

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2025/26

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments **must** be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2026
- The Annual Governance Statement (Section 1) **must** be approved before the Accounting Statements (Section 2) and evidenced by the agenda or minute references, even where approved on the same day.
- The Responsible Financial Officer (RFO) **must** certify the accounts (Section 2) before they are presented to the authority for approval. The authority **must** in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period which **must** be a single period of 30 working days for inspection (this excludes weekends and public holidays) which **must** include the first 10 working days of July.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor **must** be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- Additional costs may be incurred if additional audit work is required.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2025) equals the balance brought forward in the current year (Box 1 of 2026).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights which **must** be a single period of 30 working days for inspection (this excludes weekends and public holidays) which **must** include the first 10 working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2026**
