Editorial.....

Maurice showed me an early copy of the Village Voice from 1991. Talk about déjà-vu! Issues then are the issues now, especially getting people to help on committees. Some of the people running things then are still doing it now! The one big difference was the size of the editorial team for VV then – seven! (So many exclamation marks – I don't mean to shout!)

As you'll have seen in Joy's article last time, there has been another resignation from the Parish Council.

The school and PTFA are hoping to be able to relaunch Jellytots – more about this inside.

A message from FullFatTV has been passed on to me – I'm not endorsing what they offer, just putting it out there.....

There is also some news about Avocet House which arrived too late for the previous issue but we are pleased to include it now.

My comments last time about some dog-owners expecting others to clear up after them applies just as much to cats. This mild spell has prompted some tidying up in the garden – only to see your efforts rewarded with a heap of feline faeces in the middle of a flower bed.

Please keep the stories coming in – photos in particular are always welcome. If you have something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a

tradesman and an advert in this newsletter would reach every household in the village.

We welcome your support. Thanks, as always, to our contributors, advertisers and distributors.

Any spare copies of the newsletter will be available at **Cherrys garage** but it is also available on the parish council's website thanks to the efforts of Councillor Adrian Wilson. www.northfrodinghampc.org/villagevoice (The digital version is in full colour! I should also point out that Adrian set up and maintains the entire website, not just the newsletter archive.)

Thanks as always to **Alma Printers** of Driffield for their help and prompt, efficient services.

Hi there, my name is Jenny Crooks and I am the Foundation Stage teacher at North Frodingham Primary School. We were sorry to hear that Jelly Tots is no longer running but wondered if we might be able to assist with getting it operating again?

We would be able to offer our school hall for weekly sessions and our PTFA and myself would run the sessions.

WOLDS WANDERERS

February saw nine of us (or ten if you count the very passive and tiny bundle carried by Jennifer) take the circuit north of Sledmere. We've done this walk before but after the recent wet spell, we wanted somewhere sound underfoot and there was the added attraction of all the snowdrops along the verges while we were on the estate. Taking the road towards Kirby Grindalythe and turning for Squirrel Hall, through the woods and over Thirkleby Wold, we came down onto Croome Road. Further along we picked up the path that led uphill to take us back to Sledmere and a very welcome cup of tea at the café. (Photo, right, thanks to Ann)

In January, nine of us headed to Skipsea where we skirted round the Brough to take the road to Brougham Hill (or Goose Island as some know it). From there we took the footpath over Skipsea Drain - Don knew the area well, recalling how his father used to pole-vault the Drain. We made our way to Ulrome and on past the church to reach the North Turnpike. This led us down to the beach where we found shelter from the wind for lunch before making our way along the coast, turning inland for Ulrome again then across the field to Skipsea. (Photo, left, thanks to Barbara)

Notes On Sunday 13th January some of us were able to go along to York Minster to see Mrs Shirley Hebden ordained as a Deacon, our congratulations go to Shirley and we wish her well in her new role.

We held another popular quiz on Feb. 7th. There were 10 quiz teams who racked their brains and pitted their wits, the winners were 'The Arctic Hampsters' with 2nd place going to 'All Thrown In' and 3rd to 'Warts 'n' All', there was also a prize for the 'lucky' table. Why not come along and see if you can go home with a prize. The next quiz is on March 14th, see below for details.

Diary Dates

Thurs. 14th March. Coffee Morning with Mrs K Kell at Brickyard Farm at 10am.

Thurs. 14th March. Quiz to be held in the Village Hall. 7.30 for 8pm start, £3.00 each to include supper, no more than 6 members per team. There are prizes for the winning team and spot prizes. This is our final quiz this winter.

From the registers

Baptisms

Sun. 6th January. Elsie Victoria Lamb, daughter of Adam and Chloe.

Sun 24th February. Lily Ann Pearson, daughter of Tom and Shelby, also Shelby Pearson.

