7.00 pm in Village Hall

Jellytots ,Wednesday mornings during term time  
9.30 – 11.30am.

Lisa-Marie Dance Academy , Wednesday  
afternoons from 4.00 pm.

Yorkshire Countrywomen ,7.15 pm Wednesdays;  
next meeting July 11th

**Parish Council**

The Parish Council met during May and June and conducted the usual business of paying bills, looking at planning applications and discussing problems emerging in the village.

Closure of the bridge over the Old Howe was the topic of a lengthy discussion as it was causing problems for people using the Right of Way who were using the uneven chalk barrier to cross the waterway. Considering how much money had already been spent it should surely have been possible to make a temporary, safe crossing place for walkers!

Frodingham Drum Club , Tuesday evenings, at  
7.30pm until 17<sup>th</sup> July 2018

Frodingham Parish Council will meet at 7.30pm,  
July 16<sup>th</sup> 2018.

Frodingham History Group July 18<sup>th</sup> 2018 will  
be the Group's annual outing.

Mature Mayhem seniors meet every Friday  
afternoon 2-4pm – all welcome.

Paperback Swap Shop open 1<sup>st</sup> Sunday in the  
month, 10.00 am-12.00 pm.

Youth Club alternate Friday evenings in term  
time, next meeting 20<sup>th</sup> July

Neighbourhood Watch next meeting 17<sup>th</sup>  
September 2018 7.00 pm.

Driffield Christian Fellowship. Sunday 22<sup>nd</sup> July  
2018 late afternoon

Summer Fair Saturday July 28<sup>th</sup>

**Driffield Christian Fellowship**

would like to invite you to tea at four  
o'clock on Sunday 22<sup>nd</sup> July at the Village  
Hall. Bring your neighbours and friends- no  
charge – just enjoy!

PCSO Chris Webster joined the June meeting and was able to commiserate with us about the petty vandalism taking place. Apparently this nasty behaviour was prevalent in a number of villages in the area, as if the police didn't have enough to do! He also asked us to make residents aware of the regulations for the use of drones in built up areas. Apparently they must not be flown within 50 m of a dwelling or higher than 400 m. Infringement of these rules might well be accompanied by a large fine and/or impounding of the offending equipment. You can check this information on the Internet and have been warned!

**Continued overleaf**

**Continued** Finally there was a short discussion about the proposed Village Plan and the limited number of survey forms being handed in. The point was made that the survey 2002/3 had resulted in successful applications for funding to expand the playground and replace the floor in the Main Village Hall. A new toilet block and new kitchen were funded and the Village Hall was redecorated, all combining to remove the 'musty' smell associated with the building.

Improvements to the environment were agreed with the ERYC officers; more waste bins were provided, and regular drain cleaning and gully sweeping carried out.

**It will be a shame if a lack of survey response prevents the Parish Council from achieving a similar number of successful 'actions' for the current Village Plan.**

The Clerk has started the process for appointing new Parish Councillors to take the place of those who have moved away from the area.

Parish Council meetings are open to all residents and are usually held on 2<sup>nd</sup> Monday of each month at 7.30pm; you are welcome to attend

and if wanting to address the Council, are asked to notify the Clerk by the Wednesday before, so that it can be included on the Agenda.

NB: The July meeting will be held on Monday 16<sup>th</sup> July 2018

Seen some snazzy airborne footage on YouTube? Well, it might have been captured illegally as, according to UK laws regulated by the Civil Aviation Authority, consumer drones (classed as those that weigh under 20kg) must be flown no higher than 400 feet (120 metres), and be kept at least 50 metres away from people and private property, and 150 metres from congested areas and organised open-air assemblies of more than 1,000 people.

### **Local History Group.**

As usual the May meeting started with a brief business session under the stewardship of Polly Stead, and then moved quickly on to the promised presentation by Steve Carvill about 'the Gansey Girl' and other sculptures.

