

Thornton Steward Wine tasting competition evening Saturday 7 October at 7pm

- Our next social event in the Village Institute is a Wine Tasting with a competitive edge!

Q&A

- So what is it exactly: is it a wine-tasting or a competition?
 - Really, it's an excuse to taste 8 wines from around the World and have a bit of fun; and there is a prize. Some light finger food is included, plus palate-cleansing crackers (whatever they are!)
- What if I don't know much about wines?
 - Not a problem – you'll be part of the majority!
- What if I'm a wine expert?
 - Keep quiet about it or you'll make everyone jealous.
- How much will it cost?
 - We would ask everyone to make a donation towards the costs of the wine and food (a suggested amount would be c £10-£15 per person)
- Will I enjoy it?
 - An absolute certainty! It will be highly educational as well.
- **RSVP by 29 September as we will need to get the wine ordered**
