Editorial.....

We are pleased to find that Joy is making a good recovery and able to participate in some of her many interests in village life. In her role as parish clerk Joy has been the driving force behind many of the improvements and additions to village amenities and we owe her a great debt of gratitude. As many past and present parish councillors as could, assembled to thank Joy for her help and wish her a very happy retirement.

A new parish clerk has been appointed. He is Paul Wright who moved into the village a year or so ago. We wish him well in his new role.

Village Voice is fortunate that there are so many willing contributors and it is sometimes a struggle to fit everything in. Space availability is constrained by the income from advertisers and I have to purchase pages in multiples of four. I have, however, had something of a brain-wave (an incredibly rare event) – there are no constraints on the digital version! Where I have to sometimes severely edit a contribution, I can display it in full online. The newsletter can be found on the parish council's website: www.northfrodinghampc.org/villagevoice The digital version is in full colour! The website was set up by Adrian Wilson when he was a parish councillor, and he is continuing to maintain it.

Please keep the stories coming in – photos in particular are always welcome. If you have

something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support. Thanks, as always, to our contributors, advertisers and distributors.

Any spare copies of the newsletter will be available at **Cherrys garage**.

WOLDS WANDERERS

Far-reaching views from the Wolds Way, Yellow Toadflax and Hoverflies (photos thanks to Vicky) together with huge numbers of Marbled White butterflies (Ann's photo) were the highlights of a delightful walk in July. Starting from the old station at Kiplingcotes, we ascended to Arrass Wold Farm and took the Wolds Way down to the lane which led up to Goodmanham passing the flower-filled Rifle Butts Quarry on the way. From the far end of the village we joined the Hudsons Way railway line with its butterflies taking us leisurely back to our start.

We went further afield in August when Andrea led us from Ravenscar south on the Cleveland Way. We passed the WWII radar station and continued as far as Meeting House Farm where we turned to join the old Scarborough-Whitby railway track which took us back to Ravenscar. Going further north we had a look round the extensive site of the Peak Alum Works, the world's first chemical industry which operated 1640-1862. Alum was needed for fixing dyes. Also seen from here were several seals from the colony on the shoreline. Visible in the middle distance was the construction of the Sirius Potash Mine.

The photo below is from Ravenscar across to Robin Hood's Bay

From our Ward Councillors

A 'Go To' website for answers to questions on Health & Wellbeing.

Sometime ago discussions took place about how the council could help the thousands of micro businesses who operate in the East Riding with advice and guidance on looking after the health & wellbeing of employees.

It was decided the best way to make information accessible was to produce an easy to use website that would provide guidance & advice on a wide range of topics.

We then decided this would be useful to all residents not just businesses and as a result the happyandwell.me website has been developed and launched.

The Councils Public Health team have spent the last two years working with local health partners on the production of the new website which can help everyone connect to ways to improve their health

and wellbeing or get information on a variety of health-related issues.

From information about various conditions from cancer to dementia, for information on hobbies and exercise through to transport, the web site is a wealth of information to allow everyone to find ways of improving their health and wellbeing.

Logon to www.happyandwell.me to access the site for a wealth of information.

Parish Council

The July meeting received the news that our Parish Clerk, Joy Harris, had given us notice following her illness, and that advertisements had been placed in the local press and other media for her replacement. It was pleasing to hear that the History Group had plans for the newly refurbished Chapel during the summer.

Two Ward Councillors attended the July meeting with new contact details for the Highways Department, and news that legislation was coming in on septic tanks. This would affect those villagers whose homes are not connected to mains sewerage.

All invoices received had been paid.

Parish Councillors reported several problems around the village. The manhole cover near Cherrys had been

reported previously but had not been repaired, and grass around the bench on Mount Pleasant Road needed cutting.

Normally August does not have any full meetings, but 4 planning applications were received during the month and discussed by the Planning Sub-Committee following feedback received from Councillors.

Since the July meeting we have appointed a new parish clerk, Paul Wright and we held a little get-together to thank Joy for all her hard work and wish her a very happy retirement.

Due to various commitments, the next meeting has been brought forward to Wednesday 4th September.

The Summer Fayre on 27th July was combined with Frod Prod, and despite the weather not being good everyone who came enjoyed it. We had some super raffle prizes which helped raise £254.50 towards a new boiler. Thanks to all who supported the event.

We are holding a coffee morning every Tues from 10-11am. It's just £1.50 for a drink, cake and a raffle ticket. Do come along if you can for a chat and to keep up with the latest village news.

The next Frod Prod will be on Sat 5th October from 2-4pm. The tables are free so if you have anything homegrown, home made or handcrafted and want to join in, please let Heather or Paul know on 01262

481240. Please book early as we were nearly full last time, so don't miss out.

Coach trip to York on Tuesday 26th November for just £12 per head. A great day out for shopping, sightseeing, lunch or whatever you want to do. No hassle with driving or parking. Please let Heather or Angela know if you'd like to come.

This year the Christmas Fayre will be on Sat 30th November 2-4pm. Our star raffle prize will be a wheelbarrow of booze. Just in time for Christmas!! Tables are just £5 so please let us know if you'd like to book one. It promises to be a popular event with a great raffle.

