3/26 Public Participation

Resident had concerns about sat navs directing vehicles past Diamond Cottage, and suggested warning signage would assist. The Clerk advised this should be requested via the County Council reporting system, Fix My Street.

As a relative newcomer to the area, resident asked how the Parish Council inform parish residents about their activities. The Council have a website and three noticeboards, and also use the Tarsset community email system. It was not known whether the Tarsset Diary would be continuing, however this was another avenue which could be used for publicising the work of the Council.

Those present agreed all new residents to the Parish should be sent a welcome card, and which could include details about the Parish Council.
