

# SAM 2 Analysis 11<sup>th</sup> August to 22<sup>nd</sup> September 2024 Northacre Caston

Just over 10,000 vehicles were logged in the period which is lower than average but included some road closures and the school holidays

67% of the vehicles were travelling at 30mph or less thus 33% were over 30mph with on average over 7% travelling at over 35mph. This data is significantly lower than previous checks in this location.

The peak times for traffic and speeding were 6am & 7am.
