Ardentinny Village Hall Weekly News

60's/70's Night at the Village Hall

The Village Hall has had a request from a resident of the village that we put on a 60's / 70's night at the village hall. Trustees at the hall are thin on the ground at the moment, so if anyone would like to assist us in making this event happen I would love to hear from you (the more the merrier and I'm not asking for commitment to other things at the hall - just a little help to arrange a fun night for all)

Anyone who feels they might be able to assist in any way please contact me via the usual village hall email ardentinnyvillagehall8@gmail.com

Ken

Village Hall Upgrades

The heating in the hall has now been modified to have a timer system.

- The two heaters nearest the door are set to half power

- The hall minimum temperature has been set to 14°C and is being maintained by the Hive unit via the middle two heaters
- The door and stage end heaters are hall user operated via the master switch and their individual heater time switches
- Each heater's on/off status can be seen at the light on the fused switch beside each heater
- Turning off the heating at the Master Switch kills all heaters (the middle pair will stay on if the Hall temperature is below 14 °C)

Please follow instructions in the hall. Any feedback would be appreciated to make sure it provides adequate heating for everyone.

Table Top Fair and Xmas Fair

Anyone interested in the table top fair planned for the 26th October and the Xmas fair on 7th December please get in touch with the hall committee it would be good to have these go ahead but we need numbers!- ardentinnyvillagehall8@gmail.com

Hall Cleaning Request

Also help would be greatly appreciated in the regular cleaning of the hall.

Usually on a Wednesday morning at 10am but this can be whenever suits you. A calendar is on the hall notice board please just add your name if able to help.

Many thanks Helen
