Winter 2024

CHRISTMAS CELEBRATIONS

Staff in Campbeltown Hospital have been getting in the Christmas spirit while raising money for Save the Children.

December 12th was Christmas Jumper Day and staff at the Welcome Rest organised a wonderful afternoon tea to coincide with the celebrations. All staff were invited to come along wearing their Christmas jumpers and to donate to this worthy cause if they were able.

Staff will also be enjoying a Christmas dinner on 18th December which everyone is looking forward to!

Special thanks to the staff in the Welcome Rest for organising and preparing food for these celebrations.

RELOCATION OF CAMPBELTOWN RADIOLOGY DEPARTMENT

Plans to relocate the Radiology department within Campbeltown Hospital have been approved. The new Radiology department will be situated in the old Benguillion ward and will enable staff and patients to access the department more easily. It is hoped that work will commence in January 2025.

During these building works a few parking spaces will be unavailable but any disruption will be kept to a minimum.

Patients will be able to access the Physiotherapy department via the main hospital entrance and then by following signs to Physiotherapy.