We welcome Elsie Victoria, Lily Ann and Shelby into the family of the church.

Driffield Navigation Trust

In aid of the restoration and upkeep of the historic Driffield Canal

Enjoy a Boat Trip

Experience beautiful countryside and amazing wildlife, not normally seen from public roads. Boat trips are being run on the Navigation using the trip boat Lady Jayne during the winter months.

The trips are ideal for those who want to learn more about the historic waterway, for bird and wildlife watchers, or for a group or family celebration with a picnic and bottle of champagne.

The cost is £60 per hour. The cost per passenger obviously varies according to the number of passengers. Contact 01262 488599/07770937772 or 01377 270508 or visit www.driffieldnavigationtrust.org.

Boat Trips on Driffield Canal

Depart from Frodingham Landing

Experience beautiful countryside and wildlife not seen from the roadside.

Day and evening trips by arrangement.

Improving your access

Mature Mayhem

The February sun brought a full complement of members out last week, all keen to enjoy the simple programme of exercise, games and chatter. Perhaps it was the prospect of the annual dinner rather than the sun that motivated some. A splendid evening was enjoyed at the Blue Post with eighteen members and seven guests in attendance.

We were sad to hear that a poorly dog had prevented one partner from attending, all expressed the hope that the pet recovers.

Grateful thanks were given to the Treasurer, Chocolate biscuit provider and room organiser for a year of loyal support to the Group.

Mature Mayhem meets every Friday afternoon 2.00 pm – 4.00 pm in the Village Hall. It costs £1.00 per session and 50p for biscuits and tea or coffee if wanted. We are not a formal group, no Constitution and only a Treasurer to collect our subs. and make sure we pay for the Hall and save for outings - so no

Local History Group

Seventeen members braved a cold evening mid-January and settled down to deal with the routine business, including a discussion about the Summer Outing, followed by a presentation from one of the members.

Mr Howard Goodrick, our in-house Master Mariner, was Speaker for the evening and took as his topic the 'Herring Fishery Industry on the East Coast.' Knowing virtually zero about herrings and no desire to go to sea I sat with some trepidation through the opening slides of a PowerPoint presentation. I shouldn't have worried, it was a fascinating talk covering a huge amount, from the types of herring boats, to the life cycle of the fish and the shore-based ancillary workers who made the nets, gutted the fish, and sent them off to York

Social Centre

The Village Hall continues to be popular with both bookings and events and we would like to thank all for their support.

We will have our first "Frod Prod" on 25th May. This will be an event at the village hall for everyone to swap or sell their produce and craft items. We are hoping this will become a regular event

AGM reports and no attendance record is kept. Just turn up if you fancy a chat with the neighbours or a good laugh at the voluntary exercises one afternoon - you will be made most welcome.

and London. How hard were the lives of the women sitting on the quayside waiting for the boats to come in (probably knitting 'ganseys' for their men folk) and then gutting the slippery fish, packing them in barrels of salt or boxes of ice before sending them to market, drying their frozen hands and going back to the knitting waiting for the next boat to arrive. WOW. I for one will never look a kipper in the face without remembering Howard's splendid talk.

Polly, our Chair, thanked the Speaker, and after an extended and well-deserved round of applause everyone settled down to light refreshments and a good chatter.

The next meeting will be held March 21st, when Mrs Jean Abbott will tell us how to research a Family Tree.

throughout the summer as if we harvest more than we can eat or use, this will prevent it going to waste. Our next few fundraising events will be towards a new boiler as the heating system is now proving unreliable and needs updating.

As previously requested, please do contact us if you have any suggestions about what you'd like your Village Hall to offer.

Brew Monday Thank you so much to everyone who supported the Brew Monday event. You raised a super £150 which will go a long way to supporting people in need of a listening ear. Special thanks to all who donated raffle prizes including Londis, Beeford, Sokells and The Wooden House.

