**Deadline For Inclusion In The Next Issue: Tuesday 30<sup>th</sup> April 2013**

## **Editorial**

You will have experienced significant flooding in the River Hull drainage area and the pictures in the last edition of Village Voice are clear evidence. Without specific pumping, this is a natural state. Compared to the rest of the country we have been lucky to avoid the flooding of many domestic properties. However, as I understand it, The Environment Agency are intending to switch off the down stream pumps permanently – they cannot be maintained. The Parish Council were informed by our County Councillors that they did not believe that the Environment Agency had ANY MONEY FOR THEIR MAINTENANCE. Surely that is a question of priorities, and since there is a shortage of prime farmland in this country and therefore we import a large percentage of our food, the East Riding should be a priority for flooding protection. What do you think??

In several editions of Village Voice we have put in a request for dog owners to be mindful of the need to clear up their dogs mess.

While most of you do this, there are still many examples of dog mess on our pavements and footpaths. I suspect that it is generally

be keep free of dogs mess, eg Mount Pleasant Road which is used by pushchairs & wheelchairs. Please have consideration for your follow villagers.

known that ALL areas with public access are expected to

Again, we must thank the volunteers that have distributed Village Voice. There are nearly 350 residences in the village and outlying farms and their help is very important. If you think you could help with this distribution please contact us. If VV didn't arrive on your doorstep, I must apologise. However, we have put spare copies in the Post Office where one can be collected.

We would like to feature all our local businesses in these pages. Financially we are dependent on our costs being covered by the adverts. So please try to support these local businesses when it is appropriate.

Also we try to cover all aspects of village life and believe that the Church, School, PO, & pub are fundamental to providing this identity. Sadly we don't have a school report this time.

### **Can anyone help?**

A lady at Mrs Ake's funeral inadvertently picked up a spectacle case with spectacles inside belonging to Anne Reed. Could the lady, or anyone knowing her, please contact Anne at the Post Office (01262 488233) to arrange their return. Thank you.

## **Advertisement rates**

As we prepared this edition we learned of the sad death of Geoff Crowther, our printer who had done an excellent job.

However we have now found another local printer, slightly more expensive. For this year we will keep advertising costs fixed and will review costs at the year end.

### **(B&W)**

Creditcard size	£4.00
Quarter page	£7.00
Third page	£8.00
Half page	£11.00
Full page	£20.00

Again we have used colour for this issue. Future issues will depend on circumstances: When we have sufficient funds in our accounts (we are non-profit making) we could publish some pages in colour with your pictures relating to life in the village. **If we get sufficient pictures in we plan some colour pages next issue.** Joy, Peter & I have run out of suitable pictures

Independently, if our advertisers would like colour adverts then again we can publish at times to suit them at these rates

### **(COLOUR)**

Creditcard size	£10.00
Quarter page	£14.00
Third page	£16.00
Half page	£21.00
Full page	£38.00

### History Group

The January meeting of the History Group was very well attended with over 25 members joining for another year. A subscription of £5 was considered to be very good value for five meetings (with speakers) and outing and an annual buffet, over the year.

Mr Christopher Wright, retired harbour master at Bridlington, gave an interesting talk about the history of the harbour. Although quietly spoken, and without the benefit of illustrations, Chris was able to keep the audience fascinated by details of the early construction of the harbour, its current use and the difficulties it faces with regard to financing. Whilst we were surprised to hear that the Bridlington fishermen landed the highest catch of shell fish in England and the highest catch of lobsters in Europe, there was also a lot of concern about his description of the overall decline in the amount of fish being caught off our coast. We were also concerned to hear about the silting of the harbour, courtesy of the vagaries of the tide in Bridlington Bay, and the potential impact of the proposed Marina on the number of pleasure craft using the harbour. Our Chairman, Polly Stead gave the vote of thanks after which members were able to enjoy light refreshments and a good gossip amongst friends.

Distribution of the 'History of Frodingham' has continued steadily as residents became aware of its existence. There are copies still available for any household that has not had a copy as yet, simply contact one of the Group members or call at 89 Main Street, copies are free to residents or a donation to the group would be welcome from non-residents.

