New members are always welcome. Application forms are available from the Secretary at the address below.

TFVCC Land

On 3 March 2016 the Company took ownership of the former Novar land in Findhorn. The Company comprises of those in the village who have joined as members and it is run by a Board.

Office

In the future it is hoped to have a company office where the public can view the plan of the village, meet the directors and ask any questions. In the meantime, if you wish to view the map please contact the Secretary.

Garage Site

The site, bounded by Seaforth Lane and Seaforth Place, has been granted planning permission in principle for 3 houses. The Company has registered interest in the land. It is the intention of the Board to purchase this site if funding can be sourced. Stage 1 funding from the Scottish Land Fund has been granted so the Board will be seeking your support for Stage 2 which will enable the Company to purchase the land for the benefit of the village.

Community Consultation

A Planning for Real consultation process, led by Moray Council, will allow all who live in Findhorn to have a say in how they perceive any future plans. By being involved the Board will find out your ideas for the land and foreshore in Findhorn.

Volunteers

Beach Clean Up - can you help organise this along the foreshore one day soon? Please make contact if you would be willing to arrange this event. Although it would be a good activity for the younger generation, all ages are welcome to become involved. Junior Membership category is available aged 12-17.

Logo

Can you design a logo for the Company? Please send ideas to the Secretary.
