The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. Non Accessible Content:

The content listed below is non-accessible for the following reasons.

Despite our best efforts to ensure accessibility of the Council website, there may be some limitations. Below is a description of known limitations, and potential solutions.

Please contact us if you observe an issue not listed below.

Non-compliance with the accessibility regulations:

The content listed below is non-accessible for the following reasons.

- Uploaded images may not have text alternatives because we cannot ensure the quality of contributions.
- Some older PDFs may not comply.
- Some of our online forms might be difficult to navigate using just a keyboard
- The diary/calendar page listing of events has three button links that do not have a discernible name but has no impact elsewhere on the site.

Disproportionate burden:

At the present time, we have not identified any specific issues that would be of disproportionate burden.
