

South Lanarkshire Renewable Energy Fund Managed by South Lanarkshire Council

Micro Grant Scheme for Rigside and Douglas Water Area Administered By
Rigside and Douglas Water Community Council

What can micro grants be used for?

Community-focussed or charitable activities which:
enhance quality of life for local residents
contribute to vibrant, healthy, successful and sustainable communities; and/or
promote community spirit and encourage community activity

Are there any activities you're unable to support?

Projects which do not benefit Douglas Water and Rigside residents
The advancement or support of core activities of religion or politics
The purchase of second hand vehicles
The repayment of loans or payment of debts
Retrospective funding, where Costs already incurred or activities taken place.
Payments towards areas that are the responsibility of statutory authorities
Applications that are for the sole benefit to flora and fauna.
Anti-wind farm/renewable energy activities

Additional information

You may only apply for one micro grant at a time.

If your application is successful, you will not be able to reapply for another micro grant for 12 months has elapsed, although in exceptional circumstances the Community Council may decide to waive this

If your application is unsuccessful, you may reapply immediately

Any micro grant received must be spent within one year of being awarded

Applying for, or holding, a grant from the Micro Grants Scheme does not prevent constituted, not for profit groups and organisations from applying for a grant from any other grant-making programme operated through the Renewable Energy Fund or Clyde Wind Farm Community Fund provided that the application is not to support the same project or activity

Eligible organisations with larger scale projects may be able to access other funds including the Renewable Energy Fund