Heather

Parish Council

At its meeting, held February 11th 2019, the Parish Council handled the regular business of the month including dealing with planning applications,; paying the bills and discussing problems reported by the Councillors. In addition there was some talk related to the need for a bus shelter and more salt bins around the village. These latter items will need to be costed and the monies either applied for as a grant or taken from the Business Account.

A report from Special Inspector PCSO Wilson concentrated on the necessity of being alert to scams both electronic and on the doorstep as these seem to be increasing in the region. The police have asked us to look out for a white Ford transit van, YK 55 VU, which had been reported as the driver had been picking up 'scrap' metal also a silver Shogun **with the same registration.**

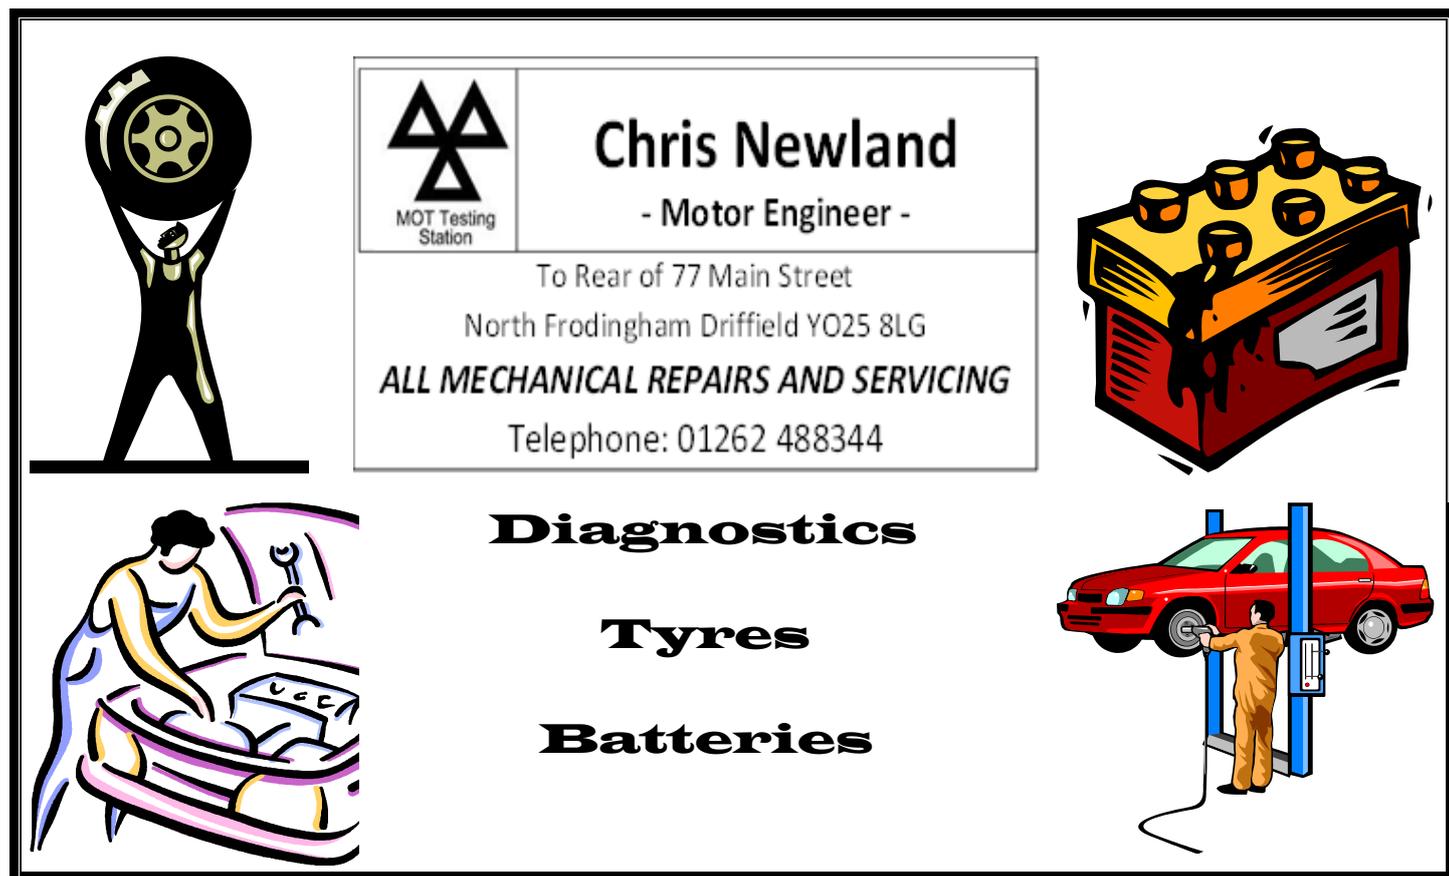

Councillor Greaves gave an upbeat account of progress at the Social Centre. She said that the first

'FrodProd' table sale would be held 25th May, tables for the sale of any produce would be available for £5.00 and sale items could include craft items as well as garden produce. There will also to be an Easter Egg Hunt for children with the proceeds to be split between Social Centre and School. Residents are asked to volunteer gardens where the eggs could be hidden.

Several problems were raised by the councillors and these were to be reported to ERYC before the end of the month and hopefully dealt with soon after.

Mr Wilson has started to spread new gravel on the footpath in the Cemetery, with particular attention to the entrance area. Also work is underway on the Cemetery Chapel, including new guttering, painting of external woodwork and re-plastering of internal walls.

The meeting closed at 8.45 pm.

Green Lane Farm

Firstly, a little bit about ourselves – Our organisation is called Avocet Trust. We are a registered charity and have been established for over 25 years. Most of our houses are in East and West Hull.

We moved to Green Lane Farm in February 2017. As an organisation we support adults with learning disabilities to live valued lives in their own homes. Here at Green Lane Farm we have one young man who lives here permanently, we also have 4 respite beds.

