	<ul> <li>email query re potholes/ownership on road after speedbump to West Beach Car Park. Secretary replied confirming TFVCC ownership of the road and advised that the road is classed as private and drivers need to drive according to the conditions of the road. Action - Aaron's Groundworks to be contacted to provide 'quick fix' to potholes</li> <li>email query re moorings for Tides Edge Cottage. claimed that the property has rights to trip line in front of property. CL checked his deeds and there is nothing contained within stating a right to a trip line. advised accordingly</li> </ul>	CL
	Report received from member that the net pegs have been cut down on the back shore. Person to be advised this is not acceptable	СН
	Request for 'riser strip' to be installed at wall steps to stop the stones falling down the steps. Board rejected request as installation of raised point will create a bigger risk than that of the small stones on the steps. Although the stones were put there by one of the property owners a number of years ago the depth remains too deep to bed in. Action -house owner to be contacted to reduce depth of the stones.	CL
