

## ***Juniors Sailing Courses 2017***

***1<sup>st</sup> Course for Improvers***

***2<sup>nd</sup> Course for Beginners.***

*Weather, as usual, variable but didn't stop anyone from sailing & having fun.*

*Five youngsters were at the Improvers course, with refreshers on the Topper Dinghies, moving on to the Double-hander Feva dinghies.*

*The sailing was not without mishap but everyone learnt lessons & all the Improvers achieved equivalent to RYA Stage 3.*

*Seven youngsters were at the Beginners course.*

*Day 1 was too windy to send them out and theory & knots lessons filled the morning.*

*With both Courses, the last day was "dress-up" day as pirates with a sail to Kerry Bay for a picnic.*

*They all achieved equivalent to RYA Stage 2, to sail in light winds. We hope to see them at our regular Club Sailing Sessions.*

*There are lots more photos & videos on our website & Face Book pages.*

*Well done to everyone, including Senior RYA Instructor Sophie & Assistant Morven. Thanks to Len, Harbour Master, for allowing us to berth the Toppers at the pontoon.*

*Thanks also to all the parents & volunteers who supported us & helped out each day.*
