Jeannette on 07889683295 to book a stall

## Editorial.....

There have been lots of activities in aid of good causes: for instance this year's *Tour de Frod* raised well over £800 to be split between North Frodingham and Beeford Playing Fields and the Motor Neurone Disease charity MNDA and the recent Macmillan Coffee mornings organised by the YCA and PTFA raised over £645 between them. A great deal of effort goes into organising events like these and the people behind them deserve our gratitude and recognition.

The Youth Club continues to thrive with 20 or more children taking part each time but it does need more volunteers/helpers to ease the burden on Hannah and Jeannette. How about a loose rota to help occasionally?

Hannah and Jeannette are also very active with the PTFA and their poster opposite is for a Table-Top Sale in aid of that organisation (in case you were wondering.....) As Hannah says, tables are available and it's a great opportunity to de-clutter before Christmas. There is also going to be a Christmas Shopping night at the school. (More details further in the newsletter).

Please keep the stories coming in – photos in particular are always appreciated. If you have something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a tradesman and an advert in this newsletter

would reach every household in the village. We welcome your support.

## WOLDS WANDERERS

There was no walk in September due to so many being away on holiday. In October, a very unfavourable forecast drew only five hardy souls for a largely wet but otherwise enjoyable circuit between Millington and Givendale. Following the Minster Way past Little Givendale Farm, there was a steep grassy descent into Whitekeld Dale and then a gradual ascent to the church at Givendale and its pond (site of Robert Fuller's signature painting *Geese at Givendale*). From here we picked up the Chalkland Way passing through Brimland Wood and Grimthorpe Wood on the way back to Millington.

One of the highlights was the appearance of a small group of Roe deer but the most pleasing were several sightings of Red Kites. We were often alerted to their presence by their high-pitched whistles.

The gentle but persistent rain meant that the wider views were blurred by mist so that power stations, turbines and pylons were obscured and we could enjoy a pre-industrial landscape.

Photo at Givendale Church thanks to Ann

### Social Centre

By the time you read this, we will have a new boiler in the Village Hall which will make it a more pleasant winter. Over the past 18 months the damaged windows have been replaced, a new cooker purchased and fitted, and a new boiler installed. Thanks to everyone who has supported the fundraising to enable these improvements to take place.

Please support our coach trip to York if you can come, and also the Christmas Fayre to enable further maintenance to be carried out. It's now time for me to retire from the committee and for someone new, with different ideas, to continue. If you can help the committee in any way, please do get in touch or come to the next meeting which is the 1st Monday of each month.

Donations for the "Barrow of Booze" raffle prize would be most welcome and greatly appreciated.

Thank you, Heather.

# Driffield Navigation Trust

In aid of the restoration and upkeep of the historic Driffield Canal

## Enjoy a Boat Trip

Experience beautiful countryside and amazing wildlife, not normally seen from public roads. Boat trips are being run on the Navigation using the trip boat Lady Jayne during the winter months.

The trips are ideal for those who want to learn more about the historic waterway, for bird and wildlife watchers, or for a group or family celebration with a picnic and bottle of champagne.

The cost is £60 per hour. The cost per passenger obviously varies according to the number of passengers. Contact 01262 488599/07770937772 or 01377 270508 or visit [www.driffieldnavigationtrust.org](http://www.driffieldnavigationtrust.org).

We had our meeting on Thursday 19<sup>th</sup> September in the Village Hall with a very good attendance. We opened the meeting with “any other business” and everyone agreed that the trip to the *Flowers of May* museum had been a success and thoroughly enjoyed by everyone.

Our speaker was Joy Harris who gave a brilliant and thought-provoking talk entitled “Was the Past So Much Better?” Rose-tinted glasses made us all stop and think more than once! It was lovely to have Joy do the talk. Well done! Afterwards it was tea/coffee and a chat. The next meeting is on Thursday 21<sup>st</sup> November when it will be our AGM. Members are reminded to bring a small plate of food for our pre-Christmas buffet. See you all there!

Polly

**Mature Mayhem** is still going strong despite us all getting older. It is an opportunity to get out of the house and socialize and hopefully have a bit of fun. We get together each Friday afternoon from 2pm to around 4.30pm starting off with gentle exercises. Then there are more strenuous activities for those who feel like it, such as table tennis, badminton and soft bowls, or if you

Paperback Book Swap, which used to be held on the first Sunday of each month, has now moved in with us so there are also lots of books available for those who like to read. Perhaps you would like to join us.

Joan.

prefer table games we have a selection of those too. Tea or coffee and biscuits are available and opportunity for a natter.

