

North Frodingham

Village Voice

Feb-Mar 2019

The engineered breach in Old Howe pouring into Church Drain (above).

Church Drain partway between Foston and Frodingham, looking towards St Elgins. The diverted water has overwhelmed it and backed up the land drains into the low lying fields. These pictures were taken on Christmas Eve – what will it be like by the end of winter?

This year saw the revival by the school PTFA of Santa's Sleigh which made its tour of the village on December 16th (left).

Above are some of Santa's enthusiastic (and slightly scary) PTFA elves.

Pictures thanks to Hannah Titcumb, PTFA and Youth Club.

Warley Cross, Brandesburton,
East Yorkshire, YO25 8EW.

Located on the A165 between Beverley and Bridlington

Treat Your Pets To The Best Holiday Ever!

Located near Brandesburton in acres of glorious East Yorkshire countryside, Warley Cross Kennels & Cattery is the ideal holiday destination for your pet. The business is owned and run by a family of animal lovers who understand how hard it can be to leave your pet in the care of others.

Warley Cross offers a private and secure environment for all guests. With years of experience in animal care, the family and staff take the well-being and comfort of your pet extremely seriously. The centre provides individual attention to all guests to ensure a healthy, happy and comfortable stay.

The impressive purpose built accommodation is extremely spacious and designed with the needs of your pet in mind. The dog boarding and day care service includes three individual exercise sessions each day, with lots of quality playtime and one-to-one attention. The kennels have recently expanded to include additional acres of secure grass

paddocks for extended dog walking tailored to the needs of each guest.

The outstanding modern cattery building is located away from the dog kennels and is a delight for any cat. All chalets have spacious play rooms and cosy sleeping areas with thermostatic heating. Each chalet enjoys rural views across beautiful East Yorkshire countryside.

Visitors are welcome to meet the team and view the extensive facilities seven days a week during office hours - no appointment required.

For further details about Warley Cross Kennels & Cattery, why not visit the website at www.warleycrosskennels.co.uk or telephone 01262 488330.

Editorial.....

The start of another year and it marks three full years that I've kept Village Voice going since Dave Bannister gave it up. I'm still hoping that someone else would like to step in and take it on. We've plenty of contributors and advertisers to keep the newsletter viable. Only basic computer skills are required – it's just a matter of trial and error.....

A couple more stand-in distributors to cover for holidays would also be helpful.

The recent wet spell before Christmas has left a lot of standing water round the village. Correct me if I'm wrong but the modification to Old Howe doesn't seem to have the desired effect (unless it is to return the low-lying fields to marsh).

Dark nights have seen the return of the scourge of irresponsible pet-owners. How can anyone not grasp why it's not alright to foul your neighbours' pavement, gateways and verges and leave it for others to clear up.

Please keep the stories coming in – photos in particular are always welcome. If you have something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village.

WOLDS WANDERERS

As can be seen in the photos, two beautifully sunny Sundays for our group walks. It's a pity that more people weren't available to enjoy them.

The November walk (left) began in Wetwang heading away from the pond towards Station Farm which, as its name suggests, is near the old railway line to Malton from Driffield. From here we took a big loop to cross the A166 (encountering on the way some suspected hare coursers with a very ill-fed lurcher) and picked up the footpath that led us on to an ancient green lane taking us back into the village. There was plenty of warmth in the late sunshine allowing us to bask at our ease during a leisurely lunch-break.

Even fewer of us met for the December walk, a bracing there-and-back along the sea front between the park&ride and Sewerby Park. It's a walk we've done several times but its always good for a leg-stretch with super views towards the Flamborough cliffs on the way out and plenty of time to admire the wind farms and enjoy the sea-front bustle on the way back. The gardens at Sewerby are an ideal spot to find a comfortable seat to enjoy our pack-up.

Driffield Navigation Trust

In aid of the restoration and upkeep of the historic Driffield Canal

Enjoy a Boat Trip

Experience beautiful countryside and amazing wildlife, not normally seen from public roads. Boat trips are being run on the Navigation using the trip boat Lady Jayne during the winter months.

The trips are ideal for those who want to learn more about the historic waterway, for bird and wildlife watchers, or for a group or family celebration with a picnic and bottle of champagne.

The cost is £60 per hour. The cost per passenger obviously varies according to the number of passengers. Contact 01262 488599/07770937772 or 01377 270508 or visit www.driffieldnavigationtrust.org.

Social Centre

We hope everyone has had a Happy Christmas and wish you all the best for the New Year.

The four events the Village Hall have put on, since the summer, were well attended and we appreciate the support that has been given by the community. We have replaced the refrigerator in the kitchen and will be having an oven fitted too.

