Ardentinny Community Council Weekly News Update

Hi All,

Here is the weekly news from the Ardentinn Community Council and the Village Hall.

Ardentinny Community Council News

Glenfinart Walled Garden - Date for your diary:

MEETING - NEXT Tuesday 1 July 7.30pm - Ardentinn Village Hall

As many of you will be aware, Ardentinn Community Trust (ACT) was in the process of applying to become a Scottish Charitable Incorporated Organisation (SCIO) for the Glenfinart Walled Garden project. However, on reflection and in light of some other potentially beneficial project possibilities arising from the Local Place Plan consultation, we have decided that it would be more beneficial to leave the Trust as it is. This way the community can apply for funding for other projects under ACT's broad Constitution.

It is clear that the existing Trustees would be unable to undertake such an extensive programme and to that end we are calling upon members of the community to come forward as Trustees to take this work forward. In the meantime, we will continue to operate the garden, providing opportunities and support for the neuro diverse while maintaining and developing your community garden.

Come along and support your community.

Glenfinart Walled Garden - Date for your diary:

UPDATE ON A83 CLOSURE - Rest and be Thankful

Structural Soils Ltd (SSL) confirms that the main A83 traffic will be diverted onto the Old Military Road on Monday 30th June and Tuesday 1st July. During the traffic diversion dates noted, SSL will be undertaking ground investigation works in relation to the Long Term Solution on behalf of Transport Scotland, which includes crane lifts of specialist drilling equipment and ancillary equipment off and onto the hillside.

In addition, SSL wish to advise stakeholders that the next series of crane lift operations that will require traffic to be diverted onto the Old Military Road are scheduled to take place on Monday 7th, Tuesday 8th, Monday 14th and Tuesday 15th July, subject to weather. As previously, these diversions will be in place between 0800 and 1800 on each day.

Crane operations to date have gone well, with traffic returning to the A83 on, or before 1800 and we will endeavour to ensure the same for these upcoming dates. Transport Scotland will issue a press release confirming the upcoming diversions on to the Old Military Road in due course.

Regards
John Brint
