Objectives and activities

Summary of the objects of the charity set out in its governing document

The provision of community hall facilities to the villages of Plumtree, Normanton on the Wolds and Clipston on the Wolds (the Ecclesiastical Parish of Plumtree, Nottinghamshire). The Burnside Memorial Hall is a facility used by members of the public for meetings, children's parties, family parties, wedding receptions, christening celebrations, clubs, classes and special events.

The Hall is hired out for a small fee to ensure its running costs and upkeep can be paid in full and that it is kept in good condition.

Regular users include Plumtree School, The Wolds Day Nursery, Plumtree WI, Plumtree Parish Council, Normanton-on-the-Wolds Parish Council, Clipston-on-the-Wolds Parish Meeting, Plumtree Church, Keyworth Bridge Club and Keyworth Art Group.

In addition, a monthly flower club and astronomical society, and weekly pilates, yoga and line dance classes are held. These are open to the public for a small fee.

We confirm the Trustees have had regard to the Charity Commission's guidance on public benefit.

In particular, public events are open to all and are priced appropriately. Regular users and charitable users are charged at lower rates than those hiring the Hall for one-off or commercial events.

Achievements and performance Section D Summary of the main The Hall has been well-occupied throughout the financial year and achievements of the charity income was sufficient to cover regular costs. during the year In addition to the regular hirers, there were three wedding receptions, many children's parties and family celebrations, and a clarinet concert. The Hall hosted another very successful Barn Dance to raise funds for the Parish Church. It has also provided a venue for a Light Party and Lenten Lunches, both run by the Church. As part of the WW1 parish commemoration, a party was held in the Hall sponsored by the local parish councils. Regular expenditure on the Hall ensures that it is a clean and attractive environment which, in turn, ensures that it continues to be hired on a regular basis. The roof has been surveyed and significant work undertaken, both externally and internally, to ensure it is watertight.

A full Asbestos survey was commissioned, and remedial work is in progress.

Brief statement of the charity's policy on reserves	The reserves policy for the Hall is to ensure continuity in case of a major loss of income. It is anticipated that six month's cover would be needed while a new source of income was sought. A minimum of £5,000 is kept in an interest-earning account for this purpose.		
Details of any funds materially in deficit	There are none.