In November we held a tea party to help raise money for ourselves and for Mencap. We invited our neighbours and were happy that we had some response, as we were able to introduce ourselves and explain what we do here at Green Lane Farm. Thank you to the ladies who came on the day who helped us to raise funds.

Also, a big thank you to the Social Centre for lending us their tea cups etc, we appreciated this support very much.

We are hoping to have a garden party in the Spring or Summer and will let all the villagers know in good time. We hope you will come along for a chat and some refreshments.

From Debbie Pickering (Manager) & the staff team.

Photos thanks to Debbie

From our Ward Councillors

The Lissett Wind Farm Community Fund has become a well-used source of funding for many groups & organisations in the East Wolds & Coastal Ward and the grant application period for this year has started.

Applications can be made by organisations such as community groups, parish councils, schools and churches for projects that are of public benefit including charitable, educational and not-for-profit activities.

The fund receives an annual donation of over £82,000 from the wind farm's operating company, Ventient and an independent decision-making panel comprising of local representatives from parishes within the area, the wind farm owner and East Riding of Yorkshire Council will assess applications and award grants.

Many local groups & organisations have taken advantage of this funding in the past and used it to support a wide range of projects from local community buildings to sports clubs and youth groups. Don't miss the opportunity to access funding that can make a difference in your community.

The closing date for applications to the fund is 30 April, 2019.

For further information, or to apply for a grant online go to www.eastriding.gov.uk/lissett-fund.

The fund is managed by East Riding of Yorkshire Council's rural policy and partnership team who can be contacted via email – ruralfunding@eastriding.gov.uk or by telephoning (01482) 391650.

Jane Evison and Jonathan Owen

FULL FAT TV

I'm messaging from a UK TV Production Company, Full Fat TV (like the milk! 🥛), where we're casting for our new TV series. I was raised in a small village in Warwickshire, so I'm passionate about finding participants and stories from villages and rural areas and was hoping you'd be interested in including something about our new series in a village newsletter or on your website.

