

# Shieldaig Community Priorities Questionnaire

The Shieldaig Community Council would like to know **YOUR priorities for our community**. It is essential that we know what issues you and the community most care about in order to consider what actions we can take to help.

**The survey is anonymous** and should take only a few minutes to complete. Please provide as much information as you can. **Please only complete the questionnaire if you are a local resident** or have strong connections with Shieldaig and would like to give your view.

**Q1. Please tell us how important these issues are to you personally (and to the community more widely) by ranking them 1-7, where 1 is the most important and 7 the least important:**

- Affordable housing** (e.g. more housing, priority housing needs , seasonal housing issues, etc.)
- Community wellbeing** (e.g. health services, social/recreational activities, community transport, etc.)
- Economic development** (e.g. local economy, local jobs, support for businesses, etc.)
- Environment/sustainability** (e.g. woodland expansion, marine environment, renewable energy, waste, climate change, growing food, etc.)
- Greater support for the school** (e.g. facilities, fundraising, activities, etc.)
- Infrastructure** (e.g. roads, broadband, transport, utilities, etc.)
- Tourism** (e.g. pros and cons, local impacts, employment, etc.)

**Have we missed a priority off the list? If so, please write it here:**
