## Editorial.....

We were very sorry to learn that Joy had been poorly. As with a lot of workers and volunteers who beaver away behind the scenes, especially ones as enthusiastic and efficient as Joy, who has been involved in so many village activities, you don't realise just how much they do on our behalf until they stop!

We wish Joy a speedy recovery.

## VACANCY - PARISH CLERK

### North Frodingham PC

The Clerk acts as Proper Officer and Responsible Financial Officer for the Parish Council. The role is home-based, part-time (approx. 20 hours a month) and includes monthly evening meetings.

For further details please apply asap to

[ann.bernard@live.co.uk](mailto:ann.bernard@live.co.uk)

Please keep the stories coming in – photos in particular are always welcome. If you have something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support. Thanks, as always, to our contributors, advertisers and distributors.

## Y TURNER CFHP

### Foothealthcare Practitioner

[Turneryvonne1@sky.com](mailto:Turneryvonne1@sky.com)

Toe nail trimming, corn removal, Diabetic foothealth care, callus reduction, verrucas

26a Main Street

North Frodingham

01262 488958

07811888473

Any spare copies of the newsletter will be available at **Cherrys garage** but it is also available on the parish council's website. [www.northfrodinghampc.org/villagevoice](http://www.northfrodinghampc.org/villagevoice) (The digital version is in full colour! The website was set up by Adrian Wilson and, although he is no longer a parish councillor, Adrian will continue to maintain it for the time being.)

Thanks as always to **Alma Printers** of Driffield for their help and prompt, efficient services.

The taster session on 27<sup>th</sup> June was a great success. To begin with we are going to offer sessions at the school on the first Friday of every month during term time. The next session will be on Friday 6<sup>th</sup> September at 9.30am - 11.00am.

The session for Parents/Carers and Toddlers (birth to school age) will be £1.50 per child, 50p for any additional children and will include refreshments for both adults and children.

Jenny Crooks.

# WOLDS WANDERERS

Two more sunny Sunday walks – in May we went to Huggate (left) for a circuit around the charming Tundale, Frendale, Nettledale and Huggate Sheepwalk with broad sweeps of cowslips in the quieter dales together with a tractor rally and a classic car procession for added interest! Photo thanks to Barbara.

In June, with our youngest member, Audrey, we went to Buckton, heading up Hoddy Cow Lane to the cliffs at Bempton reserve with its Gannets, Puffins and Auks and a recent influx of Painted Ladies.

Photo at Bempton (below) thanks to Ann.

---

**Parish Council**

One of the issues before the Council in May was agreeing a new tenancy agreement for the village allotment. An advert in the village voice had generated some interest, and it was hoped that a new tenant had been found.

A review of the cemetery fees was undertaken by Council and it was decided not to make any changes. The 2018/19 Annual Governance Statement and the Accounting Statement had been prepared and audited and are on the Parish Council website.

It was at this time that we had the news that Joy Harris, our Clerk to the Council, had been taken ill, and we all wished her a speedy recovery. She is the lady who normally writes this article, and who helps with so many activities in the village.

In June an update was received on the success of the Frod Prod event and news that another would be held in September. The work on the chapel is now complete, and it is ready for use.

There have been no recent planning applications to consider. All invoices received have been paid.

A meeting of the Town & Parish Council Liaison Meeting at County Hall had been attended and was reported back to Council.

Parish Councillors have reported several problems around the village, from footpaths being overgrown, poor visibility at junctions, to potholes and sinking water hydrants. These have been passed on to the relevant Council Officer or other authorities for action.

Ann Bernard

---

**Social Centre**

The 1st Frod Prod event was well attended, with a variety of stalls offering plants, bread, eggs, and handmade cards, crafts etc. If anyone makes jams and chutneys or bakes cakes, these would be very popular for the next one.

The Summer Fayre is on Saturday 27th July from 2pm til 4pm. Last year it was a popular event and we'd love to see you there. We'll have lots of things for the children to do, and of course, the bouncy castle. If any local business or person would be kind enough to donate a raffle prize it would be very much appreciated. Everything we raise is going towards the new boiler.

This year's Fayre will be combined with the next Frod Prod event so if you have any spare produce you'd like to sell please contact Heather or Paul on 01262

481240 for a table. If you'd like a stall for the Summer Fayre please let us know.

Another new thing we thought we'd try is a coffee morning on Tuesdays from 10-11.30am starting 6th August. Pop along for a cuppa, cake and a chat if you can.

This year's Annual General Meeting of the Social Centre Committee is 7pm on 2nd Sept. Everyone is welcome with suggestions and ideas or just to come if you want to see what we do.

The Village Hall is available to hire for just £8 per hour with the bouncy castle for an extra £20. If you want to use the chairs and tables for your private event we would be happy to help, for a donation.

Thank you so much for the support you've shown for what we are trying to achieve. Heather

(PS: we are grateful to Matthew Pea for his help with grass cutting when our mower broke.)

## From the Ward Councillors

Following the local elections in May we are delighted to be back representing the East Wolds & Coastal Ward once more and as always, we will do our best to continue to represent to the best of our ability.

Since being re-elected in May one particular issue which will potentially affect 1000's of people in the East Riding is new legislation being brought in by Defra in January 2020 called The General Binding Rules.

Many rural properties in the East Riding rely upon septic tanks and if they do not comply with the General Binding Rules could be asked to pay as much as £8000 to upgrade their systems and introduce packet treatment works.

The Environment Agency have been tasked with implementing the new legislation which may well affect households with older systems that are not working efficiently or discharge into water courses.

