- trustees' consideration of major risks and the system and procedures to manage them.

A properly constituted Management Committee monitors the affairs of the Burnside Memorial Hall and makes suggestions for improvements to the Trustees. This committee comprises:

- **Trustee members:** three members from the current Trustees, plus the Hon. Secretary and Hon. Treasurer;
- **Community members:** the chairs of Plumtree Parish Council, Normanton-on-the-Wolds Parish Council and Clipston-on-the-Wolds Parish Meeting, or their representative;
- **User members:** up to six representatives of groups that use the Hall on a regular basis.

Any maintenance or remedial work performed in or around the Hall is carried out by fully insured, local, professional tradesmen. The Hall has no employees.

The Hall has a premises licence and a small lotteries licence but does not have a licence to sell alcohol. An alcohol licence must be obtained by the hirer if alcohol is to be sold at an event.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The provision of community hall facilities to the villages of Plumtree, Normanton on the Wolds and Clipston on the Wolds (the Ecclesiastical Parish of Plumtree, Nottinghamshire).

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Burnside Memorial Hall is a facility used by members of the public for meetings, children's parties, family parties, wedding receptions, christening celebrations, clubs, classes and special events.

The Hall is hired out for a small fee to ensure its running costs and upkeep can be paid in full and that it is kept in good condition.

Regular users include Plumtree School, The Wolds Day Nursery, Plumtree WI, Plumtree Parish Council, Normanton-on-the-Wolds Parish Council, Clipston-on-the-Wolds Parish Meeting, Plumtree Church, Keyworth Bridge Club and Keyworth Art Group.

In addition, a monthly flower club and astronomical society, and weekly yoga and line dance classes are held. These are open to the public for a small fee.

We confirm the Trustees have had regard to the Charity Commission's guidance on public benefit.

In particular, public events are open to all and are priced appropriately. Regular users and charitable users are charged at lower rates than those hiring the Hall for one-off or commercial events.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Trustees manage the Hall voluntarily on a day-to-day basis: controlling bookings, bookkeeping and managing the Hall's web-presence.

Routine maintenance and remedial work are carried out by fully insured, local, professional tradesmen. Maintenance work includes regular cleaning, gardening, decorating, PAT testing, gutter clearing, roof repairs.

Summary of the main achievements of the charity during the year

The Hall has been well-occupied throughout the financial year and income was sufficient to cover regular costs. There were two wedding receptions, with more booked for next year.

The Hall hosted another very successful Barn Dance to raise funds for the Parish Church. Art exhibitions have also been held.

The village of Plumtree was on the route for the Nottinghamshire stage of the Tour of Britain; the Hall supported the event, decorated in bunting and as a venue for refreshments.

Regular expenditure on the Hall ensures that it is a clean and attractive environment which, in turn, ensures that it continues to be hired on a regular basis.

New curtains for the stage and windows have been fitted. Five single-glazed, wooden framed windows have been replaced with double-glazed uPVC units.

The kitchen has been updated with new worksurfaces, cupboard doors and drawer fronts. The cooker has been replaced and a water boiler installed.

Section E

Financial review

Brief statement of the charity's policy on reserves

The reserves policy for the Hall is to ensure continuity in case of a major loss of income. It is anticipated that six month's cover would be needed while a new source of income was sought. A minimum of £5,000 is kept in an interest-earning account for this purpose.

Details of any funds materially in deficit

There are none.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Hall is hired out for a small fee to ensure its running costs and upkeep can be paid in full and that it is kept in good condition.

100% of the Hall's income was from hire fees and bank interest

55% of its expenditure was on running costs and maintenance
