

North Frodingham

Village Voice

October & November 2012

Editorial

One way or another it has been quite a summer: Jubilee Celebrations, Olympics, Paralympics, mixed weather...

We hope that you have some good memories to look back on, and we would welcome some of these stories, **pictures** to publish in the next Village Voice. Also 2012 Frodingham pictures.

For many of us we now look forward as we settle into our regular routine, but don't forget that each day gives you 86400 seconds to use. Don't waste them.

Again we must thank the volunteers that have distributed Village Voice.

As always, we are dependent financially on our costs being covered by the adverts. So please try to support these local businesses when it is appropriate. Use them or lose them !!! We hope also that the handy references to village services cover your needs.

We aim to include reports on regular village activities so if you have information on them please let us have it sooner rather than later

We aim to cover the key items in the village, eg church, school, PO, pub, neighbourhood watch, Parish Council etc

Also if you are running a business in the village we would welcome your support, hopefully to our mutual benefit. **We aim to publish the next issue in time for Christmas events, notices & adverts**

Do you have a particular interest that you would like to share with others in the village eg Family history, crafts, photography etc

Deadline For Inclusion In The Next Issue: Wednesday 31st October 2012

Message from Ward County Councillors : Jonathan Owen & Jane Evison

Planning

The recent government announcement on proposals to reduce the red tape in connection to house building and planning and in particular the desire to make it easier for families to undertake home improvements by removing the need to apply for planning permission has created an amount of interest.

The proposals are to increase existing permitted development rights for extensions to homes and business premises in non protected areas, this would mean that the need to apply to the local authority for planning permission for conservatories and small scale extensions will be removed.

It is worth highlighting that the government intends to consult local authorities on these proposals first and that they would only be for a 3 year period.

Wold Business Week

Following the first Wold Business Week, this year's week of events will run from 1st – 5th October, for further information contact Adrian Shaw at ERYC.

the format will be as follows:-

Monday 1st October - Careers 4 U at The Spa

Tuesday 2nd October – Business Seminar including Bridlington Area Action Plan presentation

Wednesday 3 /Thursday 4 October -International Nature tourism Conference held by Yorkshire Wildlife Trust @ The Spa. www.yorkshirenaturetriangle.com

The Draft Strategy has just completed the consultation process and will be presented to ERYC Cabinet later this month; some of the challenges refer to Broadband coverage, fuel poverty, farming, business development, rural transport & housing.

Just something you might wish to add to Jonathan & my submission to the above. We have both received copies of the North Frodingham Local History Group' A Feast of Frodingham' We would both like to say how impressed we are with the book, because we know Nth Frodingham it has made fascinating reading full of interesting facts that link the village at different times in our countries history. A great read that we thoroughly enjoyed reading. Well done Nth Frodingham Local History Group. Jane

Local History Group

The History Group enjoyed a visit to Hornsea Museum in July, started by Dr Walker in 1978; it was a most interesting evening.

First of all we went into the Laundry, with its mangle and copper, scrubbing boards, poshers and drying rack. Then we went to the Workshops with all the old tools and cart bays, & then to the brickworks and railway section.

The next interesting thing for me was the old Schoolroom with the pupils' desks and the teacher's desk right at the front of the classroom. It took me right back to my days at Paisley Street School in Hull.

Then we went round the Hornsea Pottery section, this was fascinating as I used to work at Hornsea Pottery in the 1960's. I could not believe how many different designs of Hornsea Pottery there are.

Then to the Kitchen, with its magnificent ingle-nook fireplace, dating from the 1700's, and even a very old refrigerator. The Parlour came next, where we saw the family Bible, an aspidistra and an unusual barometer. Upstairs and into the Victorian Bedroom with a half-tester bed, baby's cot and bottle warmer.

We then went down into the Dairy, which showed all the implements for making butter. One very interesting exhibit was a worker's garment decorated with Hornsea smocking.

What a fascinating evening! Our next meeting is on Thursday 20th September so why don't you come and join us, you will be made most welcome, and why not visit the Hornsea Museum as well?

Mercia Judson

North Frodingham Y.C.A. (Yorkshire Countrywomen's Association)

Meetings of the Y.C.A. are held in the Village Hall on the 2nd Wednesday of each month starting at 7.15pm. Annual membership is £10, visitors £1.

At our August meeting we were treated to a facial by Temple Spa beauty products. A last minute change to our programme, this was a relaxed and fun evening.

In September our speaker Dr Emma Dawber showed photographs and told us about her trip to the Antarctic to take part in the Last Desert Race, part of the Racing the Planet Challenge.

Future Meetings

Oct. 10th Travels with Mr A. Rudd, comp: 3 homemade biscuits.

Nov. 14th Flower demonstration by Mrs Ann Briggs, comp: A Christmas ornament.