Assisted by the 'lovely Julie', Steve began with a short video of the process involved in the 'Gansey Girl' statue. Starting with an old photograph Steve made a rough copy and set to work. First a metal shape was created which was to provide a support frame for a full-sized clay model. Three people worked on fixing the clay to the frame with Steve adding the final touches. Once finished to his satisfaction the model was then prepared for casting in bronze.

The finished statue now sits demurely knitting a gansey (fisherman's jumper) on the pier in Bridlington

waiting for her husband to return home from the North Sea fishing grounds. On the base of the statue are small metal fishes each engraved with the name of a local fishing family.

Most of the talk concentrated on the 'Gansey Girl' and it was understood by the audience that his hope was that it would encourage visitors to follow the Bridlington Heritage Trail.

Some time was spent showing photographs of a selection of his other creations. Perhaps closest to the heart of the audience was the work for the recently erected Bomber Command memorial.

An excellent speaker Steve Carvill left us all amazed at his skill, impressed with the time and effort it all took and with number of people it takes to bring a sculpture to completion. From the expert knitter to make sure the hands were in the correct position to the burly men who wielded the molten bronze and tipped it into the cast.

### **Mature Mayhem**

This senior group is proving to be a success. For once we are in line with the Government recommendations to get our older folk exercising and the peals of laughter emanating on a Friday afternoon are testament to the value of the enterprise.

The afternoon starts with a short session of gentle exercise and catch ball followed by some serious Scrabble playing and the popular Trionimo tables. The more nimble members enjoy table tennis, indoor bowls and skittles and are proving very adept at adjusting the rules to suit themselves.

Only one rule is mandatory for all members we seniors can do exactly as we please!

If you are thinking about coming along on a Friday afternoon, you will be made most

welcome and remember you can sit and watch others whilst they exercise their joints; you can turn your backs on any energetic exercise; and most important you can enjoy a social natter and slurp your tea/coffee with the best of them!!

If you want to have a good laugh with others, or simply want to exercise your mind and/or body in a non-threatening environment, give us a try, come along to the Village Hall at 2.00 pm on a Friday, you will soon be laughing with us!

---

### **Social Centre**

The Social Centre committee has met twice since the last issue and sadly has to report some damage to the Village Hall which has resulted in damage to the shed and garage store to the rear of the building plus a broken window in the kitchen. The two outbuildings are used to store the Jellytots play equipment and the outdoor chairs that are used for the Summer Fair and loaned for use at private functions in the village.

Unfortunately these petty acts of vandalism have a negative cost on our finances, which are always stretched to the limit, and prevent us spending our funds on improving the resources available to residents of the village. They affect everyone, even those who do not choose to join in the activities. Please keep an eye on the Village Hall if you are passing and report suspicious behaviour to the local police – the committee always does!

We are still looking for new committee members and a new secretary, the latter is not a time-consuming job but it would include writing this info for Village Voice and the Minutes for each meeting. Please feel free to turn up and offer some help.

# Canal Festival

## Does anyone know what the plan is?

A huge amount of effort and resources has been poured into blocking the Old Howe. Where will all the water go?

It was opened on Sunday 1<sup>st</sup> July for most of the day with assistance from the Nafferton Methodists who provided the catering including additional furniture. A very successful day with over 300 visitors and nearly £1300 raised for the NGS charities. A more detailed report will appear in the next issue.

Professor Mortimer's garden attracted a lot of attention. It has been opened for fundraising over the past few years but this year it was under the auspices of the National Garden Scheme.

Jennifer Loubo 01262 481019

Email: [jennifer.loubo@gmail.com](mailto:jennifer.loubo@gmail.com)

It is with some regret that I am announcing my resignation from leading the village Youth Club. It has been a wonderful 4 years since I took over and restarted the club. I would like to take the opportunity to thank all who have volunteered during this time. Youth Club would not have been a success without your support. The Youth Club is very popular with growing numbers and average attendances of 35 children. I would like to ask for volunteers to take over the leadership. I have had one mum show an interest if another would be willing to share the duties. I believe it would be ideal to have 2 volunteers to share the responsibilities so that it wouldn't be too much of a commitment on one person, as I know we all have busy lives. If you are interested in taking on this responsibility please contact me via email at [jennifer.loubo@gmail.com](mailto:jennifer.loubo@gmail.com), at home on 01262481019 or in person at Youth Club. I will still be volunteering whenever I can to help keep the Youth Club going. Thank you again for all your support.

