

## Over 100 Gather as New Services Launch with Joy and Purpose

We're thrilled to share that last month's launch of the new services at St. Michael's, Pirbright, and St. Marks, Wyke, was a huge success! Our Traditional Services welcomed both familiar faces and newcomers—some of whom were joining us for the first time. Then our Contemporary Worship Services brought energy, joy, and heartfelt worship to a room full of people hungry to encounter God. Across both services there were over 100 people gathered—an encouraging sign that God is at work in this new chapter.

To help live out this vision, we're excited to be stepping into this new service plan—one that creates space for people at all stages of faith to worship, explore, and encounter Jesus in ways that are meaningful to them. Whether through a more traditional liturgy or a contemporary expression of praise, our aim is the same: to meet people where they are and lead them into the life Jesus offers.

At the heart of our community vision is a simple but powerful call: to see new people come. We believe that Jesus calls us to open our doors wide - to welcome in those who don't yet know Him, and to offer a place of belonging, love, and transformation.

Our community is not just for those already here, but for everyone seeking truth, hope, and a home.

Bring a friend. Invite a neighbour. Let's be bold in sharing what Jesus has given us and offer it freely to those around us.

Let's be a community that truly lives out the love of Christ - welcoming, inviting, growing.

## Pirbright Parish Council

### Annual Parish Assembly

This year's Report to all parishioners took place on Wednesday 30th April 2025. The Parish Council was disappointed at the low turn-out as a lot of work goes into putting together the event and the Reports given by the Chair of the Parish Council, Chair of the LPH Trustees and the various guest speakers. PPC does have a website [www.pirbright-pc.gov.uk](http://www.pirbright-pc.gov.uk) and also a **Facebook page**. We also use the local **WhatsApp groups to circulate news and goings-on's** so maybe parishioners feel well informed and do not feel the need to attend the Annual Meeting? If this is the case that's great however, if you do not feel informed or **have a suggestion** as to **how to increase communication and community liaison**, please get in touch.

### June Gardening tips

Now is the time to divide bearded irises, replant sections that have two or more fans on them. Keep watering plants, especially newly planted ones, young vegetables, containers and hanging baskets. Protect plants from slugs and snails. Cut down oriental poppies to ground level after they have flowered, and they will send up new foliage. Check roses for signs of blackspot, aphids and leaf rolling sawfly damage. Cut down daffodil bulbs now as it has been at least 6 weeks since they flowered. Thin out or trim back Clematis Montana if it needs controlling. Trim evergreen hedges, but check for nesting birds first and wait until they have fledged. Keep dead heading summer bedding, early flowering perennials and repeat flowering roses to encourage more flowers.

Pinch out tips of new growth on figs at the end of month, when the shoots have 5 leaves. Stop cutting asparagus now and topdress with a general purpose fertilizer. Thin fruit on young or heavily bearing fruit trees, after the June drop, to improve size and quality. Net soft fruit bushes to stop the birds taking the fruit. Remove side shoots from cordon grown tomatoes. First early potatoes can be harvested when they begin to flower. Plant out sweetcorn in blocks, rather than rows as this will aid pollination. Prune ornamental cherries after flowers have faded. Keep pruning cuts to a minimum as they do not heal well and can allow in diseases such as canker.

Regularly mow lawns, mowing in different directions to prevent wear patterns and to encourage upright growth. A high-nitrogen summer lawn fertilizer can be applied if there isn't drought conditions.

And why not take a day off from gardening and go and see some of the lovely open gardens in Pirbright on 14th June. See advert in the edition