Other Events

Thurs. Oct. 25th East Riding Area Meeting at Woodmansey.

Wed. Oct. 31st Y.C.A. Autumn Meeting at Nether Poppleton

Why not come along and join us, new members are always welcome, just come along to a meeting or for more information you can ring Ann Briggs on 488420, or speak to any Y.C.A. member.

North Frodingham School

Dear All,

We have just welcomed our pupils and parents to a new school year at **North Frodingham Primary**, with new faces in Foundation and Years 2, 3 and 5.

Much has been happening inside the school during the summer holidays and we now have three completely refurbished classrooms and a new cloakroom area. Contractors and staff worked very hard to ensure that the school was ready for the beginning of term and we are all thrilled with the light, airy learning spaces.

We have welcomed Miss Dean to Foundation. She is covering the class during Mrs Wilson's maternity leave. Mrs Wilson now has a beautiful baby girl.

The Autumn Term in school means Harvest Festival. This year our theme is 'growing things' and is linked with Fair Trade. Rather than asking parents to donate produce, we are asking them to support our Fair Trade stall. The stall will have a range of goods for sale, including craft items and food.

You are very welcome to come along to
Our Harvest Festival on
Wednesday 3rd October
At 2.30 pm.

Refreshments will be
Available from 2.15 pm.

An invitation to Gembling Primary School

This term, Gembling School celebrates its 140th anniversary. If you were a pupil or member of staff at Gembling in the past, then you are invited to an open afternoon on Thursday 25th October 2.30 pm. Please come along and share your memories. If you have any photos or memorabilia that you would allow us to copy, please get in touch. (01262 488238)

The Stay and Play sessions, for parents and carers with children under 5, start this week and then on 11th October, 8th November and 13th December. Sessions run from 9.00 – 10.30 a.m. and include soft play, music and movement, creative play and singing.

Best wishes

Mrs J E Moat (Executive Headteacher)
North Frodingham Primary School
01262 488227

Jellytots

We are open every Wednesday morning during term time so please spread the word. Finally a big thank you to all the parents who turn up each week and offer us their help we couldn't keep the group going without you.

Calling all dog owners

There has recently been several complaints regarding dog fouling throughout the village. Would dog owners please be responsible for their dogs and clean up after them. Thank you.

Parish Council

The Parish Council met Monday 3rd September having enjoyed an August break. The Agenda was posted on the Noticeboard as usual and worked through without any problems. During the summer the Parish Council bought a new ride-on mower and hand mower for use in the Village Cemetery etc. The Council would like to thank residents for their forbearance during the period it was without the use of a mower, sadly the extremely wet weather made it impossible to predict a time when Mr Stevens could hire and make use of a mower from Cherry's garage. However the grounds are being gradually restored to their well-maintained state and the longer grass did not seem to detract from the children's use of the new playground.

Social Centre

The final sign-off of the new playground has been completed, releasing money to pay the supplier, and to purchase benches, bins and a new hedge strimmer. The grounds are gradually being brought back into a satisfactory condition, although more work is still outstanding. A proposal for a skate-board ramp is being considered, and it is planned that the 'kicking wall' will be decorated with a village themed mural. The Village Hall itself is in a reasonable state of repair, although some of the double-glazed windows are in need of replacement, and

Next meeting the Council will be discussing work to be undertaken at the Millennium Garden, and the possibility of investing in some new shrubs to brighten the corner. It is still hoping that some-one will volunteer to take care of the garden around the War Memorial. The area is quite small requiring minimal occasional weeding and an annual pruning of the hedge. Please respond to any member of the Parish Council.

The next meeting will be held in the Village Hall, Monday 8th October 2012, at 7.30pm. Residents are most welcome to attend.

Thank You

North Frodingham Playing Fields would like to thank Mrs Dorothy Allman for the kind donation of a strimmer in memory of her late husband "BLACKIE"

there is still some work to be carried out on the radiators in the small meeting room. The Committee will be considering how to raise the money for this work, and for the ever increasing utility bills. The hire increases that came into effect on September 1st will help with this, as will 'Bingo' which will start again during the school half-term. Information about this will be posted on the noticeboards closer to the event.

If there are any residents who would like to join the Social Centre Committee, please do not hold back; we could certainly use some new ideas for making full use of this enviable facility.

RICHARD MARWOOD

contents seized, the males were arrested and charged with going equipped to commit burglary. The vehicle's tank was also dipped to test for red diesel. The vehicle appears to be registered to an address in the Hessle area, the resident of which is known to Humberside Police - the registration being R922 GAG. Please be vigilant.

From Pippa GRAVIL Special Inspector Recruitment & Marketing Driffield PS

A caravan was advertised on Gumtree for £1000, being sold by EBay Motors. The vendor made contact with the interested purchasing party and arrangements were made for the monies to be paid via Western Union. The caravan was said to be in Spain as was the Western Union account. Gumtree have contacted the interested party and suggested they made contact with the police, as the £1000 was paid, but the caravan has appeared for sale once again on the website.