Sincerely, Jennifer Loubo

The Force has been receiving a number of calls relating to the theft of farming equipment. In one incident 2 Ifor Williams trailers and 2 bright yellow cub cadet tank ride-on lawnmowers were stolen. Two of the items were later recovered within our Force area, with the remaining two items being recovered by North Yorkshire Police.

Due to the recent hot weather people have been opening windows and doors, but leaving properties insecure when they go to bed. As a result we have seen a spike in the number of residential burglaries being reported.

Reports are being received regarding persons being asked if they require their driveways tarmacking. In the first instance a male visited a farm in a black Insignia Sri Nav CDTI vehicle, registration VX15 WKZ. Following checks on the vehicle, it appears to be registered to Morecambe in Lancashire. In a second incident a member of the public was approached by a male in a vehicle with registration number DX15 RXV who left a business card reading Surveyor George, North West Limited, 39 Whitegate Drive, Blackpool FY3 9DG. Tel 0800 959 6513 or 01253 807296.

We have received a report of a break-in at the village hall (log 16/55621/18). Access was gained via one of the fire doors, nothing appeared to have been taken, but all internal doors were left open and chairs were moved. The police have been informed and investigations are underway. A group of young persons were also seen round the back of the

village hall and one of them was seen on the flat roof of the hall. When persons arrived to use the village hall, the youths departed. We have not received reports of such issues in the village for some time, but if anyone sees persons acting in a suspicious manner or on the roof of the building, please contact us on the non-emergency number 101.

Regrettably there have been a couple of incidents recently at the Social Centre. One resulting in the building being entered by person(s) unknown – nothing appears to have been taken at this time. However, the person(s) responsible gained access through one of the Fire Exit doors, which may have been left insecure by persons utilising the facilities during daytime. All internal doors were left open, albeit the building was not left untidy. This was reported to the police and a crime number obtained. In the second instance, a sheet of roofing tin on the garage behind the Social Centre has been removed by person(s) unknown. This may have been to ascertain what, if anything, was kept inside the garage - sheer curiosity or with a view to steal. In addition the outer pane of glass in the kitchen window has been broken, albeit the inner pane was still intact. This was reported to the Secretary of the Parish Council and the Police have been informed.

There have been a handful of incidents whereby residents in the village have reported seeing drones flying around the village/hovering over properties. Officers have investigated these reports and are visiting the village. No reports have been received since the early part of the month, but if anyone sees them re-appear, please contact us on 101.

Pippa Wilson, Special Inspector Communities  
Driffield Police Station

## New Planning Regulations

Planning is always a controversial topic and the introduction of a new regulation called Principle of Planning (PIP) This is a new route for planning permission that will be available for applicants proposing small scale housing or housing led development from 1 June.

With Permission in Principle (PIP) applications all that needs to be provided is an application form and a location plan of the site.

It is appreciated that this may cause some concern especially for Parish Council's, but the Government's intentions are that this will only establish the principle of the development. Detailed matters will

then be considered at the subsequent submission of a Technical Details Consent (TDC) application on which Parish Councils will also be consulted & residents as is the case now will have the opportunity to submit comments. Whilst the Council cannot attach conditions to a Permission in Principle, planning officers can set out what issues need to be addressed when submitting a Technical Details Consent. A significant change however is that PIP and TDC applications are only subject to a 14-day consultation period.

There is a short note on the council's website.

**Ward Councillors Jane Evison and Jonathan Owen**

Can you spare a few minutes to help your fellow villagers? If so, The Neighbourhood Watch of North Frodingham need your assistance to deliver approximately 20 leaflets per deliverer, around the areas of Main Street and the smaller Closes off Main Street.