Next meeting March 14th, 7.30pm in the Village Hall, visitors and new members welcome

## Haircraft

**JO'S MOBILE SERVICE**  
**Ladies & Gents**

## **Blue Post News**

**-Keeping you post'ed**

- **We have a new arrival at the Blue Post...** a baby grand piano! Everyone agreed our piano, wonderfully played by Carol, made our Valentine's evening very special and we look forward to many more evenings enhanced by its charm. And if you're an aspiring pianist you're welcome to come and try it out!
- **VE day – a weekend of 1940's themed events...** to show our appreciation of Victory in Europe day we are planning a weekend of events the **1<sup>st</sup> and 2<sup>nd</sup> of June**. Expect stalls, live music and all manner of 1940's themed festivities.. all we expect of you is a little 1940's dressing up and a lot of fun! If you would like to help with the planning of this event or have any ideas on how we can make this a great weekend for all villagers we are holding a meeting with complimentary tea, coffee and light supper from 7pm Monday 25<sup>th</sup> of March, please ring Elaine in advance on **01262 488 300** to let us know if you want to get involved!

## Scarborough Hospital

On the 17<sup>th</sup> November 2012 I had to go into Scarborough Hospital for a left knee replacement. I was operated on very soon after booking in to Ash Ward and would have been discharged on the 19<sup>th</sup> if my blood pressure had been ok but as it was I had to stay one more day.

I would just like to say that I was treated with the utmost dedication by all the staff, and nothing was too much trouble. The food was first class and plenty of it with a good choice on the menu. If you have to in to Ash Ward you will be very well looked after.

F.A.W.

## 'The Special Years'

I would just like to say a big thank you to everyone who has bought my book 'The Special Years'. Also to those of you who are trying to sell it or promote it for me. It is much appreciated. Several people have been back for another copy for friends or family, which is encouraging, So much so that I am now looking further afield for other outlets.

Once again, thank you.

Keith Syers (the dog-man)

## Young People article

I am writing this in my ICT lessons as I have finished all of my coursework. We have two lessons a week now that we have nothing to do except revision and homework. It's about 9 weeks until our year leaves for study leave which seems quite daunting; we've been to school for 11 whole years! I can't quite believe that we've stuck with it after all this time. But now time is running out, in 9 week's time, everything changes, no more teachers saying do this, do that, don't do this, don't do that. We will be on our own for the first time, no structure to the day and no one to steer us to the correct path. I'm sort of excited and sort of scared as I'm sure all my primary school friends are too: Andrew Hall, Anna Schranz, Tom Yates, Charlie Wylie, Yasmin Storey, Shannon Topps, Esther Carney and Amy Phillips. We've all changed, gone down different paths; some of us changed dramatically, some of us not. But please, guys, **don't forget where we all started. In that tiny little school, North Frodingham Primary School. I'll always remember Frod as the place that started us off, the place that gave us the ambition to do well, and showed us how to succeed. It was a place where everyone was equal; everyone had the same chance as each other to do well.** And as you will think, it was a complete shock to come up to Driffield Secondary School, it was huge and scary, there were so many people and teachers and buildings, but now, I don't think I want to leave. I know I'm coming back for sixth form (sorry Dad) but it will be different. What I'll miss most is our house, Wilberforce, a team, a family, people who I could trust, my form W3, where we were so close, we could laugh together, will it be different when I leave? I don't know, but I really don't want to find out. From the 8<sup>th</sup> May, we're adults. I'm dreading it.

Sophie

## Jumble Sale - Saturday 26th January 2013

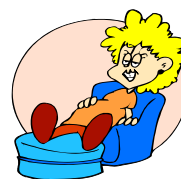

Despite heavy snowfall the sale went ahead and was well attended, raising £260 for village causes. Thank you to all those who donated goods and attended the sale, and all the willing helpers Sarah, Anne and all the girls. £65 each has been donated to the Social Centre, the Church, the playing fields and for the OAP's Christmas lunch.

Claire, Julie, Karen, Sam and Tina

Sent in by Mrs Irene Benson:

### A Woman's Poem (Anon)

He didn't like the casserole,  
he didn't like my cake,  
he said my biscuits were too  
hard  
not like his mother used to  
make.

