

## **Fair Work First Statement and Declaration**

### **Statement:**

**Stromeferry and Achmore Community Council** is committed to advancing the Scottish Government Fair Work First Policy and the criteria as set out within the Fair Work First guidance document. As a Community Council we work collaboratively with our community in a democratic way. We are a group of 7 elected volunteers and as such do not employ any staff or volunteers. However, we fully support the Real Living Wage and the importance of an Effective Workers Voice channel for employees and volunteers in all organisations. We rarely make purchases but should we do so we will make every effort to ensure that our suppliers/contractors are offered the same Real Living Wage rate when procuring goods or services. This statement has been agreed by the members of the Stromeferry and Achmore Community Council
