## Editorial.....

At the time of writing this (1st May) I have only had one fleeting glimpse of swallows over home. We usually see them around mid-April. It's been a couple of years since we've heard a cuckoo here. We used to see two or three at a time from the kitchen window – all very sad.

There are still some vacancies on the Parish Council.

Andy Crabtree has an article about North Frodingham Cricket and Football teams and an appeal for new members.

Youth Club continues to thrive and is looking to be held in and out of term time.

Re-launching soon. See further in for details.

Please keep the stories coming in – photos in particular are always welcome. If you have something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support. Thanks, as always, to our contributors, advertisers and distributors.

Any spare copies of the newsletter will be available at **Cherrys garage** but it is also available on the parish council's website thanks to the efforts of Councillor Adrian Wilson. [www.northfrodinghampc.org/villagevoice](http://www.northfrodinghampc.org/villagevoice) (The digital version is in full colour! I should also point out that Adrian set up and maintains the entire website, not just the newsletter archive.)

Thanks as always to **Alma Printers** of Driffield for their help and prompt, efficient services.

"Over the Easter holiday, the school PTFA organised a treasure hunt and Easter fun day around the village. It was a huge success, and we're really chuffed about it, having raised £511.51 for the school. It was lovely to see so many people out and about and enjoying it; a lot of effort went into it so it was great to see that it paid off. "

Hannah.

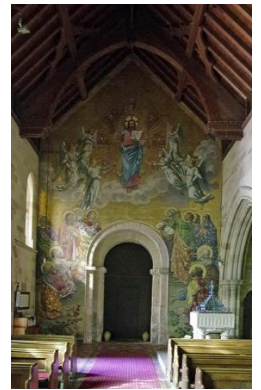

# WOLDS WANDERERS

On a very sunny Sunday in March, a dozen of us, well wrapped up against a chill wind, met at Bainton to walk up the lane by the church to Neswick. Bearing right, our road took us over the 'Brakenberg' bridge (Photo, left, thanks to Joan) which straddled the former railway line and makes a fine viewpoint. Further on we turned for Burn Butts with superb views all the way to the Humber. Down to Cawkeld for a picnic spot and then past Wedding Wood and through Bracken, we picked up the Green Lane, with fine views over the Wolds and which took us back to our start point.

In April, with so many of us on holiday, there were only six to enjoy a walk starting from the church at West Lutton. A gradual climb up the hill to Thirkleby Wold Farm soon brought fine views across the Wolds all the way to the North York Moors. A green lane led through to Squirrel Hall Farm where this year's crop of potatoes were going in. Reaching the lane beyond, which led down to Kirby Grindalythe, Andrea's party stopped for lunch alongside St Andrew's Church. This is one of the Sykes churches, very attractive with its pinnacled west tower and tall spire. Inside is a glorious mosaic on the west wall, set around a Norman door, depicting the risen Christ surrounded by angels, with Mary and the disciples below. (Picture, right, is from a website, 'Eleanors Pages') Picking up their path and evading the attentions of a very frisky horse, they followed the Gypsy Race back to West Lutton.

Thurs.13th June. Coffee Morning with Mrs Angela Wilkinson, 52, Main Street, at 10am.

#### From the registers

##### Baptisms

Sun. 3rd March. Bonnie Marion Alker daughter of Luke and Rachael.

Sun. 10th March. Audrey Grace Loubo daughter of Jonathan and Jennifer.

Sun14th April. Ethan Andrew Leigh son of Nicholas and Samantha.

We welcome Bonnie, Audrey and Ethan into the family of the church.

##### Funerals

Mon. 4th March. Douglas 'Doug' Wylie. Our thoughts and prayers are with Doug's family.

### Ward Councillors

elections imminent at the time of going to press, there

is no contribution from Jane and Jonathan as they are officially in "purdah".

### Parish Council

There has had to be a deviation from our usual meetings this period, a clash with holiday dates had meant the April meeting had had to be put back until 29<sup>th</sup> April hence only one meeting to report on. March 11<sup>th</sup> found us very busy preparing the nomination forms for the forthcoming Parish Council elections on May 2<sup>nd</sup>. Nine of our current councillors have accepted nomination and will be duly elected. In addition we managed to update the meeting on several matters including work on the Heritage Chapel, in the Cemetery, which is now almost complete. The Local History Group is planning to start work on preparing the chapel for the summer opening sessions. In addition Council is starting to ascertain whether a community shop and / or outreach post office would be of use in the village. Initially there will have to be another survey to

establish the level of need before we take this any further.

It was agreed that the benches at the Millennium Garden should be scheduled for maintenance work at the Parish Council expense.

Two planning decisions were recorded and all invoices paid.

A meeting of the Planning Enforcement team at County Hall had been attended and was duly reported back to Council.

