

# Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

Name of council:	Lilford-cum-Wigsthorpe and Thorpe Achurch Parish Council		
Name of Internal Auditor:	Helen Hoier	Date of report:	15 April 2020
Year ending:	31 March 2020	Date audit carried out:	15 April 2020

*Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. This report is based on the evidence made available to me and consequently the report is limited to those matters set out below.*

**The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.**

## To the Chairman of the Council:

I met with Nicki Phillips (Clerk/RFO) on 15 April 2020 via Zoom to carry out the year-end audit of the Council. Upon examination of bookkeeping, due process, risk management, budget, payroll, asset control, bank reconciliations and year-end procedures; it is clear that every effort is made to ensure that the Council acts lawfully, transparently and in accordance with proper practices.

The Council has a turnover of under £25,000 and is therefore obliged to comply with the Transparency Code by publishing its financial and governance documents on its website. The Council is not currently eligible to use the General Power of Competence and as such understands that it must ensure it spends within its legal powers (particularly Section 137 under which there was an item of expenditure in 2019/20).

## Issues raised in 2018/19:

- Ensuring that the Council's financial and governance procedures with regards to accountability and transparency are as effective as possible for which suggestions included:
  - Reporting the VAT element (if any) of all figures included on the agenda and in the minutes.
  - Establishing a rota whereby a different member completes a checklist through the year in order to test specific internal controls and report any findings to the Council.

Issues raised in 2019/20:

- I am satisfied that there are no issues to raise from the 2019/20 year-end audit. The Clerk/RFO ensures that the Council is aware of, and able to act on, any legislative changes and/or new recommended good practice.

The Council appears to be performing well, with its business affairs managed properly by a very competent Clerk/RFO and committed Council members.

Yours sincerely

Mrs Helen Hoier
