Minutes and Matters Arising.

Everyone was happy with the minute from the August meeting

The minutes were then proposed by George Hanna and seconded by Pat Healey

Roads –

The signage at the Mill turn is confusing for visitors it should perhaps read alternative route as a campervan took the turn and then realised it was a single track road, braking hard and fast nearly causing an accident. Margaret to report to the council. Jimmy also mentioned that there is no signage at the road coming up to Drumnavoulin and visitors do not realise it is a junction.

Crime Prevention – John had been in Glasgow and couldn't attend the meeting

Police Report: - 2 minor fraud incidents and all were asked to be vigilant about scam phone calls. Everyone was reminded not to give personal details over the phone. Small matter of cows on the road and the dog missing from Gartvaigh has been found