## **Parish Council**

A good attendance of the Parish Council in October with just a couple of councillors swanning off on holiday. I'm new to the role of Parish Clerk and am the only paid employee. I think that I was expecting a kind of "Vicar of Dibley" environment and instead found myself in awe of this group of village volunteers, giving up their time to discuss and decide on village issues, some of which evoke opposing strong views. One of those items was that BT had announced that it wished to de-commission the village pay telephone. We established that it had only been used four times in the past year. The options were to remove the kiosk, appeal the ruling or keep the kiosk by paying £1.00 for it. We decided to see what some in the village thought by using the Friends of Frodingham Facebook group and the village was split three ways – an eyesore - get rid of, poor mobile signal -keep it as a working phone or keep it as a village resource – what could that be? We've got one more

meeting to go before we decide so I would appreciate your views. We also submitted the beginning of our re-drawn emergency plan to the Humber Emergency Planning Service so that we can offer leadership in the event of an emergency (at least until the emergency services arrive). Another big issue to arise that may affect some more rural members is that the Environment Agency will introduce General Binding Rules in relation to septic tanks that discharge into waterways, in January 2020. The detail of which is too complex for this article but there is a document relating to it on our website at [www.northfrodinghampc.org](http://www.northfrodinghampc.org) or on the Environment Agency website.

Our next meeting is on Monday 11<sup>th</sup> November at 7.30pm in the village hall and you are welcome to attend. If you have any issues that you wish to bring to the attention of the Council then please do not hesitate to let me know.

Paul Wright

## **Ward Councillors**

Some years ago, we offered to arrange for the 21 parish councils in the East Wolds & Coastal Ward to come together to discuss issues of local importance that pertain to the role of East Riding of Yorkshire Council with the relevant council officers or Directors. The cluster meetings have proved to be very popular with many parish councils & a representative of North Frodingham parish council has always attended.

Our most recent parish council cluster meeting took place on 10<sup>th</sup> October and Paul Bellotti Director for Environment & Communities attended to answer questions on matters raised by parish councils relating to a variety of topics covering highway issues of speeding, speed reactive signs, parking & potholes, we also discussed the new legislation relating to septic tanks, dog fouling & fly tipping.

Paul Bellotti was able to hear first-hand the views from parish councillors, he went on to outline the role of his directorate & also took away several tasks with the promise of responding in due course.

We believe that by bringing parish councils together in an informal setting, inviting them to set an agenda which relates to matters of local interest that they can

then raise with East Riding of Yorkshire Council, is a method that has proved useful for everyone concerned and very productive.

Our aim is to continue to offer parish council cluster meetings for as long as councillors in the East Wolds & Coastal Ward find them useful.

**Data Intelligence** For a number of years East Riding Council has hosted a 'Data Observatory' which is an on-line repository for a host of facts and figures regarding the East Riding. This has now been replaced by a new Intelligence Hub, which hosts a huge range of data and statistics covering the East Riding from demographic information to health statistics. This information can be brought right down to Parish Level. The Council and it's partners in the Police, Health and other services utilise this information when planning their services and anyone looking at obtaining grants can access this data to build their case, so is an invaluable tool for the voluntary sector. This information is available to all and even if you do not have a use for it, it's a wonderful 'tool' for discovering facts about your area.

The web address is <https://intel-hub.eastriding.gov.uk>

Jane Evison and Jonathan Owen

The PTFA are organising a Christmas Shopping Night at North Frodingham Primary School, with various stalls selling gifts perfect for Christmas. It'll be open 6pm til 8pm on Thursday 21st November, and refreshments will be available. All are very welcome.

## AD Plant Update

Dear Residents

It has been some time since we published our last update regarding the monies raised and held in the AD account. Just to remind you all the monies raised from donations, events and the calendar sales totalled £34,207.09 after all the professional and sundry expenses the balance held in the NOW Community

Action Group current account is £29,488.76. The income and expenditure accounts have been verified by Jackson, Robson, Licence Chartered Accountants. The committee members agreed to hold the money for 5 years until 2022 if it has not been used before then as a fighting fund for any AD or waste plant threat to the 3 villages.

Angela McKie

[www.achurchnearyou.com/north-frodingham-st-elgin](http://www.achurchnearyou.com/north-frodingham-st-elgin)

**DECEMBER SERVICES** are as follows;-

Sun. 8th Holy Communion - at 9.30am as normal.

Sun.15th Village Carol Service - at 2.30pm - followed by mulled wine & mince pies. Everyone welcome.

Tues. 24th Crib Service - at 3.30pm. (A service suitable for the very young & the not so young).

Tues. 24th Holy Communion - at 9.00pm.

Sun.29th Benefice Holy Communion - at 10am.

### Notes

Thank you to all those who decorated the church for our Harvest service in October. Thank you also to all those who provided the supper, it was much appreciated.

It was lovely to be able to welcome the schoolchildren to church on Monday 4th Oct. for their Harvest Festival Service, well done to those who took part and thank you to all those who made it possible.

We are delighted to welcome back 'Pastiche' on 6th. Dec, following their 'Proms' concert last year, to perform a Christmas Concert in the Village Hall, we hope you will join us to enjoy their festive performance.

Our Carol Service this year is on Sunday 15th December and we have our usual services on Christmas Eve (see above). We look forward to welcoming you over the Christmas period and wish you all a Happy and Healthy 2020.
