Stay connected to your community

Are you living with sight difficulties and finding it hard to read the local newspaper? Perhaps you know a relative or friend who is visually impaired who might enjoy listening to local news?

The Tynedale Talking Newspaper (TTN) sends out a free audio recording of local news each week, courtesy of the Hexham Courant. Every month there is also a new recording of The Tynedale Talking Magazine or The Northumbrian.

Recordings arrive by post on a USB memory stick which can be listened to on a computer or Smart TV. No computer? No problem. TTN also has easy-to-use audio players to loan out to people who are not on the internet.

To find out more please contact Ed, the Registrar, on 07400 096937 or www.ttnweb.uk or check out Facebook.

TTN is a charity (1034087) run entirely by local volunteers, helping people to stay connected and feel part of the community.

Ponteland u3a
