

## **Arisaig Community Trust**

### **Annual Grants to Community Groups – Gower Trust**

The Miss Annie J. I. Gower Charitable Trust, more usually referred to as The Gower Trust, was set up by the Shaw Stewart family and named after a family housekeeper whose savings formed part of the original fund. The aim is to support charitable causes generally, but a significant proportion of the trust funds is directed towards community projects and activities in the Arisaig/Mallaig area.

An amount is allocated by the Trust annually and paid to Arisaig Community Trust, as the funds must go to a charitable body, and Arisaig Community Trust is a charity. Arisaig Community Trust then makes funds available, in consultation with Arisaig and District Community Council. There is no upper or lower limit to the awards, subject of course to the amount of total funds available at any time. Funds are allocated annually, based on applications received, and will not be awarded automatically.

If your group wishes to access Gower Trust funding, we ask that you submit a brief summary of what your organisation provides in the way of services, activities, numbers of participants etc.

Please therefore could you complete the following details:

Name of organisation:

Purpose of organisation:

Number of participants (approx):

Number of times your group meets (e.g. weekly/monthly/annually):