Each month Parish Councillors report problems they have noticed, or been made aware of, in the village, these are then passed to the relevant Council Officer for action. During April three Parish Councillors will walk around the village with engineers from ERYC, noting any problems that need to be dealt with. These will then form the basis of an Action Plan.

## H.M.R.C. Scam Warning for Neighbourhood Watch.

### PLEASE BE FOREWARNED.

People are being called on their home and mobile phones by these scammers pretending to be from the Revenue Service. They can sound very plausible but they are SCAMMERS. They will even threaten you with the police or the bailiffs. If they do convince you; they will ask you to look at their website on how to pay back what they want to "STEAL" from you; then they will be able to get onto your computer or mobile and they then hope to get everything of value from you!

## Mature Mayhem

As usual the band of Mature Mayhem members has continued to meet on a Friday afternoon for a couple of hours just enjoying each other's company. Most meetings attract a group of 15 – 18 men and women to join in some chair exercises, some table tennis and

card games etcetera. We have invested in a new CD so are now able to sing along to old favourites while we exercise – we do this very quietly but as we start to remember the words of John Peel or the Lassie from Lancashire, I am sure we will get a little louder! Mature Mayhem meets every Friday afternoon 2.00 pm – 4.00 pm in the Village Hall. It costs £1.00 per session and 50p for biscuits and tea or coffee if wanted. Just turn up if you fancy a chat with the neighbours or a good laugh at the voluntary exercises one afternoon, you will be made most welcome.

## Local History Group

21 members and two visitors turned out for the March meeting where Mrs Jean Abbott told us how to research a Family Tree.

This full complement of members was a testament to the interest each has in starting a family tree.

Before the presentation Polly conducted a short business meeting at which our financial situation was discussed followed by a vote on the venue for the summer outing. The majority of votes were cast for a trip to 'Flowers of May', near Filey. Joy will organise this for the July meeting.

We also spent some time thinking about the Heritage Museum, how to get everything in order once the builder had finished, and starting to plan our summer exhibition. Geoff Rudd, Howard Goodrick, Paul Wright and Maurice Wilson volunteered to help with the heavy work. Hopefully we will be able to start this after the Easter break and other members can then be co-opted to set out and label our 'treasures'.

Polly then introduced our speaker Mrs Jean Abbott, who ably supported by her husband Tim, introduced the topic 'How to Create a Family Tree'. Starting with a known name and date she introduced the use of Census data, Church records and other listed programs. She was careful to point out some of the difficulties a newcomer might encounter, and was scrupulous in maintaining that all material should be checked. Spelling mistakes on official records were to be expected and 'just because someone had the family name – it did not necessarily mean they were a member of YOUR family'!

Jean left some time for questions at the end of her talk and her audience certainly joined in with questions including the value family trees had in increasing knowledge of genetic history.

Polly thanked the Speaker for an interesting and fully participative talk. After an extended and well-deserved round of applause everyone settled down to light refreshments and a good chatter.

**The next meeting will to be held May 16<sup>th</sup> when Chris Whitfield will tell us some more 'Yorkshire Stories' in his broad Yorkshire dialect.**

## Social Centre

We are continuing to make improvements to the Village Hall facilities. The cooker has now been fitted. Many thanks to Adam Lamb who kindly did a great job for us. The next thing we need to replace is the boiler and we are busy fundraising for this. The tabletop sale was busy and popular and we are hoping to make this a more regular event, perhaps with a car boot as well. A big thank you to everyone who helped, including attending, having a stall, organising, helping on the day and being very generous with donations of funds and prizes.

We are trying a new venture we are calling Frod Prod. It will be on 24th May and is an opportunity to buy, sell or swap anything that's been grown or made or crafted locally. An excellent opportunity to pass on extra plants, fresh produce, jars of chutney, jam etc., eggs, cakes, as well as hand-crafted goods. Please contact any committee member if you'd like to join in. There will be drinks and cakes available, so just come for a chat and a look if you can.

Any ideas or suggestions of what you'd like the Village Hall to provide for the village would be very much appreciated. We really are keen to try different things.

Heather

A number of restaurants/takeaways/fast food premises have been broken into and drums of rapeseed oil stolen. The drums, which cost around £20 each, in one such incident were stored in an insecure wooden shed.

A number of commercial burglaries across the Force area, including public houses, have been reported to us, whereby persons have gained access to premises and stolen money.

A male in a white Ford Transit (registration) NC05 FDX has been reported in our Force area collecting scrap without permission. This may be that he sees scrap or items he perceives to be scrap outside premises and believes they are there for collection, but in some instances it has been reported he has gone into premises to fetch goods out, which amounts to theft.

A number of commercial businesses have been broken into in our area – in one instance a number of archery bows were stolen, in another a quantity of tyres have been stolen.

