Editorial.....Time for a change No 2.....

The second issue in my year's notice of standing down. There wasn't much feedback after the last issue but there's plenty of time yet. There are so many calls for volunteers, I'm not surprised at the lack of response.

The Youth Club are reverting back to term-time only – I guess they could do with more helpers.

These volunteers have been hard at work and there are some big events to look out for: the PTFA are holding a table top sale on March 15th and an Easter Egg hunt on April 5th, all in aid of the school.

The YCA are holding a Marie Curie Tea Party at the Social Centre on 7th April at 2pm.

Our parish clerk Paul would like to hear from you if you have a view on enhancing the look of the village through short, medium and long term projects and finding the funding for doing the work. He has a dedicated email address: northfrodpc@gmail.com

Please keep the stories coming in – photos in particular are always appreciated. If you have something to put in but can't send me a digital file, handwritten copy will suffice and I will type it up. You may have a service to offer or be a tradesman and an advert in this newsletter would reach every household in the village. We welcome your support.

Driffield Navigation Trust

In aid of the restoration and upkeep of the historic Driffield Canal

Enjoy a Boat Trip

Experience beautiful countryside and amazing wildlife, not normally seen from public roads. Boat trips are being run on the Navigation using the trip boat Lady Jayne during the winter months.

The trips are ideal for those who want to learn more about the historic waterway, for bird and wildlife watchers, or for a group or family celebration with a picnic and bottle of champagne.

The cost is £60 per hour. The cost per passenger obviously varies according to the number of passengers.

WOLDS WANDERERS

A wet start to our January walk meant seeking refuge in various cafes in York but we emerged to a brilliant sunny afternoon for a straightforward walk along the banks of the Ouse. Starting from Parliament Square we headed down river beyond the Millennium Bridge, turned when the mud got too deep and headed back the far side through Rowntree Park to Lendle Bridge then caught the bus back to our car park at Grimston Bar. **Photo by the Millennium Bridge thanks to Ann Storms** Ciara and Dennis thwarted our hopes for a February outing coming as they did on successive weekends.

MARIE CURIE TEA PARTY

We are holding a tea party in the Village Hall on Tuesday 7th April at 2pm. There will be the usual cake stall, raffle and tombola, entry £2 to include tea & cake. Do come along and join us for a drink and a chat and help us to support Marie Curie Cancer Care.

Parish Council

At our recent meetings it was decided to establish a committee to look at enhancing the look of the village. We are currently in the process of drawing up short, medium and long term goals and need the help of the village in getting ideas to consider and to find ways to fund the enhancements. If you have any ideas please make contact with me. Our contact details are on our website at <http://www.northfrodinghampc.org>