There can be no objection to the tightening up of legislation that prevent the pollution of water courses,

our main concern is the number of properties in rural areas who are likely to be affected by this new legislation and what support they are to be given to help them meet the regulations. It appears there is a charity who will work with homeowners to help them understand and address the changes but at present this is not widely known, nor is it clear what approach the Environment Agency intend to adopt to implement the new rules. We are talking about a huge financial outlay for some property owners or it may affect the sale of properties & we need a better understanding of who will be affected & ensure they receive advice from the Environment Agency.

We are calling for the Environment Agency to provide East Riding of Yorkshire Council with the information on how they are going to provide households with the information they need to ensure they are prepared for January 2020.

### Mature Mayhem

We meet every Friday afternoon at the Village Hall at 2pm until 4pm. Gentle exercise, table tennis, badminton, soft bowls, scrabble, tri-dominos etc are all available, washed down with a cup of tea and one of Liz's biscuits!

If you just fancy a natter, come along and see what you think.  
If you fancy a read to take home, we have paperback books aplenty to choose from!

Looking forward to seeing you!

Polly Stead

### Local History Group

#### "A Reet Guid Neet"

What a grand evening we had at the History Group meeting on May 17<sup>th</sup>. We had a good audience to hear Mr Chris Whitfield from The East Yorkshire Dialect Society, telling us some "Yorkshire Stories". He regaled us with stories, poems and jokes in dialect which had us thinking and laughing a lot! Several of us wanted to talk to Chris afterwards so tea-time was a busy time! We will certainly be having Chris again.

There will be no meeting at the Village Hall on July 25<sup>th</sup> as it is our group outing to the "Flower of May"

Attraction near Scarborough.

The meeting after that is September 19<sup>th</sup> when Joy Harris is giving a talk "Was the Past So Much Better?"

New members are always welcome!

Polly Stead

From Audrey Greaves

I have raised £35 from plant sales at The Frod Prod to start an account for a building fund to replace the Village Hall. I know a fund was raised in the '80's and how hard work it was – in fact generation after generation have raised money for the Village Hall. A new floor has been put down recently and other improvements made which, hopefully, could be incorporated into the new build.

It is hoped to include a parish council room and a library space in addition to the main hall within the existing footprint. I have had two donations to add to the fund so it has grown already but I need to know if the village is behind these changes. Please make your feelings known to me or other members of the Social Centre committee.

## Neighbourhood Watch

Our best wishes go to our comrade in arms Joy, who, until recently, has been in hospital; get well soon Joy. XXX

### Scam Warning - Fake TV Licensing Emails.

Please be aware that there is a continuing TV Licensing **SCAM**, first identified in September of 2018. Fraudsters are sending the public fake TV Licensing emails that are designed to steal their personal and financial information. Since April 2018, Action Fraud has received over 900 crime reports, with victim losses totalling more than £830,000.

**How you can protect yourself:** Don't click on the links or attachments in suspicious emails and never respond to messages that ask for your personal or financial details.

Don't assume a phone call or email is authentic, even if someone knows your basic details (such as your name or address). Remember, criminals can spoof phone numbers and email addresses to appear as companies you know and trust, such as TV Licensing.

Your bank will never call and ask you for your PIN, full banking password, or ask you to transfer money out of your account. **What to do if you've fallen victim:** Let your bank know as soon as possible and monitor your bank statements regularly for any unusual activity. If you suspect your identity may have been stolen you can check your credit file quickly and easily online. Use a reputable service provider and follow up on any unexpected or suspicious results.

If you have been a victim of fraud or cyber crime, report it to Action Fraud at [actionfraud.police.uk](https://actionfraud.police.uk), or call **03001 232 040**.

**The police said** that although the Driffield and East Wolds area has not suffered a pattern of \*2 in 1 burglaries, here are some simple security measures below which can be taken to help protect yourself and your property.

(\*A 2 in 1 burglary is where a thief steals car keys and then steals the car).

- Never hang your keys close to doors where they can be taken through the letter box.
- Do not leave your car or house keys in an obvious place such as a handbag or a key cupboard.
- If you have a garage use it and lock it.
- Always keep your vehicle windows closed and the car locked at all times.
- If your car or van doesn't have an alarm or immobiliser, then consider having one fitted.
- Consider extra security such as a steering lock.
- Never leave any property or personal documentation on display in your car or van, i.e. on the vehicle seat, as it only takes criminals seconds to smash a window and grab something.
- If you use a SatNav or a Dash Camera, make certain that you not only remove the device from view, also remove its cradle too; and, don't forget to wipe away any tell-tale sucker marks off the windscreen too.
- If you own a van, and are able to do so, make certain that all your stock and tools are taken out over night, and, consider parking it in such a manner that the rear and side doors are close to walls, garage doors or against other vehicles to hinder direct access or physical attacks against your vehicle.
- Security mark all of your tools and equipment to make items uniquely identifiable and less attractive to a thief. Also, you can register the tools and the security marks on [www.immobilise.com](https://www.immobilise.com) so that, if they are ever stolen and subsequently recovered at a later date, they can easily be traced back to their owner.

**1. Install the latest software and app updates.** They contain vital security updates which help protect your device from viruses and hackers.

**2. Use a strong, separate password for your email account.** Having strong and separate passwords for your most important accounts – including your email – means that if hackers steal your password for one of your less important accounts, they cannot use it to access your most crucial accounts. A good way to create a strong and memorable password is to use three random words, which are memorable to you, but not easy for others to guess. Other top tips include: • Secure your tablet or Smartphone with a screen lock • Always back-up your most important data • **Do not** use public Wi-Fi to transfer sensitive information such as card details • Watch out for fake websites • Use two-factor authentication for your most important accounts • Go to [cyberaware.gov.uk](https://cyberaware.gov.uk) to find out more or join the [@conversation](https://twitter.com/conversation) @cyberawaregov