The series will be for Quest Red, a branch of the Discovery Network, and will see an award-winning dermatologist helping people across the country with their skin. From small and cosmetic issues to huge, debilitating conditions, she'll be able to offer world-class help to those who are

selected to take part. I hope you see this is an excellent opportunity for anyone who has struggled to find help, has not known where to get help or knows someone who could really benefit from this help.

The email for people to contact is skin@fullfattv.co.uk or to call me on 0121 272 5844 or 07472 559 411.

I look forward to hearing from you and hope this is something you'd be interested in – I'd love to see more people from rural areas being featured and given these kinds of opportunities!

Best,

Sam Matwiejew, Casting Researcher

Birmingham, B1 1LX

MARIE CURIE TEA PARTY

We are holding a tea party in the Village Hall on Tuesday 9th April at 2pm. There will be the usual cake stall, raffle and tombola. Do come along and join us for a drink and a chat and help us to support Marie Curie Cancer Care.

Reports are being received by the Force regarding the theft of lead from church roofs.

Shops including post offices have been attacked in the Force area.

Theft of commercial plant at treatment works undergoing development. Diesel generator, blue, 2 wheels, 2 handles with a serial number 3175333 and GAP stickers all over it. If anyone is approached by person(s) unknown trying to sell this item, call 101.

Theft of farm vehicles around the Force area. In a recent incident a Kawasaki Mule, registration number YX68 EDL was stolen. This vehicle resembles a golf buggy type vehicle. Any sightings, log 161 13/02/2019 refers.

Theft of copper piping in Driffield – vehicle witnessed was a white Ford transit van with a registration number similar to YX55 VBU. A silver Mitsubishi Shogun Equipe was also witnessed at a property in a village not far from Driffield where the theft of metal bins was attempted. The driver of the vehicle was challenged by a neighbour of the elderly residents and told to return the bins to their rightful location. The man believed to be in his 30's, was approximately 6ft tall, stocky build, short brown hair and was wearing a hi-viz hoody. The vehicle's registration number was checked and did not come back to a silver Mitsubishi Equipe, but a white Ford Transit van. There is every possibility the plates have been cloned.

Reports of a black Audi, registration number YX64 UNY operating in our Force area. Possibly associated with drug running/trafficking of young people. If this vehicle is seen, log 258 14/02/2019 refers.

Residents in a village in our Force area have reported finding chalk marks on their gates, but this is only happening to people who own dogs. The residents are concerned this may be highlighting them with a view to persons unknown stealing their dogs. If anyone finds chalk marks on their gates, logs 678 16/02/2019 and 571 17/02/2019 refer.

A white moped and blue Ford tractor with partial registration W224 were reported as acting in a suspicious manner around the social centre in the village. Persons went round the rear of the building and torches were seen being flashed about. Police attended but the search was negative. If anyone sees persons these vehicles (or any others) acting in a suspicious manner in the vicinity of the building, please call 101. Log 620 17/02/2019 refers.

There have been motorcycles thefts in the Force area. In one incident a white VW Caddy, registration number YY05 KDF was seen acting suspiciously in a village where a motorbike had been stolen the previous night. When the vehicle was approached by a member of the public, it was driven off. It was later seen parked up in the village where the theft had occurred, which was not North Frodingham, but be vigilant.

Pippa WILSON

Dear [\(your email address\)](#),

We are sending this email to announce that after the last annual calculation of your fiscal activity we have determined that you are eligible to receive a tax return of £480.54. In order to receive your refund, you need to create a Government Gateway account.

If you don't create a government gateway account, you will not receive your refund. This email was sent from a notification-only address that cannot accept incoming email. Please do not reply to this message.

Recognise a SCAM when you receive one.

I was sent these two in the space of two days.

Ref ID: 358HMRC-S930CP8