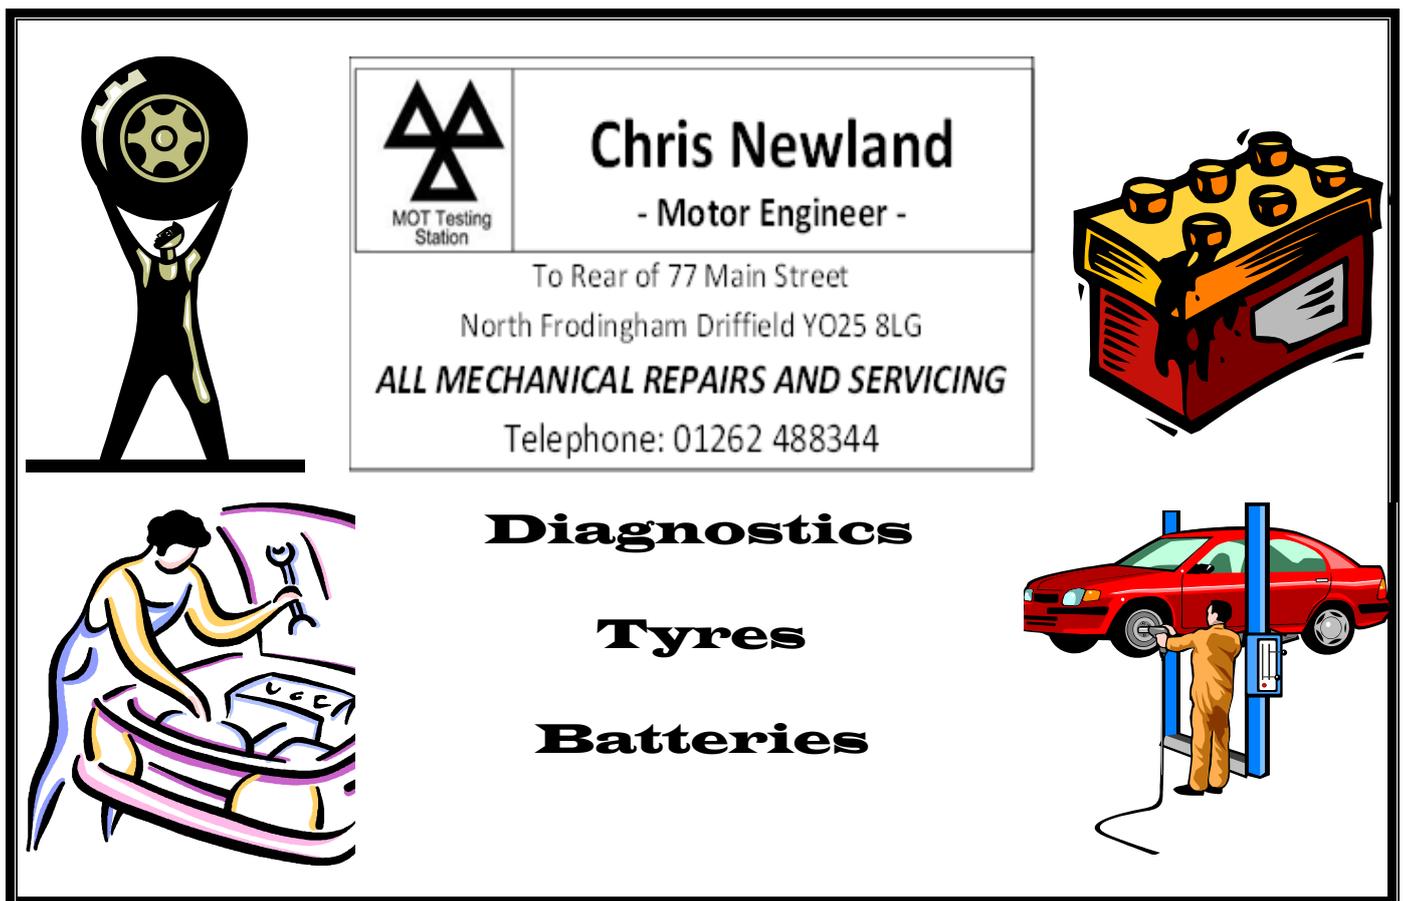

We are also in the process of upgrading our Community Emergency Plan to try and give us some control over issues caused in the event of an emergency. We are hoping that discussions between ERYC and Environment Agency will result in a solution to safely re-opening Foston Bridge to walkers. Council has also agreed to a two- yearly maintenance plan to manage the tree stock in the village cemetery and an arborist has been appointed to undertake the work. It has also been agreed to purchase two additional litter bins to try and encourage a litter and dog poo free village. Additional signage has been put in the

village indicating that offences may be committed by those not picking up their dog's mess. It has been discussed with the Dog Warden Service about prosecution of offenders although we hope that won't be necessary.

May I also take the time to plug a brilliant community resource on social media? Set up by the community to keep each other informed is the Friends of Frodingham Facebook group. It has nothing to do with the Parish Council but I do use it a lot to get feedback on village matters.

Our next meeting is on Monday 9th March at 7.30pm in the village hall and you are welcome to attend. Local Councils are subject to rules that do not permit us to discuss **and** decide unless the item is on our agenda so If you have any issues that you wish to bring to the attention of the Council then please contact me at least a week before the meeting so that consideration can be given to put on the agenda.

The History Group

There was a good turnout at the first History meeting of 2020, with our new committee members in place it was down to Joan to collect the subs.

Trying to keep warm (as the heating was late coming on), Joy started proceedings with introductions and relevant reports.

Being the start of the year we had planned to use the evening to do some brainstorming for ideas of talks members would be interested in hearing over the coming year.

To get the grey matter warmed up we had a competitive game of beetle which consisted of a lot of dice rolling and trying to draw a beetle, it was a lot of fun.