I didn't perc the coffee  
right,  
he didn't like the stew.  
I didn't mend his socks  
the way his mother used to  
do.

I pondered for an answer.  
I was looking for a clue,  
then I turned round and smacked him one:  
**THE WAY HIS MOTHER USED TO DO!**

**Do you think you would like a prayer said for yourself or a loved one?**

Are you concerned about someone? Do you feel at a crossroads in your life? Would you like some support by people who would pray for you?

If the answer is yes, then we can offer to pray for you at our monthly Prayer Lunch.

If you would like prayers to be offered, there are two ways to do this.

- There is a prayer tree in Church. Fill in a card and hang it on the tree.
- Put your request in an envelope with 'Prayer request' on the outside and pop it in at 88 Main Street.

We do not need names or personal information - an initial will suffice.

eg. 'Please pray for S who needs surgery/been made redundant'

### Notes

Thank you to Ann Rudd for holding a coffee morning in February, a pleasant morning which raised over £100 for church funds. Thank you to all those who supported the event and to all those who helped in any way.

### Diary Dates

Thurs. 21st Mar. Quiz held at the Village Hall 7.30 for 8pm start. £2.50 each to include supper, (maximum of 6 per team). This will be our last quiz this winter, everyone is welcome.

Thurs. 11th Apr. Coffee Morning at the home of Mrs H Robinson, 6, Eastfield Close, at 10am.

Thurs. 16th May Coffee Morning at the home of Brig. A Simmons, Park House, Main St. at 10am.

Sessions of £1.50 per child, 50p for additional children and includes a drink for adults and a drink and a snack for the children. We look forward to seeing you there. If you would like to know anything else, please ring Elaine on 01262 488475.

## **Coincidence again**

Once again there happened to me a remarkable coincidence. It was when I was a young man on a first trip event and with the same West Indian crew. The ship's "chippy" (carpenter) was from

Barbados and as he was ranked as a virtual Petty Officer, he was entitled to a cabin of his own. This happened to be directly under ours. When Noel (for that was his name) was off duty, he was inclined to sing hymns in a fairly good baritone voice. As we sometimes had to work watches, this could be a bit of a nuisance as we tried to catch up on sleep.

To cut a long story short, I left that ship and after a while found myself working in Bridlington. One Sunday afternoon during the summer I was taking my son for a walk along the south shore promenade and heard singing coming from the beach.

On looking over the wall I was amazed to see a group of people dressed in grey uniforms singing hymns to a crowd of people, one of the singers being Noel, the ship's

carpenter I had last seen going ashore in Barbados, ten years before.

I made myself known to him and he recognised me at once. We chatted about various things and ships we had sailed on and he told me a remarkable story which I will write about in a subsequent issue of the Newsletter.

## **Message from Ward County Councillors : Jonathan Owen & Jane Evison**

In an effort to help East Riding residents keep their energy bills down the council has launched a scheme called YORSwitch to help East Riding households make sure they are getting the best deal possible from their energy providers and if not then helping them switch to a better offer.

Last month, the Department for Energy and Climate Change awarded the council and its partners £428,750 to support the scheme, which will see the council and its partner organisations work to reduce gas and electric bills of interested households.

The scheme works by households in the East Riding registering their interest followed by an online auction between energy suppliers, with the winning supplier's best offer made available to residents.

For anyone not online, from Thursday, 21 February, information about how to get assistance is available by calling (01482) 393939 or in person at a customer service centre.

The closing date for registrations is Monday, 8 April, with the online auction, between energy suppliers, taking place on Tuesday, 9 April.

Following the auction an offer letter will be sent out to those who registered detailing the winning energy supplier's offer. Residents then have time to consider the offer and decide if it is right for them. If it is, then all the resident needs to do is respond to the offer letter and then the energy supplier will set up their new energy deal which lasts 12 months.

"The YORSwitch scheme makes switching energy suppliers really easy so that we can all start to save money on our gas and electric bills.

"It's easy to get involved either on line or in person and the more people that get involved the greater the buying power of YORSwitch."

