81/ 18-19	<p><b>Kettering Borough Council Conservation Policy: Brampton Ash</b></p> <p>Cllr Lillie (and other councillors) had attended a planning committee meeting at KBC in order to respond to a planning application which had been opposed by the parish council and by several members of the Brampton Ash community. He (and others) had been disturbed by the seeming lack of concern shown by planning officers and planning committee members in relation to Brampton Ash's history and designation as a conservation area and by their unwillingness to reject unsuitable and unsympathetic development in a prominent area of the parish, despite strong local opposition.</p> <p>Borough Cllr David Howes advised the parish council to consider approaching the KBC Planning and Development team to find a way forward in resolving their concerns and he also suggested that the parish council should consider contacting Simon Richardson at KBC with regard to the Site Specific Part 2 Local Plan which is currently under consideration.</p> <p>As the Site Specific Part 2 Local Plan indicates that Brampton Ash is protected from development for a 5-year period<sup>1</sup>, Cllr Lillie would approach the Campaign for the Preservation of Rural England for advice on how best to pre-empt or prevent unsuitable planning developments in the parish in the future.</p>	JL