It is planned that we will have different things happening for the new year to come and we would very much appreciate suggestions and ideas for what you would like to see. A few suggestions so far have been carboot sale, grown and/or made produce for swap or sale, live music gig and bingo. Your thoughts on this are welcome please.

We wish to thank David Wright who has kindly donated outdoor Christmas lights to the Village Hall. It is hoped we can gather more, and if you are replacing yours, perhaps you would consider donating them to your Village Hall too. We aim to put on a nice display next year.

The hall can be hired for the same cost as last year, namely, £8 per hour or £50 for the whole day.

The next Village Hall meeting is 7pm Tues 7th Jan 2019. Please feel free to drop in if you'd like to.

Heather.

Parish Council

Members of the Parish Council would like to express their sincere wishes to all residents for a peaceful and prosperous 2019.

Looking back over the past year, by and large the Parish has not fared too badly, long may that happy state continue. Each month our local PCSO has reported few problems in Frodingham - that is until the recent burglary at commercial premises! Of course, we have had telephone and email scams reported – it seems to have become a way of life questioning whether or not to answer each phone call!

On a more general front we have had few planning applications to deal with. Some extensions and a couple with an agricultural focus only two have involved new housing, both located to the west of the village, and both having received approval from ERYC despite several objections being raised.

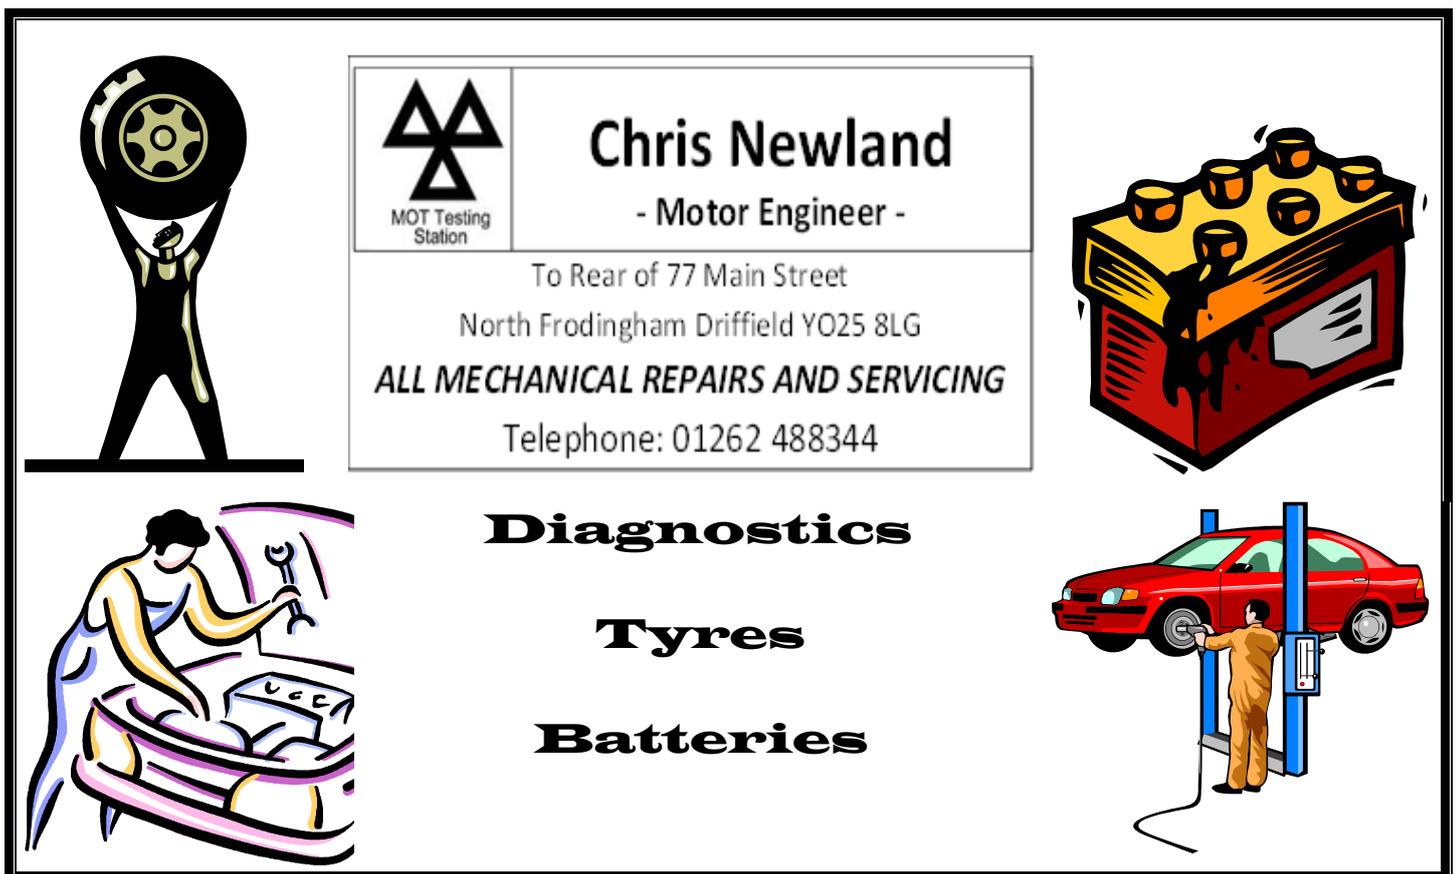

In the early part of the year the Old Howe bank was breached; as a result much of the rest of the year has been time-consuming exercises, trying to persuade the Environment Agency to fix the

problem, and when they do some work trying to understand what has been done, and continually badgering to get the Right of Way bridge to Foston re-opened. Life is so much fun when government agencies get involved!

Sadly we had to say goodbye to David Bannister during the year. David was the driving force behind a new Village Plan. Finally it has been completed, albeit without his help, the Council is in the process of working through the resulting Action Plan. The Parish Council wishes to thank everyone who took a few minutes to let it know what was needed.

On a similar, but more positive note three new members have been appointed to the Parish Council, Joan Syers, Martin Duff and Ann Mahl all most welcome as in December they finally brought us up to full strength. Then, bad news - Mandy Gravil resigned, she will be greatly missed. So once again we are looking for a new member – anyone interested? If so please contact the Parish Clerk.

The next two Parish Council meetings will be January 10th and February 11th both in the Village Hall at 7.30 pm, you are welcome to attend.

Mature Mayhem

The group has kept going every Friday afternoon throughout November and December. Despite the weather everyone turned out to do the exercises, play table tennis or sit down to Trionimoes or Scrabble and enjoyed a 'cuppa' and a good natter.

Mature Mayhem is well worth a try if you ever find yourself feeling lonely getting through days without talking to anyone, come along to the Village Hall - you will be made most welcome