For further information about YORSwitch, visit [www.eastriding.gov.uk/yorswitch](http://www.eastriding.gov.uk/yorswitch)

## **NEW INDEPENDENT WATCHDOG FOR HEALTH AND SOCIAL CARE IN EAST YORKSHIRE**

A new independent organisation which will give East Riding residents a voice on health and social care will be launched on 1 April 2013.

Healthwatch is being introduced by the Government at both national and local level, with Healthwatch East Riding of Yorkshire becoming the local consumer champion for patients, service users and the public.

The new organisation, commissioned by the council, will be established by 'Meeting New Horizons', a community interest company owned by Hull Council for Voluntary Services.

It replaces services currently provided by the East Riding of Yorkshire Local Involvement Network (LINKS), which currently scrutinises health services on behalf of the public. Healthwatch will build on the excellent work of LINKS and discussions are taking place with their lead members to encourage and support ongoing involvement of their valuable contribution in the new organisation. The local Healthwatch will give residents and communities a stronger voice to influence and challenge how these services are provided within their local area.

It will also provide or signpost information to help them make choices about health and care services including where to go to make complaints about NHS and other services.

Anyone who would like to get involved in Healthwatch, or would like further information, can contact Angela Ward, Healthwatch Commissioning Manager, East Riding of Yorkshire Council, tel (01482) 391492, or email [angela.ward@eastriding.gov.uk](mailto:angela.ward@eastriding.gov.uk).

### Parish Council (PC)

The January and February meetings of the Parish Council have been relatively uneventful with only two planning applications for new dwellings to be dealt with. The main issues presented to and by the councillors were:

- a) The increase in dog fouling in the village. Dog owners are reminded that the fine for not clearing up after their pet is considerable, and that the new Dog Control guidelines state that all dogs should be kept on a lead when using public areas. The ERYC Dog Warden will be including North Frodingham on his schedule for visits.
- b) The church hedge is in a poor condition and Council is considering replacing it with a low picket fence that should considerably improve the appearance of, and visibility in, the area. Residents are asked to forward any comments to Councillors or the Clerk.
- c) Greg Knight MP has been contacted in an attempt to find out why the River Hull is not discharging into the Humber as well as it should. To date there has not been any satisfactory official response.
- d) Grange Road is continuing to deteriorate, the police and ERYC Highways department are attempting to persuade HGV owners not to use the road until White Bridge and the adjacent dike banks have been repaired. So far this is not being too successful and residents are asked to co-operate by letting Council know the licence plate number of offenders, so that they may be contacted.

Residents and group leaders are reminded that application to the Lissett Wind Farm fund is now open, details may be obtained from Karen Wood, ERYC, County Hall, Beverley, HU17 9BA.

### Social Centre (SC)

The SC committee is able to report that finally the remaining money from the Groundwork Fund is due to be paid, and that purchase of benches and bins for the playground will soon be made. In addition members of the committee will be repairing the old shed at the side of the Village Hall, to create more storage space. Hopefully this will improve the area around the hall and remove yet another target from our young 'demolition experts'. Bingo sessions have been organised for this year, and we hope that more residents will support this endeavour to raise funds for maintenance of this

community asset. We lost two groups last year, the Drum Club and Youth Club whose regular use of the Village Hall contributed to keeping us financially viable.

The SC committee is hoping that someone will come forward to re-open the youth club; that the Drum Club may restart or that a new group will form! Whilst looking for support, may we also make a plea for some community-minded people to give a little of their time and join the Social Centre Committee? Next meeting 03.04.13, 7.30pm

**From Pippa GRAVIL  
Special Inspector Recruitment &  
Marketing  
Driffield PS**

Apart from road accidents which are part and parcel of this time of year, there have been no incidents in North Frodingham which are for public consumption for the next Village Voice.