A male claiming to be James MILLER from the Attorneys Office has been contacting people advising they have a case in hand and they need to call back urgently on 0800 869 8472. When this number is checked on Google it returns to multiple foreign websites, the main ones being Turkish and Japanese.

A further incident of this nature has been reported, but the caller's name was Christopher Stephenson on this occasion and he was calling from Nottingham County Court. The caller stated to the member of the public that monies dating back 5 years had not been paid to a company the member of public had signed a contract

with (no company name given) and if monies were not paid within the next 2 days, the matter would be reverted to court. Payment could not be paid by cheque due to the stage reached in the process, however payment could be made by Paypal. Fortunately the member of public was astute enough to recognise the call for what it was – a scam. He had received no correspondence from any company regarding outstanding monies and is a shrewd businessman. He asked the caller to give him his telephone number, he would check the matter out with his brother who works in the legal profession and ring him back. At this point the caller put the phone down. The member of public did 1471 and obtained the number. When the member of the public rang it, it did come back to Nottingham County Court. He explained about his phone call but was told they had no such person working for them or on their behalf. Due to his being astute and recognising the scam, the member of public did not pay any monies or divulge his bank details.

These scammers are becoming very persuasive and convincing. Be mindful if you are contacted, listen to what persons say to you and never reveal your bank details. If you are concerned in any way, contact 101 and report the call. The call can be looked into – if it is genuine you have lost nothing - if the call is bogus, it will be reverted to Action Fraud. Your call could save someone else falling victim to these scammers who have no morals or scruples.

Pippa WILSON

Special Inspector Communities

Driffield PS

## **Village Sport**

North Frodingham continues to field village football and cricket teams in local leagues despite the overall increasing decline in the number of local sporting teams. The village playing fields continue to be maintained to an outstanding level and are widely recognised in the local and regional area. Paul Butler the grounds man does a brilliant job, all on a voluntary basis without reward, only pride in the job and the results.

**North Frodingham Cricket Club** is fielding a team in the Bridlington Evening Cricket League, with games being played on a Thursday night. This continues a tradition which has been running for over 35 years, may be longer. It is an enjoyable standard and a good socialable opportunity to get involved in village sport.

We are looking to recruit players for the team, with games starting in early may. We welcome all

regardless of skill level or experience, come and have a go if you are able. Please contact one of the following with your details, you will be very welcome and get to make a wider circle of friends if new to the village or sport: Mike Hann tel 07768 113586; Nick Muirhead 07831 685462 or Andy Crabtree 07961 832822; or leave your written details behind the bar at the Blue Post. Help us to keep village sport in North Frodingham going.

**North Frodingham Football Club** have also run a team in the Hull Sunday League this season and done well. We have struggled for players at times and always welcome new players. The new season will start in September 2019 and if you fancy giving it a go, please **contact any of the people outlined above.**

**Let's keep local village sport going in North Frodingham and make use of our excellent sporting facilities.**

Andy Crabtree

Here is a contribution from our former editor David Bannister – make of it what you will.....

### **MY TRAVEL PLANS FOR 2019.**

I have been in many places, but I've never been in Kahoots. Apparently, you can't go alone. You have to be in Kahoots with someone.

I've also never been in Cognito. I hear no one recognizes you there.

I have, however, been in Sane. They don't have an airport; you have to be driven there. I have made several trips there, thanks to my children, friends, family and work.

I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore.

I have also been in Doubt. That is a sad place to go, and I try not to visit there too often.

I've been in Flexible, but only when it was very important to stand firm.

Sometimes I'm in Capable, and I go there more often as I'm getting older.

One of my favorite places to be is in Suspense! It really gets the adrenaline flowing and pumps up the old heart! At my age I need all the stimuli I can get!

I may have been in Continent, but I don't remember what country I was in. It's an age thing. They tell me it is very wet and damp there.

JellyTots for Parents/Carers and Toddlers (birth to school age) will be re-launched on Thursday 27th June at 9.15 till 11.00 am at North Frodingham School Hall.

You are very welcome to come along to our first session. We will be using this as a 'taster session', to find out how much interest there will be and then, depending on the level of interest, offer more frequent sessions (hopefully 1 a week).

The session will be £1.50 per child, 50p for any additional children and will include refreshments for both adults and children.

### **Parish Council Allotment available for rent.**

A small plot of land has become available at a spot close to St Elgin's Church.

Hannah Titcomb 07502225453

Jeannette Ross 07889683295

N.B. Youth Club now has its own email address

We have changed the Youth Club slightly, and decided to run it every fortnight, throughout the year rather than just during term times. Because of how the dates have fallen, we have cancelled one of the Youth Clubs which was previously planned (12th July).

Jess receiving her  
2<sup>nd</sup> prize from Rich

Jess & Lucy with their  
Pool prizes.
