

## **TARRADALE THROUGH TIME CREATIVE CHALLENGE**

Our excavation in September 2019 will be the last major field event for the TARRADALE THROUGH TIME project. Many people have followed our progress throughout the three years of the project and as we near the end we would like to hear and see what YOU think of what we have been doing.

We are therefore running a series of **CHALLENGES** providing three exciting opportunities to express yourselves:

1. A drawing, painting, textile or sculpture. The choice is yours. For this section you can work individually or as a group (eg school children, men's shed), so long as it is labelled as a group work.
2. A poem, short essay or other creative writing, no longer than 500 words.
3. Or express yourself by a photograph taken with any type of camera

The Challenge Competition will be launched in the Muir Hub at our Pre-excavation Open Day on 24<sup>th</sup> August. Our last excavation will run from 31 August until 14 September and this will give you a chance to come and see what we are doing this year and also a chance for photos to be taken and inspiration for drawings and paintings, etc. to be gathered. We will have an area for you to sit and create or consider if you feel the urge on the spot and some (basic) art materials will be on hand. (Photos and artwork and written entries of previous TARRADALE THROUGH TIME excavations and events are all welcome).

Entries can be handed in at any TARRADALE THROUGH TIME event or sent or delivered to Tarradale House, Muir of Ord, IV6 7RS, or if it is appropriate, by email to [tarradalethroughtime@gmail.com](mailto:tarradalethroughtime@gmail.com)

Please include your name and either an email address or postal address. This will enable us to contact you if you have won one of our astonishing prizes. If you are under 16 years please let us know your age. If you have worked in a group give us some idea of the number of people involved and their general ages. (e.g. Primary 1 or 50+ yrs)

The closing date for entries will be 14 December 2019.

There will be a Celebration of the Tarradale Through Time project in 2020 in Muir of Ord. We will have an exhibition of the best entries and the prizes will be presented. And there will be cake.

If you want your entry to be returned we would ask you to collect it at the award event (or by private arrangement) otherwise we will not be able to return it.

In accordance with GDPR we will only use your personal information to contact you about your entry and once the challenge is finished we will remove or destroy your information.