Grange Road – following a request from members of the Parish Council to approach the EYRC re HGV's using this road and driving erratically/irresponsibly, a letter has been sent from the Traffic department at EYRC to the companies who were identified by persons in the village. They have been sent a letter asking them to liaise with their drivers and find alternative routes such as the B1249 or A165 via Beeford. However, if persons witness HGV's driving down Grange Road, or are forced to take evasive action on this road by ongoing HGV vehicular traffic, if possible please can they take the vehicle registration details and pass them to one of the PC members, for them to cascade onto myself. The vehicle details will be relayed back to the Council for the relevant action to be taken by them. If the use of Grange Road by HGV's continues (without their having justifiable reason to be down there such as delivering to the farms), the advisory signs "Unsuitable for HGV's" may be changed to mandatory ones by EYRC, banning them using this single road.

An incident has been reported to Humberside Police of persons having been approached by a company calling themselves Community Initiatives Associates based in Chester, who explained they were looking for sponsorship for community care. The persons agreed to make a donation to their organisation by company debit card, but a few days later received several demands for monies for other companies. This has not occurred in North Frodingham to our knowledge at this time, but please be aware if you have your own business and are contacted by this organisation, do not partake.

We are always looking to welcome persons to the Special Constabulary in Humberside. If this is of interest to you and you would like to know more about the role, watch the village newsletters and communications you receive; an article outlining our role is being prepared.

**NEIGHBOURHOOD WATCH**

**ALL MEETINGS ARE ON A MONDAY.  
IN THE SOCIAL CENTRE AT 7pm**

**The 2013 meetings are :**

**March 18<sup>th</sup>**

**June 17<sup>th</sup>**

**September 16<sup>th</sup>**

**December 16<sup>th</sup>**

**Please come along to have your say.**

THIS CAME FROM THE POLICE FOR THE ATTENTION OF ALL N.H.W AREAS. Sam Cox (NHWATCH, Administrator, UK)

RDF are producing a new commission for BBC1 called Fight Back Britain.

They'd be very interested in hearing Neighbourhood and Home Watch members' stories.

The programme concentrates on the role that the public plays in helping the police fight crime. How social networks, mobile phone footage, photos, eyewitness accounts etc. can provide crucial evidence in identifying suspects and assisting in successful convictions. The highlight of each episode will be the inspiring stories of public involvement.

As well as these stories, the programme will provide advice on how members of the public can play their part in responsibly aiding the police, as well as insights into how they can keep their family and property safe. Where relevant, they also want to include on-going cases where an appeal for evidence would be useful. The series is a BBC1 prime-time commission, with a provisional transmission date from mid-July. They are looking for past and present stories where the public (and ideally their footage) has played a key role in the case.

If you have a story on how your Neighbourhood or Home Watch group has helped Police fight crime, please contact [crime@rdftelevision.com](mailto:crime@rdftelevision.com) or 0207 013 4208.

## ***Family Butchers of Quality***

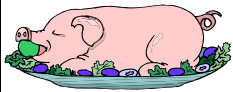

**Tel: Beeford 01262 488538 &  
Kilham 01262 420224**

Local fed beef, lamb & pork.

Large discounts for the caterer  
and on all freezer packs.

Calling at North Frodingham on  
Tuesdays 3.30pm onwards and  
Saturdays 12.30pm onwards.

### **Hog Roast Speciality**

Home cooked meats.  
Homemade pork pies,  
sausages, burgers &  
BBQ packs.

### **Jelly Tots Playgroup**

Come along to our small and friendly playgroup for babies and children up to 5 years old. We meet every Wednesday in term time from 9:30 to 11:30 in the Village social Centre. Come and join in play and craft activities and sing a few songs at the end. Chat with other parents and carers over a cup of tea or coffee.

Sessions of £1.50 per child, 50p for additional children and includes a drink for adults and a drink and a snack for the children. We look forward to seeing you there. If you would like to know anything else, please ring Elaine on 01262 488475

## **Waste Bins Collection Plans**

East Riding of Yorkshire Council is rolling out the fortnightly collection of the blue recycling bins and green landfill bins as result of the hugely successful trial. The brown bin for composting is already collected fortnightly.

The roll out of the new service will start in March and take up to the end of the year to complete across all areas of the East Riding. It will be done in phases and will include a major programme of support to assist residents to manage their waste by increasing further the amount they recycle in the blue bins.

