

## Key

- NOSAS projects
- NOSAS blogs

### **Viewing a report or blog :**

- Click on a dot on the webmap
- If there is a single report or blog at the location, a window will open showing a link to the report or blog.
- If there is more than one report or blog at the location the window will list them by name. Click on a name to open the window showing a link to the report or blog.
- Follow the links to open the NOSAS report or blog.

### **Selecting a background**

- Select the Select Background icon at bottom right of the webmap
- Choose from Bing Aerial, Open Topo Map or no background
