

THE FINDHORN VILLAGE CONSERVATION COMPANY

GARAGE SITE

The Findhorn Village Conservation Company has been successful in securing a grant from the Scottish Land Fund, for the purchase of the garage site in Findhorn. After considerable negotiation a purchase price of £180K was agreed, with the proviso that the area be named after the seller - Armstrong. The grant secured contributed £161.5K towards the purchase, leaving a shortfall of £18.5K.

This was a great opportunity for the Company to secure one of the few remaining sites for development in the village, at a price of only £18.5K. The purchase has now been completed but the Company had to raise a bank loan to meet this shortfall.

It would be good if we can now reduce our liability and increase funds for development of the site (to secure future income streams). In order to do so, the Company would welcome the following:-

- a. Donations
- b. Loans at 0% interest, to be paid back once revenue is generated

Should you be interested please contact -