We have a short meeting on the third Monday every 3 months at **7 P.M.** The remaining meetings for the year are September 17<sup>th</sup> and Dec 17<sup>th</sup>.

Your help would be greatly appreciated by other members of the committee and your fellow villagers.

Rob Andrew 01262 488 640.

## **Do you know what your children are up to of an evening?**

I only ask because there has been some more vandalism in the village. A window was broken in the school and the 'garage' of the Jelly Tots, behind the Social Centre was also broken into; and beverages were deliberately poured all over the floor. The children who were seen causing these things were of school age (possibly of Driffild School age).

Please inform all of our village children that the person who saw them will be informing the police if this happens again, also their names are now known by more than the person who disturbed their antics.

*Rob A.*

## **PLEASE DON'T BECOME A SCAM VICTIM!**

1. **ALWAYS REMEMBER: IF SOMETHING SEEMS TOO GOOD TO BE TRUE, IT USUALLY IS.**
2. Never respond to any emails, text messages, letters or social media which look suspicious, or which have bad spelling or bad grammar.
3. **Remember:** A genuine bank will never contact you asking for your PIN, full password or to move money to another account. If you receive a message like this, ignore it!
4. If someone you have never met before asks you for money, THAT alone should be **a red warning flag to you**. Do not give them any money!
5. Always question uninvited approaches, in case it's a scam. This applies whether the contact is on the doorstep, over the phone, by post or online. Instead, contact the company directly yourself, using a KNOWN email address or phone number (look in Yellow Pages).
6. If you are even a tiny bit suspicious, check with someone else – a trusted relative, friend or neighbour - before responding to the communication.
7. **NEVER** automatically click on a link in an unexpected text or email.
8. Make sure you use strong passwords on all your online accounts, and change them often.
9. Always have anti-virus software and a firewall installed on your computer, and update all software as soon as new versions become available.
10. **Trust your instincts**. If you feel a little wary or suspicious, YOU ARE PROBABLY CORRECT!

### **False claims of Telephone Preference Service:**

Fraudsters are cold-calling victims, falsely stating that they are calling from one of the well-known UK telecommunication service providers. They call victims claiming to provide a 'Telephone Preference Service' - an enhanced call-barring service, which includes barring international call centres.

The fraudsters ask victims to confirm or provide their bank account details, telling them there is a one-off charge for the service. But victims see monthly debits taken from their accounts, which they have not authorised. The fraudsters often target elderly victims.

In all instances, direct debits are set up without following proper procedure. The victim is not sent written confirmation of the direct debit instruction, which is supposed to be sent within three days.

On occasions when victims attempted to call back, the telephone number provided by the fraudster was either unable to be reached or the victim's direct debit cancellation request was refused.

#### **Protect yourself:**

- **There is only one Telephone Preference Service (TPS)**. The TPS is the only official UK 'do-not-call' register for opting out of live telesales calls. It is **FREE** to sign-up to the register. **TPS never charge for registration**. You can register for this service at <http://www.tpsonline.org.uk>
- You should always receive postal confirmation of genuine direct debits. If you notice unauthorised payments leaving your account, you should contact your bank immediately.
- Always be wary of providing personal information or confirming whatever personal information the caller already claims to hold is correct. Always be **certain** that you know who you talking to.
- **If in doubt hang up immediately.**
- **If you have been affected by this, or any other type of fraud, report it to Action Fraud by visiting [www.actionfraud.police.uk](http://www.actionfraud.police.uk) or by calling 03001 232 040.**

#### **What happens now IF You've been scammed?**

If you or someone you know does become a scam victim, there are several things you can do to support them and stop others falling foul of the same scam. To help you spread the word about scams and how people can avoid falling victim to them, The National Neighbourhood Watch scheme has compiled a range of free campaign materials that you can use to educate and inform yourself and other people in your neighbourhood.