The Old Vicarage Garden Open Day

Overall the day was a great success. We had 300 visitors, and raised £1300 for various nursing charities under the National Garden Scheme. The Nafferton Methodists, who did the catering, raised £700 for their church funds, and plant sales raised £100 for the Gamekeepers Welfare Trust.

We are very grateful to the Cherry family, who kindly allowed visitors to park in their yard.

Of interest for 2020: it may be possible to visit us, the Fraisthorpe garden, and Tithe Barn at Wansford all on the same day. Tithe Barn has 10 acres, a lovely lake with swans and cygnets, and an enviable orchid meadow, so is well worth a visit.

"All the Fun of the Fair!"

The North Frodingham History Group went on their
summer trip on 25th August to "The Flower of May"
museum near Scarborough. Members and guests had
a wonderful time and the weather was gorgeous. The
museum is a sight to behold with vintage cars,
motorcycles, buses, lorries, tractors and fully
working fairground carousels and roundabouts.

Lots of us went back to our youth and had rides on
them! There were plenty of other things to look at for
those who preferred their legs on *terra-firma*
including sea-side slot machines. We of a certain age
will remember them!

To round off our visit we sat down in the ballroom
for cream scones and refreshments – all in all, a great
day out!

Our next meeting is September 19th when Joy Harris
will give a talk entitled "Was the past so much
better?" Come and give us a try – we will be pleased
to see you!

Polly Stead

National Gardens Scheme opening, The Old Vicarage, 30th June 2019

After last year's very successful opening, we decided to do it again this year, raising money for various nursing charities under the NGS. This year a garden nearby in Fraisthorpe opened on the same day, which could have increased visitor numbers: of course I never got to see it, as I was too busy with ours!

There is a surprising amount of 'behind the scenes' organisation to be implemented, from registering the garden on the NGS website in the autumn, uploading photos, writing copy for the book entry etcetera, to publicity and signage when the opening is imminent. Not to mention the gardening itselffortunately my

younger son Jeremy is willing to do a lot of the heavier work, and only charges me £5 per hour! Matthew Pea and Gary Marshall take care of the grass and the hedges, which were all in great shape on the day.

The Nafferton Methodists provided catering services again, including furniture, this time there were sandwiches, which quickly sold out, as well as cakes. Jeremy and I had spent some considerable time over the winter potting up seedlings, runners and divisions of many of the plants, grasses and shrubs, which were for sale in aid of the Gamekeepers Welfare Trust. We did not sell all of them, so if anybody is interested feel free to call round, they are going cheap at a pound or two each.... We were lucky with the weather, although it was less sunny and more windy than ideal, it did not rain. We were also slightly short on helpers, my daughter Lucy was in Newcastle completing work experience with the BBC, and we needed someone on plant sales, as well as on the gate, the car park and toilet facilities. My brother, Lucy's boyfriend Jack, my friend Anne, my partner Tony and my two sons kept the show on the road. Again we are very grateful to the Cherry family, who kindly allowed visitors to park at theirs.

Overall the day was another great success. We had 300 visitors, and raised £1300 for the NGS. The Methodists raised £700 for their church funds, and plant sales raised £100 for the GWT.

Of interest for 2020: it may be possible to visit us, the Fraisthorpe garden, and Tithe Barn at Wansford all on the same day. Tithe Barn has 10 acres, a lovely lake with swans and cygnets, and an enviable orchid meadow, so is well worth a visit.

I try to develop the garden as the years go by, and had added a path into the winter garden and a seat this year. I had planned a turf maze and orchard meadow for next year, but sadly the large beech near the house is moribund owing to a charcoal fungus infection, and is going to have to be felled, many thanks to Mr Lovell of East Riding Arboriculturists for his opinion. This means losing a couple of plum trees and, temporarily, a significant area of the orchard for the arisings, so those plans will have to wait. However, my well known statue addiction is about to strike again!!!

Please do come and see us next year, it is all in a good cause.

Prof A Mortimer

Mature Mayhem

Our average attendance dropped slightly during the summer months due mostly to holidays, but we still managed to get our quorum for our Friday afternoon get together.

As to be expected we greatly missed our leader (Joy) during her absence but we all rallied round to keep the group going and have welcomed her back (on light duties only) now she is feeling better.

We meet every Friday afternoon in the Village Hall from 2pm until 4pm. Gentle exercises, table tennis,

badminton, soft bowls, scrabble, triominoes etc are all available along with a cup of tea or coffee and biscuits.

If you just want a natter or a break from monotony, come along and see what you think, and if you fancy a read to take home, we have paperback books aplenty to choose from.

Looking forward to seeing you.

From Terri Wardell, Business Manager, Leven & Beeford Surgery

We have recently been left some money from a couple of patients who have passed away. I saw an idea on the internet for 'Happy To Chat' benches, which I thought would be a lovely thing for both our sites to have.

<https://edition.cnn.com/2019/07/08/europe/elderly-chat-bench-trnd/index.html>

I have discussed with the partners and they are in agreement that we can go ahead but thought I would share the idea with you all. I am going to get two benches ordered – one will be placed outside the pharmacy and the other outside Beeford with a notice placed on both. Hope you like it! Kind regards, Terri.
