Ardentinnny Village Hall News

Hi Everyone,
I hope you are all well.
Please see the latest update below.

We are arranging a date for an AGM meeting when we will be looking for members to join the hall management group. We are looking for a new Chairman as after 6 years, Guy is stepping down and although Dee will still be a member of the group, will no longer be secretary while Neil is coming off the group altogether.

Without a management group, the hall, according to the constitution, would close and need to be sold. Any money

generated by the sale will go to another charity or organisation within the village which will more than likely be the Ardentinnny Renewables Trust (ART).

As most of you are aware, Neil and Dee are currently organising the majority of functions and extra fund raising for the hall. It would be nice if all groups which currently use the hall could come onto the committee.

We are also looking for active volunteers to come on to the actual management group to assist with fundraising and organising events.

The hall is currently in a very good position financially due to funds raised already and we are looking at funding for the heating and the internet.

Take Care and Kind Regards,

Dee