whatever you decide to do, bring your knitting if you wish!

During 2019 we hope to upgrade some aspects of our afternoons, more board games, perhaps a go at indoor bowling and some different exercises, certainly plenty of tea, coffee and biscuits available to keep us going. What about card games – anyone interested?

Mature Mayhem meets Friday afternoon from 2pm – 4pm, in the Village Hall. Each session cost just £1, to cover hall hire and equipment; light refreshments are available for a nominal fee. Just come along and see what you think.

Local History Group

Our AGM was held in November and despite the best efforts of the committee all three officers were re-elected! We are now in the process

of planning the programme for 2019. The dates are as follows January 17th, March 21st, May 16th, September 18th and the AGM November 21st.

We will also organise a group outing week commencing July 15th. All meetings start at 7.30 pm in the Village Hall.

If you are interested in finding out a bit more about your village, or something about 'Yorkshire

Speak', or even a bit more about the North Sea and its workers, come along and join us.

The annual subscription is seven pounds, this covers hall hire, speaker fees and an outing – so it is very good value for money. As a final inducement we never mention Brexit and do not get involved in politics – how about that?

From the Ward Councillors

As we head into another New Year the time seems right to reflect a little on performance & then look forward to the year ahead, which we hope will be a very happy & healthy one for everyone.

A totally independent review was printed in the national press towards the end of 2018 by Improve Consultancy & made good reading for our area. We have copied the exact extract below.

The List

Getting the best deal for their residents

Don't have a good word for your local council? From bins to pavements, street lighting to school places, the lot of the local authority is seldom a happy one. Despite squeezed budgets, lots of councils are making the best of a difficult time. Here is a list of the most productive English councils that managed to get – pound for pound – the best results for their citizens .

1. Leicestershire
2. **East Riding of Yorkshire**
3. Wigan
4. Gloucestershire
5. Havering
6. Redbridge
7. Essex
8. Windsor and Maidenhead

9. Rutland
10. Derbyshire

Source iMprove Consultancy

Whilst the financial situation continues to be a challenge for East Riding of Yorkshire Council and huge pressures on our 'revenue' budget continue i.e. the costs of running the day to day operations and services. The 'capital' programme remains strong, this is where the Council spends money on large and long term projects utilising borrowings, grants from many sources and 'one off' government funding, often investing now to save in the future. For example highway schemes, replacement street lighting, flood prevention schemes, leisure centre improvements etc. Unlike many other local authorities, East Riding continues to invest spending over £100 million per annum and currently has £413 million of projects in the pipeline. Much of this work is undertaken by local businesses generating local employment from external funds brought into the area. The council is proud of its track record in obtaining this external investment and looks to continue into the future.