The five phases of the roll out would start in the Hedon area followed by the Bridlington, Willerby, Market Weighton and Goole areas. This is based on the successful pattern used for the roll out of the brown bins in 2008, the introduction of the collection of food waste in 2011, and the distribution of the larger blue bins and collection of glass, further plastics and Tetra Pak, also in 2011.

The introduction of these new services led to a massive change in the amounts of waste being put in the blue and green bins, resulting in calls from residents for fortnightly collections for both bins.

Currently the council collects the blue recycling bins every four weeks and the green landfill bins every week. The brown bins for composting have been emptied every fortnight since 2011.

In April 2012 the council responded to residents' requests by trialling a fortnightly collection of the blue and green bins for 6,000 properties across Brough, Cottingham, Hutton Cranswick, Keyingham, Swanland and Thorngumbald. It was immediately successful and the trial was extended to a wider range of areas covering a total 20,000 households across the East Riding.

There was an immediate increase in the amount of waste being put in the blue bins. The recycling rate in the trial area rose to 70 per cent compared with a monthly recycling rate in the non-trial area of 60 per cent.

At the same time, there was a drop in the amount of waste being put in the green bins for landfilling. The amount of waste

collected from the green bins in the trial area went down by 35 per cent.

Throughout the trial, the council proceeded cautiously, taking account of feedback from those residents taking part. The general response was that they fully supported the fortnightly bin collections as it enabled them to recycle even more. During the trial, residents were given direct support by the council's recycling team which went from door to door. There was also a telephone hotline number, a dedicated email address and an information pack. The recycling team also gave presentations at community group meetings.

The pattern of the roll out will be based on the council's depot areas:

- Holderness area including Hedon, Withernsea, and surrounding villages. The roll out in this area is scheduled to start in March.
- **Bridlington area including Flamborough, Driffield, Nafferton, Hornsea and surrounding villages. The roll out in this area is scheduled to start in May.**
- Willerby area including Beverley, Cottingham, Anlaby, Hessle, Brough, South Cave and surrounding villages. The roll out in this area is scheduled to start in July.
- Market Weighton area including Pocklington, Stamford Bridge and surrounding villages. To be confirmed but the roll out is provisionally scheduled for September.
- Goole area including Howden, Gilberdyke, Snaith and surrounding villages. To be confirmed but the roll out is provisionally scheduled for October.

If you require any more information or you would like to arrange a talk about any waste and recycling issue including the fortnightly bin collections please contact Jonathan Crozier on 01482 395605 or via email on

## These Children Need You!

North Frodingham's Youth Club has had to close after more than twenty years for lack of adult supervision. Are there any parents willing to help out? This friendly-looking bunch are hoping they can get together again.

## WOLDS WANDERERS

We were looking for another mud-free walk and decided on a walk near the Humber. While the conditions overhead were better than anticipated, our walk was after an exceptionally high tide and we found it rather sloppy at times. Our walk began at the Riverside Walkway car park in North Ferriby. The river was very calm and the light across the water was softly glowing. We went upstream along the river as far as Welton Waters, turning north along the lane up to Welton. Here we stopped for lunch by the stream at the side of the parish church before heading up hill out of the village, and returning via the Wolds Way path

Group leaders were rewarded with a good turn-out on a lovely sunny Sunday for a walk which started at Kiplingcotes station. Heading west along the Hudson Way, the dis-used railway, the group turned at the road-side springs to head uphill along the Wolds Way until nearly at Arras Hill. There were hazy views across Goodmanham Wold but a chill wind deterred anyone

from lingering to enjoy them. Turning again, there was a very leisurely descent down a quiet road to the station. We meet once a month on the second Sunday and our walks of between six and eight miles are frequently on the Wolds but also include the North York Moors. If you fancy a pleasant walk in good company, give Peter a ring on 488983. If you have a favourite walk, you could be one of our leaders!

### Clarice Ake Aged 105 Years 1907 – 2013

Mrs Clarice Ake died peacefully at home on February 9, having been looked after with great care and devotion by Judith and Geoff.

In her long life, Clarice became a great, great grandmother and was devoted to her family.

Judith would like to thank all family, friends, neighbours and the wider village community for all their support and kind wishes and she knows that her mother was widely loved and will be very much missed by all.