In between games we jotted down our ideas for talks, visits and projects.

Joy had kindly provided a buffet which was enjoyed by all.

The next meeting is Thursday 19th March at 7:30 in the Village Hall when there will be a speaker on Bells Mill (Bradshaws) of Driffeld.

If you would like to join us for this meeting, or any subsequent one, you are more than welcome.

Anne

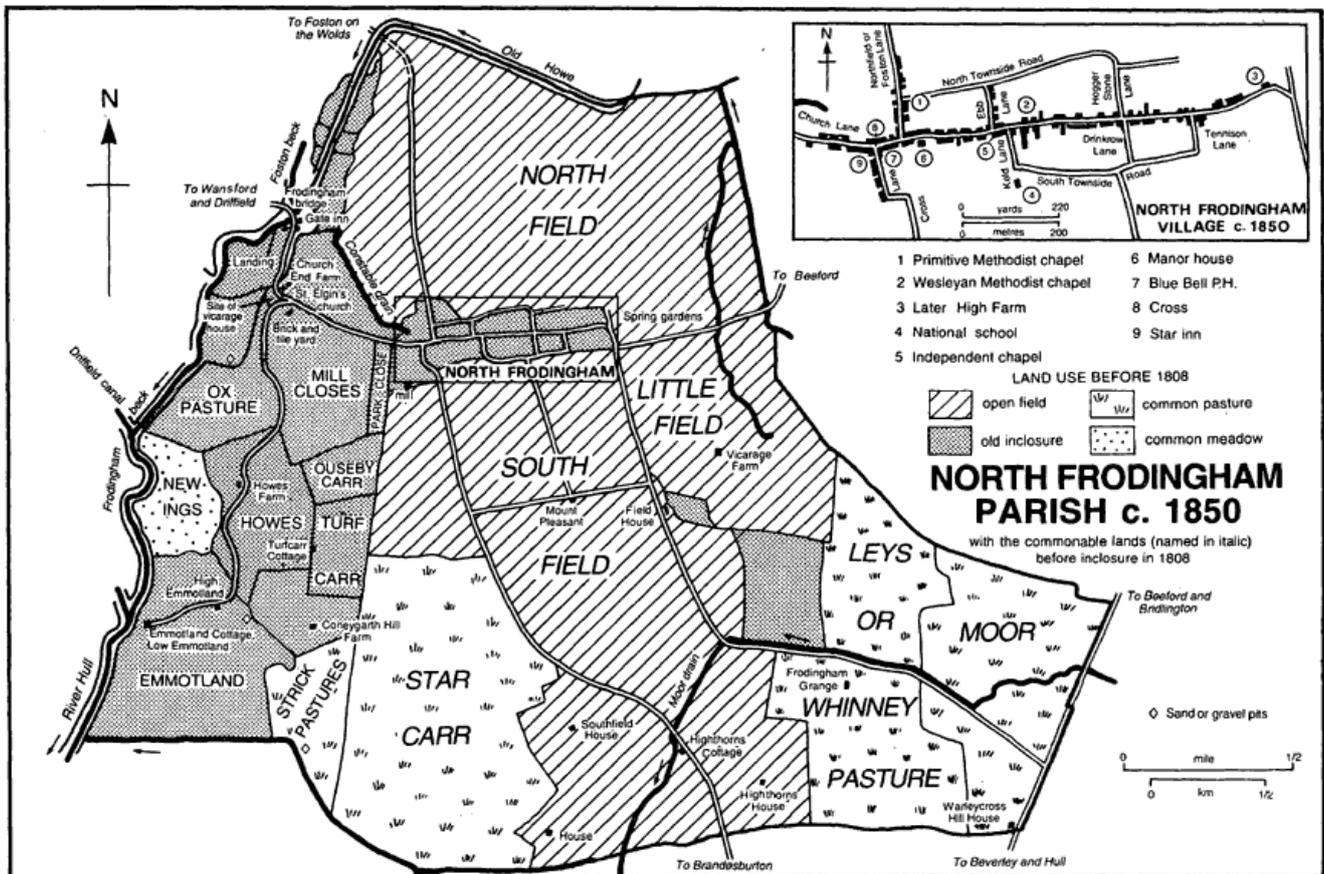

History of North Frodingham:

In the 1901 Census there was a population of 555 registered.