Please take this as a warning to be very mindful when purchasing goods via the Internet. These incidents are becoming more frequent.

A resident in Highside encountered a male trying the door handle of the property. The home owner opened the door of the property on the latch to find a male stood there who claimed he was there to sort out aerials. The male was described as a white male, mid 30's, 5'7" plus, brown short cropped hair on the sides, longer on top, white T-shirt with red/orange logo (no specifics), possibly wearing jeans. He had his right arm in plaster. He spoke with a northern accent, no vehicle seen and the direction of his travel when he left the premises was unknown.

A male has been offering aerial photographs to residents in a number of villages, including North Frodingham. The price for these photos seems to vary between £30.00/£40.00, but one resident to whom he spoke in Gembling offered the photo at £40.00, which she advised was too expensive, at which time he reduced the price to £25.00, but said to her if she made the cheque out for £30.00 he would give her £5.00 change! One resident in another village who signed a cheque but did not check the amount found to his cost that the amount on the cheque had been modified to read £3,039.00 instead of £39.00 as the price was originally quoted and to which he agreed! To date this male has been offering the photos in North Frodingham, Gembling, Langtoft and Kelk. If anyone is approached by a person/persons offering aerial photographs and the modus operandi is similar to the above, do not fall victim to his sale banter and if possible obtain a vehicle registration and report it to Humberside Police.

For the benefit of farmers in our area, Farmwatch were able to assist Humberside Police a few days ago with the apprehension of 4 males in a white Transit van who were seen driving into farm yards during the early hours, seen to drive around the yards and exiting without stopping. Viewed as suspicious behaviour, the vehicle was followed around the Pocklington/Nunburnholme area and stopped by Officers. Following a search of the vehicle and

Wolds Wanderers

Our July meeting, started at Hutton le Hole and headed for Lastingham where we took time to look round the church with its deep crypt before getting onto the moor. Walking through the flowering heather, we gradually ascended to Ana Cross and Rosedale Chimneybank with superb views all round. A leisurely return via another path across the moor brought us back to Hutton, rounding off a good day out with tea and scones in this very pretty village.

In August, we returned to Lastingham, taking a very different route up through woods onto the moors.

The heather wasn't as far on in flower as it should have been because of the season but, never-the-less, it was very pleasant.

We took a curving path to arrive at Ana Cross and then had a leisurely descent with far-reaching views across the Wolds. On our return to Lastingham, we treated ourselves to tea and cake in the very attractive gardens at the Grange Hotel.

We meet once a month on the second Sunday and our walks of between six and eight miles are frequently on the Wolds but also include the North York Moors.

We are very fortunate to have such a wide diversity of countryside within reach. If you fancy a pleasant walk in good company, give Peter a ring on 488983.

Young Peoples section from Sophie

I can't believe the summer holidays are over, I've had an awesome few weeks which included going down to Windsor with Nicola and the grandparents and going up to Edinburgh on the train with Nicola. Although I've loved the holidays I've missed my friends and that special someone too; I think in my generation's minds, deep down, they are looking forward to school, maybe not looking forward to the lessons but to friends. I know I'll have lots to talk about from going to the fringe festival to helping out at the toy library in Gilmerton. Once we go back to school there will be a change in the school day on Wednesdays we shall be finishing three quarters of an hour earlier than usual at 2.45pm. We'll still have five lessons but they will be 55 minutes long.

Finally, we (social centre committee) would like it if we could have some volunteers to come forward to help change the kick wall into a mural wall, at half term most probably, I will be informing the primary school once the term starts again, also it would be much appreciated if anyone could donate some paint of any shade so that we have some resources to start with, thank you.

Driffield Probus Contact Secretary – Eric Fowler 01377, or David Bannister 01262 481717

The Driffield Probus Club was set up for retired professional / business men of the town and its surroundings. We meet on the second and fourth Wednesdays of each month in the Sidings Restaurant at Driffield Station.

On the second Wednesday we meet at 10:30 am for a coffee morning, consisting of club business and a general discussion of topical issues. We avoid politics and religion with the emphasis on humour. We have quizzes, discussions on chosen topics and hobbies.

On the fourth Wednesday members meet for lunch at 12:30 with excellent food (a choice of menu), followed by a speaker. Recent subjects have included hearing dogs for the deaf, penal colonies in Australia, a good laugh with the Rev Robert Amos.

The Club arranges a number of excursions during the year, to a variety of venues, such as a day trip to Chatsworth Country Fair, Sherburn Aerodrome, the North Yorkshire steam train to Whitby..., often accompanied by our wives. Twice a year our lunches benefit from invitations to our wives. We have regular visits to and from other Probus clubs in Yorkshire.
