**FILEY ROAD BETWEEN GRISTHORPE AND LEBBERSTON**

Cllr Hood proposed the following:

To look to reduce the speed limit from 60mph to 30mph, which would mean the speed limit is the same all the way through the two villages end to end. This is in light of the lack of a foot path and the amount of pedestrians and horses having to use the road as a result. [ Fall back would be 40mph].

**RESOLVED: That the above item will be taken forward by Cllr Hood with the support of Cty Cllr Swiers.**

**19/21**

Cllr Hood proposed the following:

To make the exit from the Car boot a Left Turn only exit - the reason for this is the exit is blind to traffic in summer except for the last 30m due to the bend in the road when coming from Lebberton. The Car boot would be responsible for enforcing this on the days they use the exit point for the car boot.

**RESOLVED: That the above item will be taken forward by Cllr Hood.**

**20/21**