This remained constant until the end of the 1970s.

In 1981 the population had risen to 647 and in 1991 it was 716.

The last census in 2011 shows 830 people registered, the next census is due in 2021, I wonder how big the village will have grown?

The PTFA will be holding a table top sale on the 15th March from 10am until noon. We are also having an Easter Egg Hunt around the village on the 5th April for all the community to enjoy. There will be refreshments, 20p games, raffle prizes etc. All funds going to the School. Watch out for the flyers with more information. The PTFA would like to thank the community for their continued support. Jeannette.

The conservative groups budget which was agreed included some specific funding not included in other proposals which should benefit residents across the East Riding. The £1.6 million included amongst other items:

Tree Planting Community Fund - £200k of grant funding will be made available to Schools, parish councils & other community groups to compliment other tree planting schemes across the East Riding

Local Flooding Resilience Fund - £500k grant funding available for those small schemes to help communities achieve improvements which would never attract the funding allocated to larger projects.

Active Communities - £200k to build on the success of the Active Coast work and bring leisure & sports initiatives to inland communities

Coastal Town Seafront Improvement Scheme - £200 for small scale improvements to main coastal towns

Sunday Parking Pilot Scheme - £80k to allow free parking on Sundays out of season in Bridlington & Hornsea

Young People Business/Schools Career Adviser - £200k will fund a post for 3 years to work with business, young people and schools to ensure they are aware of the career opportunities associated with business development in the East Riding.

Tour de Yorkshire - £15k fund making grants of up to £500 available for parish councils and local groups to use to decorate the route of this year's cycle race as it passes through the East Riding.

75th Anniversary of VE Day Community Fund - £20k of funding available for grants for parish councils or local organisations who wish to mark the historic event with celebrations.

Jane Evison and Jonathan Owen

From the Ward Councillors

Councillors have agreed to increase the council's part of the council tax charge in the East Riding by 3.99% for the 20/21 final year, which included 2% allowed by government to raise money for Adult Social Care. This helps towards the savings the council needs to find to meet the growing cost of delivering its services, which are forecast to increase to nearly £20 million by 2023/24.

Mature Mayhem

Despite the bad weather, we are still enjoying our Friday afternoon get-togethers.

We start with gentle exercises which also helps to get the blood flowing and warm us up. Then on to something a bit more energetic for those who

wish, not forgetting the tea/coffee and biscuits and of course a good natter.

In early February we had our annual dinner at the Blue Post. It was very well attended and we all enjoyed both the excellent food and the evening out. Many thanks to all who helped to make it a success.

Paperback Book Swap is also held at the same time where anyone can come and swap one book for another. We try to have a turn around every now and then so there is something different from which to choose.

Joan

Neighbourhood Watch

Hopefully you are all getting safely and comfortably through this wet and windy weather.

Something more uncomfortable is the multitude of scams going around at the moment; the latest for me was telling me that my Amazon account would be debited by "a certain amount"; and all I had to do was press ONE on my phone!

Well, I don't have an Amazon account so that was easy for me; however, for those who do have one; **DON'T PRESS "ONE" ON YOUR PHONE!**

Please be careful when confronted with these types of telephone or internet scams, **IF IN DOUBT, THROW IT OUT**, or put the telephone down on them.

I heard on the news of someone down south who had a call from their bank saying there was a problem with their account; could they verify their account number.

REMEMBER; the Banks NEVER REQUEST MONEY OR YOUR ACCOUNT NUMBER OVER THE PHONE OR AT YOUR DOOR! And the Police WILL NEVER ASK YOU FOR MONEY.

I received a telephone call recently supposedly from my Visa company, telling me that a sum of £300 had been taken from my account **14 minutes ago**, press 1 if this is correct or press 2 if this is wrong.

I promptly put down the telephone and called my bank **on a different phone line altogether**, just in case they had my phone "fixed" to go straight to

them. My bank confirmed that no such amount had been removed.

Please be aware that these scammers may be the scum of the Earth, but, unfortunately, they are very clever too. **Please don't get caught out.**

If you don't know who your Neighbourhood coordinator is, please call me on 01262 488 640, and I'll be able to inform you. Our next meeting is 7pm March 16th at the Social Centre.
