2. Chair's Report

Gill's report for the period of the old CC and Joe's report for the new CC are attached.

3. Treasurer's Report

Opening Balance as of 01 April 2023 £1882.96

Expenditure £ 941.06

Income £ 564.16

Closing balance as of 31 March 2024 £1506.06

As usual the income has come from the Highland Council grant and interest, which with interest rates being up, is higher than normal this year £21.55. There is £4.10 interest added to this year which was missed from last year's accounts.

Expenditure is made up of CC running cost ICO, Insurance, Hall Hire and Secretary fees. In addition, we have repaired the Defibrillator box, bought Pads and donated to Lucky2BHere for training attended by members of the community. We again bought a Wreath for Remembrance Day. Finally, we paid the CC part for the Community Website.

The annual accounts have been independently audited and will now be sent to the Highland Council; on approval we should receive our annual grant.

The AGM approved the inspected accounts.