Jane Evison & Jonathan Owen

More GP appointments for people in our area available now

NHS East Riding of Yorkshire Clinical Commissioning Group has arranged with local family doctor practices to make it easier for people to access routine care. Extra appointments are now available in the evenings, at weekends and on bank holidays from more than a dozen convenient locations in the East Riding. The Improving Access service is an extension of your GP practice and offers pre-bookable appointments with GPs, nurses, healthcare assistants, physiotherapists, pharmacists and mental health workers.

This is not a walk-in service – you do need to book an appointment in the normal way through your own GP practice.

To find out more about the service, including how to book an appointment, visit www.improvingaccess.org

The poster features the NHS logo in the top right corner. The main graphic consists of several concentric, overlapping circles in shades of blue, green, and orange, with a white arrow pointing upwards and to the right. Small icons of a person, a nurse, and a doctor are placed around the circles. The text 'Improving your access' is written in white on a blue background. Below this, the text 'GP and nurse appointments are now available in the East Riding of Yorkshire during the evenings and at weekends.' is written in white. Further down, it says 'To book an appointment please contact your GP Practice.' and 'This is not a walk-in or emergency service and you must have an appointment to be seen.' The website 'www.improvingaccess.org' is listed at the bottom, along with the 'East Riding of Yorkshire Federation of GP Federations' logo.

Notes

A big thank you to Ann and David Briggs who once again held a coffee day in December in aid of church funds.

Ann works really hard making lovely things to sell, be it baking or flower arranging and her efforts are very much

appreciated. Thank you also to everyone who supported the event and to those who helped on the day.

It was lovely to welcome everyone to our Carol Service on Dec. 9th. Many thanks to all those who provided the mince pies and mulled wine and to our readers.

Thank you to Shirley for taking the Crib Service on Christmas Eve afternoon and thank you also to those who helped, it was nice to see so many children come along to help tell the Christmas Story.

Diary Dates

Thurs. 7th Feb. Quiz to be held in the Village Hall. 7.30 for 8pm start, £3.00 each to include supper, no more than 6 members per team. There are prizes for the winning team and spot prizes.

Our final quiz this winter is on Thurs.14th March.

We have been receiving numerous reports around the Force area of persons acting

suspiciously and vehicles being parked in obscure places but with headlights left on for long periods of time. When persons have approached the vehicles, the vehicles have been driven off or when persons have driven past these stationary vehicles, lights have been turned off, only to be turned back on when those persons believe passing traffic has gone. These incidents have been happening on farms, near commercial properties and in residential areas. If you see such things, persons may be parked up for bona fide reasons, but if you call the matter into 101, it will be checked out. We would rather receive calls made with good intention rather than people ignore such incidents and a crime occur.

Commercial burglaries are being reported to us resulting in vehicles being stolen/tools being taken. In some instances the power is being turned off to premises thereby rendering the security alarms inoperative. In a recent burglary Makita power tools were taken from an insecure cabin. If anyone is offered such power tools, please be mindful these items may be stolen property.

Public houses are being attacked – in a recent incident the rear door of a public house was entered, person(s)

unknown gained access to the safe, despite the owner having the keys at home all night and monies taken. An untidy search was made of the premises, but it appears the cameras may not have recorded.

Residential burglaries are also on the increase – in some instances persons have returned to their homes during daylight hours to find burglars in their homes. Method of entry not always clarified, but in some instances it has been due to insecure windows/doors. We are all very busy at this time of year getting ready for the festive season, but be vigilant and ensure vehicles and properties are left secure at all times.

Another matter about which we are receiving high volumes of calls is road traffic collisions. It is winter, the roads are wet, road surfaces are cold, greasy, there are fuel spillages and due to the volume of rain we have had recently, when vehicles are coming out of fields, they are leaving mud residues on the road surfaces. Please take extra care on the county's roads, while there are instances over which we have little control (other people's manner of driving), adapt your driving style accordingly to the weather conditions and stay safe.

Pippa WILSON

Special Inspector Communities

Driffield PS

Have you been sent something like this?

Look closely at it and you'll see there's no apostrophes and the signing in process will ask for bank details – it's a scam. The licencing authorities don't operate like this.

Next meeting is Monday March 18th at 7.00pm at the Social Centre. Do please come along.

Rob Andrew, NW coordinator.

Apply for a TV Licence Refund

How to apply for a refund?

Theres a refund form to fill in. Once youve applied, well look carefully at your details and will credit your account.

In order to receive a refund amount of £95.50 please

[Sign in to your TV Licence](#) to proceed.

We apologize for this inconvenience but, your email provider may see this message as junk/spam. In order to view it correctly please mark as Inbox.
