		ACTION

2	<p>Approval of Minutes of the Previous Meeting</p> <p>Proposed by Councillor Deakins. Seconded by Councillor Howells</p>	
3	<p>Matters Arising</p> <ol style="list-style-type: none"> 1. Fees for GASC lowest in Wales. Numbers dependant on parents. 2. Tim Bradfield from Mon CC has respond to request to review Goytre Park and has invited Councillors to a site meeting to discuss the options. 3. Mon CC Highways have logged all the pothole concerns raise at the Council meeting in February 4. Some work has been carried out along Rumble Street in recent weeks repairing damage to road surface 5. Potholes on Croes-y-pant Lane have been filled 6. Clerk has written to Gwent and Mon Passenger Transport Units concerning bus stops and is awaiting reply 7. Waiting suggested dates for availability of Goytre Village Hall for defibrillator training in April. 	
	<p>Meeting Suspended at 7.48pm</p> <p>Mike Moran Monmouthshire County Council. Section 106 funding allocated to 4 projects but not for Goytre Park from the Charles Church Development</p> <p>Recent Raglan project cost circa, £70,000 with floodlights. Mon CC could design and build for Goytre if required</p> <p>Total cost could potentially be covered by School Lane funds for entire project. Community Infrastructure Levy will replace Section 106 funding.</p> <p>Planning application would be required, completed by Community Council but with support from Mon CC.</p> <p>Main concerns are where should the facility be located? Standard facility or bespoke design and who will manage the facility.</p> <p>Community consultation is key to a successful application.</p> <p>Potentially some funding from Pleasant Retreat development could also be used.</p> <p>Suggestion that meeting be held with Tim Bradfield to discuss both Goytre and Little Mill upgrades</p>	
	<p>Meeting Resumed at 8.12pm</p>
